Tobacco Violation

Four Duplin Farmers Found Guilty

Four Duplin County Farmers received suspended sentences, were ordered to pay fines, and put on two years probation for Tobacco violations when tried in the United States Eastern District Court in Wilmington, N. C. on May 23, 1960. Marjorie Frederick, colored, of Rose Hill RFD, was charged with filing a false report of acreage of her 1958 crop of Tobacco in that the reporter from the Duplin County A. S. C. office who measured the tobacco on the farm in June 1958 was shown only one field of tobacco. At a later date another field of tobacco was found on the farm and measured.

Through her attorney, Mrs. Frederick pleaded guilty with the request that if at the conclusion of the

Government's testimony the evidence was not sufficient to sustain a guilty verdict, the guilty plea would be stricken and a verdict of not guilty be entered. At the conclusion of the testimony by the Government, Judge Algernon Butler of Clinton, summarized the testimony and announced that the testimony was sufficient to find a verdict of guilty.

Mrs. Frederick received a suspended sentence, was ordered to pay \$150 fine, and placed on probation for a period of two years.

Three other Duplin Farmers, all colored, of Kenansville RFD, were tried for 1956 violation of Tobacco Marketing and Quota.

Tyson Carr pleaded guilty to selling excess tobacco on a Marketing card belonging to James Boney which was a "with-in" card. Carr

received a suspended sentence of one year and one day, was fined \$200 and placed on probation for a period of two years.

James Boney pled not guilty to letting Tyson Carr use his Tobacco Marketing "with-in" card but was found guilty. Boney received a suspended sentence of one year and one day, fined \$100, placed on two years probation and ordered to pay his counsel, H. E. Rogers, the sum of \$100.

David Parker pled guilty to the charge of transporting Tyson Carr's excess tobacco. Parker was given a suspended sentence of one year and one day, fined \$100, and placed on probation for a period of two years.

Presiding over the one-week term was Judge Algernon L. Butler of Clinton, North Carolina.

3 Winning Teams In Beulaville FFA's

District Contests were held last Saturday for the FFA Federation winners at Clinton, N. C. Twelve Counties were represented for these events.

Beulaville Agricultural Department had three federation winning teams competing in this district meet. They were Parliamentary Procedure, Dairy Judging and Beef and Swine judging. Of these three competing teams, the Beef and Swine judging team alone went on to take second place honors.

The boys on this winning team were Woodrow Heath, Donald Mercer, and Muriel Hall. They will now go to the state finals in Raleigh on June 21st for statewide placings. This team was coached by the Beulaville Agriculture Teacher, P. C. Shaw, who has had extensive experience with livestock. In addition to having judged on the N. C. State College team in 1930-31. While on this team he judged in National competition at Clemson College and West Virginia.

The competing FFA boys from Beulaville in the dairy contest were Wayne Kennedy, Gerald Kennedy and Robert Brinson. The boys making up the parliamentary procedure team were Floyd Lee Brown, Chairman; Jimmy Kennedy, vice-president; Gene Hall, Secretary; Ricky Houston, Reporter; Gene Pickett, Sentinel; Wayne Edwards, Treasurer; and Temple Hill, Advisor.

Time For Measuring Tobacco Crops

Rufus Elks, Duplin County A. S. C. Office manager, announced that the Duplin Co. A. S. C. office has begun the regular performance season of measuring allotted crops for all farmers in Duplin County.

Elks pointed out, that A. S. C. was approximately one week late in beginning the 1960 performance season due to the weather and the shortage of tobacco plants.

In order for the A. S. C. office to have tobacco cards ready when farmers begin selling their 1960 tobacco crop, Elks stated, it will be necessary to have the cooperation of all Duplin Co. Farmers in assisting the reporters when they make their visit to the farm.

Elks urged the Duplin Co. Farmers to please be in a position to go with the reporter on the first visit or if at any time you should happen to be away from home during the next three or four weeks have someone as a representative, who knows the farming operation, to go with him. This will greatly help your A. S. C. office to speed up the work and complete it on time.

Elks cautioned all farmers to be sure that all Tobacco, Cotton and Peanuts are measured on the first visit to your farm by the reporter. Failure to account for all of your allotted acreage on this measurement will create a possible violation for your farm.

