JAMES KENAN MIDDLE MAN

Jimmy Boyette, son of Mr. and Mrs. E. B. Boyette stands tall in the James Kenan line for Coach Bill Taylor's Tigers. Jimmy is one of the reason James Kenan will carry an undefeated record into the game with Richlands this Friday night at the New James Kenan Stadium.

JAMES KENAN GAINS TIE WITH SWANSBORO 12-12

Straghan and Batts still on injured list.

The James Kenan Tigers traveled down to Swansboro this past Friday night and ran into a fired up Pirate team which was not supposed to be too strong and had to fight to come from behind to tie the Swansboro eleven 12-12. The Tigers were expecting a fairly easy victory and just got fooled by the outstanding quarterbacking and passing of ex-Jacksonville back, Mike Miller.

This tie with Swansboro could very well remind the James Kenan eleven that one of the greatest mistakes . . . is to under estimate the other fellow. Of course this is one man's opinion but I feel that the Tigers are very capable of winning the conference championship after that performance against Massey Hill two weeks ago.

In the first quarter, quarterback Miller passed 27 yards to right end Danney Kirk to climax a 34-yard march for the Pirates and a 6-0 lead. Miller's try for the extra point failed and the Swansboro team led 6-0 at the quarter.

The Tigers started to roll in the second period and drove 50 yards to tie the score with a 12-yard pass

Mary Morrow Scholarship Comm. Plans For '60

The Mary Morrow Scholarship committee of the N. C. Classroom Teachers Association met in Raleigh on September 12 to make plans for the year. The committee consists of Mrs. Sallie C. Ingram, chairman, Kenansville; Mrs. Mildred Ferguson, Ahoskie; Miss Frances Formyduval, Wilmington; Mrs. Fern King, Durham; Miss Marietta Nece, Burlington; Mrs. Harold Craver, Lexington; Miss Annie Little, Mosemore, Wadesboro; Mrs. Shirley H. Halley, Lenoir; Mrs. Pince Moore, Forest City; and Mrs. Edna Rogers, Waynesville.

A goal of \$50,000 has been set by the classroom teachers for this fund. As to date about \$18,000 has been contributed. Since the policy is one scholarship of \$150 for each \$5,000, it is hoped that contributions will make it possible for the committee to award four on April 9, 1960.

A goal of \$1.00 per member of each C. T. A. unit was set. 100% units will be given special recognition at the N. C. E. A. - C. T. A. meeting in Asheville on March 17-20, 1960. It was suggested that the Mary Morrow Scholarship Fund be brought to the attention of professional circles in North Carolina. Special gifts are appreciated. Mr. Lee Parker of Parker Insurance Company presented a check for \$25 to the committee.

This scholarship fund honors Miss Mary Morrow who was a dedicated teacher in the Greensboro schools and the first president of the Classroom Teachers Association.

Miss Marietta Nece of Burlington is a former teacher in the Kenansville High School. Mrs. Sallie C. Ingram is a member of the faculty of the James Kenan High School.

from quarterback Bill Straghan to halfback Hubert Merritt. The drive started on the Tiger 42 when Straghan still suffering from a slight shoulder injury intercepted a Miller pass. Merritt's try for the all and important point was slightly deflected and went wide.

Late in the second quarter Miller, deadly with his passes, hit Kirk again. This time good for 35 yards and a touchdown. The Pirates lead at the half 12-6 in a very exciting first half.

Early in the third quarter fullback Danny Batts took a pitch out from Straghan on the Tigers 30 yard line and raced down to the Pirates 20 before being pulled down from behind by Miller. Three plays later Straghan connected with Merritt again for the touchdown to tie the score 12-12. The pass from Straghan to Merritt was good for 12 yards. Merritt's try for the point was long but wide again and the Tigers and Pirates could not muster another drive and the score ended 12-12.

Swansboro did get down to the Tiger 13-yard line late in the game but a pass from Miller to Bobby Hancock was intercepted in the end zone by Straghan.

The James Kenan Tigers will be seeking their first East Central victory this coming Friday night when they meet the strong Richlands eleven at the new James Kenan Stadium.

NORTH DUPLIN GAINS THIRD WIN

Coach Dick Kael's North Duplin Rebels, out with a virus most of the week, came back strong Friday night against Angler to win 25-0 in a non-conference game. The Rebels now have an overall 3-0 record.

In the first quarter the Rebels rolled 70 yards to score with fullback Joe Hollingsworth plunging over from the two. Quarterback Douglas Kennedy passed 13 yards to Glenn King in the second quarter for a touchdown and the Rebels lead at the half 13-0.

