Patrolman Williams said damages to the truck were estimated at \$200.

The driver was charged with driving underage and will appear before R. V. Wells, Duplin Gerk of Superior Court, and htvenile judge, in Duplin Juvenile Court in Kenensville.

Duplin Co. Tax Collections Are Up Over 1958 J. B. Stroud, chairman of the Duplin County Board of Commissioners, was named to the Board of Direct of the North Carolina Association of County Commissioners at a district meeting held in Clinton recently. The Sampson commissioners were hosts for the all-day session.

In figures released by Duplin County Auditor Faison W. McGowen, Duplin's tax collections for the current year through October are approximately 40,000 above the same period one years ago. same period one year ago.

The 1959 tax collections from July
1 through October 31 total \$545,361.

74 as compared to \$539,297.03 for the same period in 1958.

October collections were responsible for the increases with \$139,-558.47 being collected this year as compared to \$127, 445. 16 for Octo-

ber, 1958.

Harry Phillips, Duplin Tax Collector, said today that all citizens of Duplin who owe taxes are urged to Duplin who owe taxes are urged to Two Negro Men ed into the Armed Forces from Dup-lin County in Nov. They were: Fred Alphin, Jr. come into the office in Kenansville and pay their taxes as soon as possible. "We appreciate the cooperation which the people of Duplin County give to us in collecting taxes." Phillips sald.

Thompson Named Key Banker 1960

A prominent Duplin County ban ker has been named to coordinate form activities of the N. C. Bankers Accordation in this area.

NCDA President G. Harold Mythe accident were Glenn W. Stanrick of Lincolnton has announced cil of Rt. 2, Kenly, N. C., driving a the appointment of E. C. Thompson 1959 Chev. fordor and Luby M. as "County Key Banker" for Duplin Bradley of Mt .Olive driving a 1953 County during the next 12 months. Mr. Thompson is Senior Vice Pres dent of Branch Banking & Trust Company

Myrick said that North Caroline's 100 County Key Bankers "are the backbone of the farm program that has won a national award for Tar ficel bankers for 15 straight years," The N. C. Bankers Association rewon the American Bunkers Associa-ion's Agricultural Award for con-

And Myrick paid tribute to his local Key Banker appointee. "Mr. Thompson," he said, 'has proved his the farmers of his area. He recognitwo teenagers were injured and the zes the importance of a sound farm onomy in North Carolina, a preminantly agricultural state.

The mishap occurred on a rural unpayed read, known as the old Beulayille - Chinquapin road, around 8:00 o'clock Saturday night. Involved, was a 1953 Chevrolet pickup, driven by a 14-year-old Beulayille girl. With her was a gril friend, also 14.

The accident occurred when a tire blow out on the truck and the State College. The 100 Key Bankers work as

other things, a two-week school at State College each February, at-tended by about 150 young farm leaders from throughout the State. The accident occurred when a tire blew out on the truck and the driver lost control. the vehicle overturning.

Both girls were injured and were carried to the Duplin General Hospital, Kenansville. It is understood that they suffered injuries to the back as well as laceration and bruises. Neither are in serious condition.

State College each February, attended by about 150 young farmers leaders from throughout the State. All expenses of the young farmers are paid by their hometown banks. Also, the Association sponsors an annual farm credit conference, attended by hundreds of farmers and bankers, who study the needs of agriculture. Still another project riculture. Still another project land judging contest to encourage greater appreciation of the impor-tance of soil conservation.

Meanwhile, Tar Heel banks con-

tinue to lend twice as much money to farmers as any other institutional group of lenders. Recent reports in-dicated that banks had - made \$75 million in credit available to far mers last year.

150-Gallon Still **Destroyed Near Warsaw Recently**

A 150-gallon submarine type liq-uor still has been destroyed in Warsaw Township back of Josh Hinson's Store, according to Duplin Sheriff's In addition to the still being des

troyed. 12 barrels of mash were emptied. The rig was gas operated On the raid were Deputy T. E. Revellle and Constable

Cut In Warsaw

Two Negro men from Warsaw were treated at Duplin General Hospital last week end for cuts inflicted by persons whom the pair will not press charges against.

Duplin Sheriff Ralph Miller revealed today that Paul Miller and D. V. Miller were cut Saturday night at a business location in Warsaw but that the two Negro mon will not, or have not, yet sworn out a warrant charging their assallants.

Farmers Participating In ACP Program Must Report Performance By Dec. 31 Duplin County farmers who are | porting performance of practices

articipating in the 1959 Agricultural Conservation Program must rove performance by December 31. O. L. Holland, Duplin County

Chairman of ASC, said those far- vital to the welfare of the State that mers who have signed up for ACP on the permanent type program to see that only good conservation uch as installing tile. ditching, forestry projects, and liming, must eport by December 31 These farmers who were under

e ACP vegetable cover practice, small grains were planted, had to prove performance by November 30. Farmers who failed to meet this deadline will not be able

In North Carolina, approximately 39,095 farmers have signed up to participate in this program. Holland reports that of this figure nany farmers have qualified for to our life sustaning topsoil!" Federal cost-sharing except for re-

for which prior approval has been given.

Holland says, "Conservation of the soil and water resources is so we all must do everything we can farming practiese are carried out on the land "

Under this year's ACP program, as well as the program planned for next year, conservation practices which help to build up and store potential productive capacity in the soil are being stressed. This, Holland says, is mighty important at o receive financial assistance for this time when thousands of acres the vegetative cover practice this of North Carolina farmland are being taken out of prouction of allotted crops

"Saving for the future has always been a good policy." Holland said. "but it's still better when applied
