### New Way To Make Up a Pretty Mouth

For the first time in all the years we've been coloring our lips, there's an excitingly different way to do it—using an automatic roll-on lipstick just invented by Richard Hudnut! This revolutionary new beauty tool takes the place of lipstick, lip liner and lip brush—shaping and coloring lips automatically, with an ease and speed and clean perfection never before possible.  
Called "Lip Quick," the new makeup aid is a slim golden case that rolls on flowing color when you remove the cap and touch the rounded, ball-point applicator to your lips. Now, in one swift step you can "draw on" a perfect outline and color your lips beautifully in a choice of eight lasting, lustrous shades. No more messy lipstick smears on your hands or in your handbag either because "Lip Quick" can't melt or break off the way old-fashioned lipsticks sometimes do.  
Just in time for Christmas giving, here's a bright new idea to delight that "woman who has everything." Available in a luxurious series of jeweled gift cases as well as a sleek golden version, we predict "Lip Quick" will be the Number One gift hit of the year!

Mr. Jesse Harper of Deep Run has been an operative patient in a Kinston Hospital.  
Mrs. Martin Turner, of Albertson has been a patient at the Bower Clinic since November 3.

### Cub Pack Meeting

The November pack meeting of the cub scout troop in Pink Hill was held in the basement of the Methodist Church Wednesday night. The "once a year inspection" was held with scout executive McMillon, and Mrs. Helen McCray, a den mother, both of Kinston attending. The November theme being, The Country Store, a skit was put on by the cubs. Larry Holt was found to be the most appropriately dressed, with 100 points to his credit. Mrs. W. E. Brewer served cup "akes, hot cocoa and coffee. A representative from all families of the cubs attended.