In the third period QB Kennedy ran the ball over for the third score from six yards out and then passed to King for the extra point. Roger Mozingo ended the Rebels scoring in the final quarter racing 23 yards for the score.

Federal Officers Get Big Haul

Loftin Kornegay, W. of Bowden and Alfonso Bowden, C. were caught by Federal officers at about 5:00 Monday morning, with 24 gallons of bootleg whiskey.

According to officers, Kornegay and Bowden loaded the whiskey in the boot of an old car which had been bought at public auction from the jail house grounds in Kenansville. Kornegay got in his car and proceeded Bowden to the highway. They were both stopped by officers who had been watching and the four cases of whiskey were taken. Kornegay and Bowden were taken to Wilmington to Federal court where a hearing was held and bond posted.

Alice Faye Smith FHA Candidate, State Treasurer

The vocational Home Economics teachers of Pender, Duplin, Jones and Onslow Counties met in Pender for their monthly quad county meeting with Miss McGowan as hostess.

Each teacher took representatives from her F. H. A. Chapter to select a candidate to run for state treasurer of the F. H. A. at the district rally in Kinston on Oct. 10. Alice Faye Smith from B. F. Grady School was selected to run for this position.

At the conclusion of the business matters the meeting was adjourned.

DIAGNOSTIC CENTER PLANS APPROVED

At a recent meeting of the Board of County Commissioners, plans for the Poultry Diagnostic Laboratory at Rose Hill were approved.

Bids on the clinic will be opened at the meeting of the Commissioners on Monday, October 5 at 5:00 P. M.

Commissioners set the bid opening date at a meeting after plans were presented by Leslie M. Boney, architect of Wilmington. The site for this building had been purchased at an earlier date.

The shop is beautifully decorated and the display is

Here Is The Way The Point System Works

The 1959 General Assembly put into effect a point system approach to highway safety in which demerit points are charged against those who drive dangerously. Such a program aids the cause of highway safety by helping to improve those who drive dangerously, or as a last resort - by removing them from the roads until they are willing to drive better. The good driver, of course, has no need to be worried about the point system, because safe and intelligent driving will not result in demerit points.

Each time a driver is convicted for moving traffic violation, the North Carolina Department of Motor Vehicles is notified. Upon receipt of such a notice, the driver's record is charged with a certain number of demerit points, except that point are not assessed for convictions resulting in suspensions or revocations under other provisions of law. If a driver's record reaches 12 points

Convictions	Points
Passing stopped school bus	5
Reckless driving	4
Hit and run, property damage only	4
Speeding in excess of 55 mph	3
Illegal passing	3
Failing to yield right of way	3
Running through red light	3
No operators license or license expired more than one year	3
Failure to stop for red light or siren	3
Driving through safety zone	3
Driving on wrong side of road	3
No liability insurance	3
Failure to report accident where such report is required	3
Running through stop sign	2
Failure to give proper signal	2
Speeding in city limits	2
Speeding in restricted zone	2
Improper turning	2
All other moving violations	2

Duplin Receives Powell Bill Funds

More than 400 North Carolina municipalities will share this year in the distribution of \$6,706,022.38 in Powell Bill Funds, according to the State Highway Commission.

This represents an approximate 4 per cent increase over the \$6,477,457.31 distributed last year. During the nine-year period of aid under the Powell Bill, a total of \$31,779,757.94 will have been distributed with the issuance of this year's checks.

Checks for their proportionate shares will be mailed on October 1 to 409 municipalities which qualify under the 1951 statute setting aside 1/2 cent of the six cent per gallon net State gasoline tax for the use of municipalities in maintaining and improving their non-highway system streets. The net revenue from the tax amounted to \$81,238,000.00 for the fiscal year 1958-1959.

Half of the total Powell Bill allocations, \$3,353,042.29, will be divided among 409 municipalities on the basis of population at a per capita rate of \$2.21.

The remaining half is divided on the basis of relative mileage of non-highway system or local streets of municipalities complying

Mrs. Matt Quinn Passes Suddenly

Mrs. Rebecca Wallace Quinn, 89 of Albemarle, wife of Matt Quinn died suddenly Friday night in Duplin General Hospital at Kenansville.

Funeral services were conducted at the home Sunday afternoon at 2:30 O'clock by Rev. M. E. Godwin of Dunn, Rev. Lloyd Vernon and Rev. James Hawthorne. Burial followed in the Wallace Family Cemetery.

