**LITTLE RANDY DREW OF Magnolia, a Polio victim, makes the first donation to the Duplin County Chapter of the New March of Dimes in the 1960 Campaign at the kick-off meeting held Thursday night January 7, in Kenansville.** Others in the picture are Mrs. O. D. Drew, Randy's mother and

Chairman of Duplin County March of Dimes for 1960, Jack McGee of Raleigh, Eastern State representative of the National Foundation and Mrs. Christine Williams, Vice-Chairman of The March of Dimes in Duplin. The Meeting was well attended with representatives throughout the County.

## 1960 March of Dimes Drive Officially Started

The Duplin County 1960 March of Dimes Campaign officially began last Thursday night at a kick-off supper meeting held in the Kenansville Cafe in Kenansville.

The meeting was well attended by the chairmen of the different communities throughout the County. Mrs. O. D. Drew, Chairman of the 1960 March of Dimes in Duplin County, presided at the meeting. Financial reports were given by Mrs. Christine Williams, Vice-chairman of the Duplin County March of Dimes and Jack McGee, Eastern State Representative of the National Foundation.

Mrs. Williams reported that the balance on hand in the treasury of the Duplin Co. Chapter is \$352.43 with unpaid bills amounting to \$184.23. These bills are due to C. Memorial Hospital of Chapel Hill - \$1,890.15, Duke Hospital - \$68.24, Charlotte Rehabilitation Hospital - \$2,071.79 and Georgia Warm

Primes Foundation - \$1,828.10. Mr. McGee reported that Duplin County has raised \$23,000, since the National Foundation was organized in 1926 with approximately half of this remaining in the County and the other being sent to the National Foundation. However during the 29 years of its organization the Foundation has returned to Duplin approximately \$48,000 for care and treatment of Polio victims. This is approximately \$15,000 more than was sent from Duplin. Mr. McGee showed an interesting film on the "New March of Dimes".

At the conclusion of the meeting Campaign literature and Materials were distributed to the community chairman attending. A list of the community chairmen for the 1960 March of Dimes is:

Beaufort - Mrs. Edna J. Miller; Beaufort - Mrs. D. V. Gwaltney; Chinquapin - Mrs. Rudolph Futrell; Faison - Mrs. James Cottle; Kenansville - Mrs. Rufus Elks; Magnolia - Mrs. Bromley R. Pope; Rose Hill - Tracey Lanier; Teachey - Mrs. Edgar J. Wells; Wallace - Coleman O'Neil; Warsaw - Mrs. Ed Strickland; B. F. Grady - Franklin Quinn and Mrs. Jasper Herring; Wolfsraper - William G. Sullivan and Mrs. Garland Alphin; Cedar Fork - Norman Aycock; Fountain-Lyman - Mrs. Lydia Reece; North East - Roland James.

## April 5, Deadline To Make Cotton Choice For 1960; Make Decision Now

Do you desire to maintain your cotton history and allotment? This, according to Rufus Elks, Jr., Office Mgr. for the Agricultural Stabilization and Conservation County Committee, is an important question which every farmer should ask himself within the next few weeks.

Elks urged framers who know now that their allotment will not be planted, to visit their local ASC office and preserve their history by releasing their allotment for use by other framers within the county. Deadline dates for acceptance of this released acreage by the county committee vary by areas of the State; however, the week of February 29 thru March 4 has been set aside for county ASC offices to accept release of acreage. April 5 is the Deadline Date for Duplin County. If a farmer cannot release during the week mentioned above, he should visit his ASC office immediately.

## ACP Open To All Farmers; Conserving Soil Is Important Throughout County

Any Tarheel farmer is eligible to participate in the 1960 Agricultural Conservation Program according to O. L. Holland, Chairman of the Agricultural Stabilization and Conservation County Committee. In fact farmers may sign up now to take part in this National effort to conserve our vital soil and water resources.

Funds available for financing this government partnership are limited. For this reason it is suggested that farmers who have a conservation need which cannot be met through their resources alone sign up early for needed Federal assistance.

To sign up a farmer should contact his local ASC count office. In signing a request under the 1960 ACP to carry out approved soil and water conservation practices, the farmer does not obligate himself in any way; but he does make himself eligible to take part in a partnership between the Federal government and individual framers whereby the framers select approved conservation practices, pay half of the cost of carrying out the practice, furnish the labor and equipment in most cases, and receive assistance from the Federal government which will equal the other half of the out-of-pocket cost.

## Rose Hill Negro Charged With Shooting Wife

Kivey Huffman, of near Rose Hill, is in Duplin County jail without privilege of bond for the alleged shooting slaying of his wife. He is charged with murder.

## Break-ins Keep Duplin Co. Sheriff's Officers Busy For Past Seven Days

The past seven days have been busy ones for the Duplin County Sheriff's Department. Sheriff Ralph Miller said the trouble started with several break-ins at Beaufort last week end. The Western Auto Store was entered and an 800-pound safe removed. The safe was located on highway 24 with the bottom cut out. An ax had been used. Investigation is continuing. The contents of the safe were not known exactly. Several finger prints were removed from the safe.

William's Super Market was entered and \$20.46 removed from the cash register. The cash register drawer had been left open, according to Sheriff Miller. Reports of entry into two stores in Richlands Thursday night of last week leads officers to believe that the same persons are involved in the Beaufort break-ins. In Richlands, Earl Basden's Store and the Ford Motor Company were entered.

## District School Board Group To Meet In Duplin County On February 3

The annual Meeting of District Five of the North Carolina School Boards Association will convene at James Kenan High School in Duplin County on Wednesday afternoon, February 3.

James Kenan is a consolidated school located on State Highway No. 24 between Warsaw and Kenansville. More than 225 superintendents, principals, Board of Education members, committeemen, county commissioners, legislators and P. T. A. presidents are expected to be in attendance.

The Fifth District is composed of Duplin, New Hanover, Wayne, Brunswick, Pender and Sampson counties. Registration will begin at 3:30 p. m., followed by a business session, discussion groups and a closing banquet. The meeting will adjourn at 8:15 p. m.

Several outstanding speakers and group leaders are to lead the group in discussing vital matters concerning schools. Theme of the meeting is "North Carolina On The Move." President of the district is Howard Holly of Burgaw, a member of the Pender County Board of Education and a director of the N. C. State

## 1960 Census District Office Opened

Establishment of a district office for the 1960 Census of Population and Housing at 120 John Street, Goldsboro, N. C. was announced today by Director Joseph R. Norwood of the Census Bureau's office at Charlotte, N. C.

Julian B. Herring of Rose Hill will be supervisor of the district office. He will direct a force of 25 crew leaders and 599 census takers in the following counties: Carteret, Craven, Duplin, Jones, Onslow, Pamlico, Pender, Sampson and Wayne.

Taking the 1960 Census nationally will require the service of 160,000 enumerators, 10,000 crew leaders, and 400 district supervisors, all temporary workers. The district supervisors, working under the general direction of the permanent regional field directors, are responsible for all phases of the census in their districts. Duties of the district supervisor include the recruiting of the crew leaders, obtaining space for crew leader training, recruiting and training a small office staff, reviewing the completed questionnaires, and direct supervision of the field canvass which begins on April 1.

Prior to the start of the census all households will receive in the mail an Advance Census Report Form, a new census - taking device which is designed to speed up the field canvass and provide more accurate statistics. Distribution of this form, which contains the basic population and housing questions, gives the family a chance to assemble information about each member in advance of the census taker's visit.