Warsaw LITTLE LEAGUE GAMES

By Joe Costin

PLAY BALL !!! LIONS vs JAYCEES

The Warsaw "Little League" baseball season will get underway this coming Saturday afternoon with the Lions playing the Jaycees at 2:00 p. m. In the second game to start not later than 4:15, the Legion takes on the champs of last season...

Rotary. All games will be played on the Warsaw Junior High Field. Little League requires the support of the whole community. It is a jealous taskmaster. Manpower and womanpower, is essential in every phase of operations. Last week at the "try outs" the manpower discussed unusual plays and correct mistakes in a friendly and constructive manner as the boys developed. Out of over fifty boys in the town that should have been up at Junior High, we had only five... and I might also add that out of the seven adult volunteer workers at the try-out only one happened to be a father.

There are no financial rewards to the persons who contribute time and money to the Little League. But the workers do see the results of their efforts in the form of youngsters who are developing into real Americans. They see the residents of

Dr. Lake Calls For Second Primary In Race For Governor; Opposes Sanford

Dr. I. Beverly Lake and Terry Sanford will be engaged for the next four weeks in a hotly contested run-off for the gubernatorial position in North Carolina's Government.

Dr. Lake called for the run-off Monday afternoon in a move which was not a surprise to the supporters of Dr. Lake.

John Larkins, Jr., of Trenton, and Malcolm Seawell, of Raleigh, were eliminated from the competition on Saturday, May 28, in the first Democratic primary.

In the up-coming second primary election, several issues will be hashed out over radio, television and through the newspapers, not discounting the person-to-person campaigning which both will exploit to the limit.

The election pits Sanford, a free-spending, ultra liberal, against Dr. Lake, a segregationist and State's

righter. Economy in government is more than likely to take up a good portion of the time, but schools and segregation will also be high on the list of speeches which both candidates will deliver.

In other State elections, Cloyd Philpot ran high but C. V. Henkle has the right to call for a run-off for the position of Lieutenant Governor.

Charles F. Gold was returned as Insurance Commissioner.

For the all-important Senate Seat, B. Everett Jordan was handily over his opposition Addison Hewlett, of Wilmington. Jordan had been appointed to the U. S. Senate by Governor Luther Hodges to fill the unexpired term of the late Kerr Scott. This was Jordan's first venture at the polls.

Swine Experiment Held In Beulaville

Dr. A. J. Clawson, swine specialist from North Carolina State College, was in Beulaville on Wednesday June 1. Dr. Clawson is conducting a swine worming test on several of the farms in the Beulaville Community. The Beulaville Agriculture Department is working in conjunction with Dr. Clawson and the Beulaville farmers.

Dr. Clawson is working on the experiment of trying to determine whether or not worming of hogs is actually worthwhile. Tests have been made at State College, and now tests are being made on the farm in an effort to try to determine if the situation is the same on the farm as in the laboratory. The outcome of the tests will determine future practices in swine worming.

Experiments are being made on the farms of Arthur Kennedy, Johnnie Jones, Stacey Quinn, Sherwood Houston, Bill Bustin, Gordon Savage, Eddie Earl Griffin, Gardner Albertson, W. D. Brown, Edmond Sanderson and Frank Thomas.

In four weeks Dr. Clawson plans to visit these same farmers, weigh the hogs and compare the results. This program should be one of much interest and vital importance to the farmers of Duplin County.

Tent Revival At Pasture Branch

The Rev. J. C. Wallace is sponsoring a tent revival on the grounds of Pasture Branch Community Building, May 21 through June 12. Pasture Branch Community is located at Rose Hill, Rt. 2, between Kenansville and Chinquapin on Highway 50.

The revival is directed on inter-denominational basis, with a warm welcome extended to all who love "old time Bible praying, singing and preaching." Services start with prayer meeting at 7:30 p. m. and preaching at 8:00 p. m. Rev. Wallace will have charge of the preliminary services.

NOTICE

There will be no court held on June 15. Jurors will not be notified to come in that day and it will not be necessary to appear. All defendants notified for June 15, need not come.