In addition to her husband she is survived by one son Franklin Quinn of the home.

BEULAVILLE NATIVE EMPLOYED BY CP&L

Mrs. Herbert Rouse, native of Beulaville, has been employed by Carolina Power & Light Company as clerk in its purchasing and stores department in Raleigh.

Mrs. Rouse is the former Evelyn Sumner, daughter of Mr. and Mrs. Cicero Sumner of Beulaville. She is a graduate of Beulaville High School and Hoyer's Secretarial and Business School. Prior to joining CP&L she worked as secretary for the Dept. of Public Instruction. Mr. Rouse is also a native of Duplin County and is a state insurance agent. They have three children.

East Carolina Alumni To Meet

Graduates and ex-students of East Carolina College now living in Duplin County will meet next Tuesday night September 29 at 8:00 o'clock at Kenansville School Auditorium.

Allen Nelson, Director of Foundations and Alumni Affairs will represent the college at this annual meeting.

The Point System Explained A New Approach To Highway Safety

On Thursday afternoon the State Highway Patrol called a meeting in Warsaw to explain the "Point System" on motor vehicle accidents.

Sgt. T. W. Fearing of Goldsboro conducted the meeting and invited guests were Duplin County mayors, members of town board, law enforcement officers, judges, solicitors, court clerks, school and church leaders, news services, civic groups, and the general public.

Sgt. Fearing pointed out the urgent need to do something about the rising fatality rate in North Carolina. He had arranged a constructive program explaining "Operation 4-7-12" (the steps in the new State Point system for suspension of driving licenses of careless and habitual violators).

First on the program was Croom Faircloth, solicitor of Sampson County Court, Clinton who spoke on the urgent need to arrest North Carolina's constantly rising fatality rate. Solicitor Faircloth pointed out that in the past 50 years traffic accidents have been responsible for more deaths than any one of our dread diseases. He stated that traffic accidents are our greatest uncontrolled social problem.

H. M. Riddle, driver improvement representative of the State Department of Motor Vehicles, spoke on the history and effectiveness of the Point Program. He pointed out that this is not a new system but one which has been used in 38 states already. He pointed out that the three "E's" must be used - enforcement, education and engineering. Riddle explained that the state is not trying to take your license, but notifies a driver when he is in the danger zone and invites him to talk with a counselor.

Briefs

IMPORTANT NOTICE

A meeting will be held on Monday night, September 28, at 8:00 P. M. at the Town Hall in Warsaw. This meeting is for a discussion on the Little League Base Ball team for the coming year. Parents must be present in order to make plans for next year's base ball team. Base ball will be dropped for next year unless the parents come out and make plans for the coming year. Warsaw had a most successful Little League team last year which gave the boys many happy hours during the long summer months. Parents are urged to attend.

Special Term Of Court - October

A two week special term of court has been ordered by Chief Justice Windborne for Duplin County because of the accumulation of Civil Actions on the Court docket. The two weeks term will begin on October 19 and October 26.

Jurors for this special term have been chosen as follows:
Jurors - Special Term - Superior Court - Civil October 19,
Monroe Carr, Robert Hunter, Aldine Whitfield, Glenwood Thomas, George E. Kennedy, Norwood Mercer, Chancey Bishop, B. W. Smith, David H. Rivenbark, Cecil Worsley, A. M. Kenan, Herbert A. Jones, James I. Thompson, Willie A. Lanier, Ralph Sumner, Percy Albro Maready, Halle Kelly, L. T. Highsmith, R. L. Wadsworth, Seaton Carter, Gene Bradshaw, Flave Kennedy, Herbert M. Stroud, P. W. Teachey, Willard Sumner, Raymond E. Cavenagh, J. Milton West, Marvin Stroud, W. B. Swinson, Weldon Jackson.

Harvest Sale

Rones Methodist Church will hold its annual Harvest Sale at LaPlace Community Building, three miles east of Mount Olive, on October 3, beginning at 5:00 P. M. Barbecue and chicken salad plates will be served.

Treasurer Of Sorority

Cynthia Williams of Chincapien has been elected treasurer of the Alpha Xi Delta, the first East Carolina Sorority to go national. Sixteen women at the college are charter members of the chapter, and plans are being made to pledge 24 new members in the near future.

SCHOOL ALMOST COMPLETE

The new colored school at Wallace is now almost completed. This week workers are doing the painting inside the school building. When completed it will be one of the finest schools between Wilmington and Goldsboro.

Man Killed In Wallace Wreck

Edward Swenson, 62, was killed and his wife and son seriously injured in the crash of a pick-up truck and a car at the intersection of U. S. 117 and Murray St. in Wallace Tuesday at 3:15 p. m.

Swenson, a farmer of Richlands, N. C., died of head injuries a few minutes after his arrival at Duplin General Hospital in Kenansville.

Mrs. Ardell Swenson, 42, was admitted to the hospital for treatment of a crushed leg, broken left wrist, fracture of pelvic bones and lacerations. Kenneth Swenson, her son, age 9, was admitted for treatment of a broken left leg, a had right eye injury and lacerations.

According to reports, Swenson, driving a 1951 Studebaker pick-up had just left a tobacco warehouse at 200 South on U. S. 117. He made a left turn in front of a 1956 Cadillac, driven by Roy J. English of Wallace, N. C., going north on U. S. 117. English was treated by a Wallace physician for lacerations. Both vehicles were demolished.

This was Wallace's second fatality in a wreck. A colored man was killed on Saturday night on U. S. 117 when he was walking across the highway.

MRS. KENNETH F. TYNDALL
Mrs. Kenneth Franklin Tyndall and son, Kenneth, left recently from Germany to join the Tyndalls. Mrs. Tyndall, who is a graduate of the University of North Carolina, is the daughter of Mr. and Mrs. A. K. Dunn of Albemarle and a 1936 graduate of B. F. Grady School. The Tyndalls will return to the states May, 1960.

Foster Home Help Meet Children's Need

"Foster homes help meet the needs of children in many type of situations", said Mrs. Taylor, county superintendent of public welfare, in commenting on this phase of the child welfare services given in this county.

"Children a variety of circumstances need foster care," she said, "situations where an infant is being studied for adoption, a child temporarily placed out of the home when the mother is ill and there are no relatives to care for the child, children with behavior problems, children with parents in prison, and as of August 12th a child abandoned and with no home."

The State Board of Public Welfare licenses foster homes throughout the State. Currently there are 1,311 licensed homes. All of these homes have been carefully studied and the foster parents and the home situation evaluated so that safety, health and social factors assure the care and well-being of the child. State and county funds combine to provide for this care. In addition an allowance is made for clothing and medical care.

Examples of situations in which foster home care is helpfully used include children who are being studied for adoption. An infant is placed in a foster home for three or four months until the infant's physical and mental development can be established. Some indication of the best type of adoptive home for the child then can be determined and a good placement can confidently be expected.

Foster homes are used when a mother becomes ill, the agency has no available homemaker, and there is no one in the home who can take over the care of the children. In such a situation, if no relative can take the children, they are placed in a foster home for the temporary care needed. If there are relatives and the situation qualifies in terms of financial need, the child can receive aid to dependent children (ADC) grants rather than foster home care. The Federal government participates heavily in the ADC grants but not

New Regulations Governing Electrical Wiring Are Announced

Now regulations for wiring any type of building to meet the National Electrical Code will be enforced in Duplin County beginning October 1.

At a meeting of the Board of County Commissioners on August 17, the Board acted on these new regulations. Cicero Lanier is County Electrical Inspector, and advises if you plan to do your own wiring get in touch with him and he will advise you so that your building will be able to meet specifications for there is quite a change in the new regulations. Mr. Lanier states that it is permissible for a person to do his own wiring, if they contact the county inspector first.

The section of the revised Duplin County simplified electrical ordinance, approved by the State Building Code Council and recommended by North Carolina Insurance Department, which affects the installation and construction rules is as follows:

SECTION 1. INSTALLATION STANDARDS.

All installations shall be in conformity with the provisions of the Public Safety Laws of the State of North Carolina governing electrical wiring installations and materials and of this ordinance.

SECTION 2. SPECIAL CONSTRUCTION RULES.

(1) Where two or more lighting and receptacle circuits are required in addition to the special appliance circuit in a dwelling, overhead lights and receptacles shall be so divided that each room will be served by at least two circuits.

(2) Where the building construction (continued on back)

5 From Duplin Inducted In Sept.

The Local Draft Board announces that the following men were inducted from Duplin County in September 1959.

James Randolph Jordan
Leroy Williams
Earl Fredric Stroud
Lewis Lenard Moore
Faison Thomas Moore

The October 1959 induction call is for 6 men to be delivered on October 22, 1959. There will be 5 men sent for physical examination on that same date.
