Governor Hodges To Dedicate Processing Plant

Trial & Error

By Ruth Grady
41 Scout and leaders from Tuscarora Council are representing the Tuscarora Council in Colorado Springs, Colorado, this week. The Scouts are celebrating the 50th Anniversary of the Boy Scouts of America with a Golden Jubilee Jamboree - largest youth gathering the free world has ever known, 55,600 Boy Scouts.

One of the constant readers of the Duplin Times, Mr. Ernest Maxwell of Pink Hill, has recently been in Colorado and Texas. While in Colorado he sent the Times a clipping from "The Denver Post" showing pictures and write-ups of the preparations for the Boy Scout Jamboree. The article stated that 87,390 quarts of milk would be delivered daily. It went on to say "The Scouts will consume, in all, 2,900 tons of food and related supplies - 97 freight car loads. They will eat \$7,750 worth of jam and jelly; \$16,700 worth of cake, pie and cookies and \$9,700 worth of ice cream." They shouldn't come home hungry.

This was a marvelous opportunity for the scouts who were able to take the trip.

Speaking not as a farmer, but as a casual observer, the tobacco crops in Duplin and surrounding counties surely look pretty this year, and I haven't heard many farmers complaining about their crops. It seems that everyone is in better spirits when the tobacco crops look good. With the border belt opening on August 11 and the Eastern belt on August 23, it looks as though the tobacco in Duplin will be ready in time. During the week end I was travelling through Eastern Virginia and their crops showed much need for rain. However I looked as though they might get plenty of rain Sunday afternoon.

Speaking of travelling, it is amazing to me if you have car trouble on the road, how accommodating people are about helping you out and still more amazing how little people know about cars. We spend so much of our time in a car, and know so little about one.

Rev. J. Richard Holshouser, the new minister of Hallsville and Grove Presbyterian Churches, is very busy getting acclimated to Duplin County and getting ready for his Ordination and Installation Service on Sunday evening. On visiting the office today, we asked him if he had all the Miller's in Hallsville straightened out by name as yet. He said he had and now his problem was how to get them all back together and see who was kin to who and how.

Duplin County is fortunate in having some very fine ministers in all denominations. Many of them are quite frequent visitors in The Duplin Times office and we have some rather spirited and interesting conversations. The ministers of the Warsaw churches visit us very often and Warsaw can certainly not complain about their ministers. We haven't seen a finer group of men anywhere and they work together so beautifully. They have certainly dismissed the old joke that used to be told around Warsaw when I was a child about the man riding into town and hearing the Methodist's singing, "Will there Be Any Stars in My Crown," and riding a little farther he came to the Baptist Church and they were singing "No Not One," and then as he rode by the Presbyterian Church they were gleefully singing "Oh That Will Be Glory To Me."

My good friend Mr. Henry Bell, Editor of the Goldsboro News Argus, has been very understanding and encouraging to me since I took over running The Duplin Times - rather letting it run me. So when I first started to write a column telling of my experiences with running a newspaper, a friend told me so badly, that it has taken me two years to get up courage enough to start one, and if my subscribers start dropping off I shall go see "Mr. Henry" and tell him to be carefully who he advises to write. As some writer has said something to the effect that much writing could have been left in the ink well and the world would have been better off.

I think one of the most inspiring things that has happened to me since I have been in newspaper work, is when my friend Mr. Henry Bell introduced me to the most great Sunday at a Newspaper convention in Asheville, Mrs. Bell (Continued on Back)

Governor Luther H. Hodges will address a large assembly of eastern North Carolina farmers at Rose Hill's half-million dollar poultry processing plant, which began dressing broilers a few weeks ago.

Three Variety Demonstration Meets To Be Held In Duplin August 2 And 3

Vernon H. Reynolds, County Agricultural Agent
Three meetings at variety demonstrations will be held in Duplin County on Tuesday, August 2, and Wednesday, August 3.
The first meeting will be held at 10:00 A. M. on Tuesday, August 2, on the farm of R. Fennel Lanier, Chincapin. This farm is located directly back of Speaker Thomas' Super Market in Chincapin.
The second meeting will be held on Tuesday, August 2, at 2:00 P. M. on the farm of Norman Outlaw, Mt. Olive. This farm is located about one mile North of Summerlin Cross Roads on the Mt. Olive highway.
The third meeting will be held at

10:00 A. M. on Wednesday, August 3, on the farm of Kermit Futrel, near Potters Hill.
The following varieties can be seen in these demonstration plots: Vesta 5; Hicks; Speights 34; Speights 31; N. C. 73; N. C. 75; Experimental Line 869-3; Coker 123; Coker 216; Reams 61 - Hicks; Reams 64 - 6; McNair 121; and Bell's 16.
The plot on Norman Outlaw's farm is located in a field where 100 percent of tobacco died with Black Shank in 1959. This will give farmer a chance to compare the Black Shank Resistance of these varieties.
The plots on the farm of Lanier's and Futrel's are not located on Black Shank Soil.
All farmers and other interested people from Duplin County are invited to attend these meetings and observe these tobacco varieties.

One Man Caught And 3 Stills Destroyed Here

Three liquor stills were destroyed in Duplin County Tuesday afternoon and one man arrested.
Charles Bland, Negro, of near Wallace, was arrested at a still destroyed in Rockfish Township. He is charged with possession of materials for the purpose of manufacturing non-tax paid whiskey. The still and 12 barrels of mash were destroyed on the raid by S. C. Dempsey and L. H. Thomas.
Deputies Bill Quinn and A. J. Summerlin destroyed a 200 gallon submarine type still with a galvanneal bottom and 200 gallons of mash in a raid in Albemarle Township.

Sheriff Ralph Miller, Chief Deputy T. E. Revell and ATU Officer Joe McAllister destroyed a 200 gallon submarine type still in Glisson Township. The still had a copper bottom. Barrels containing mash had been removed when officers raided the still.

Teenage Volunteers Help At Hospital

Teenage volunteers of the Duplin General Hospital, Kenansville, are responsible for furnishing hostesses and for other work which is needed in the hospital for the month of August.

E. P. Grady Teenagers scheduled for this work on the Sunday in August between the hours of 4:00 P. M. and 9:00 P. M. are as follows:
August 7-Janice Holt and Alice Fay Smith.
August 14-Jean Westwick, Jane Campbell, Reardon and Nettie Waters.
August 21-Gail Grady and Judy Kornegay.
August 28-Rues Anne Rhodes, Alicia Smith and Martha Rogers.
Other girls interested in this project for the hospital, contact Mrs. Hugh M. Wells, chairman.
The Rose Hill Teenagers did this work very capably during the month of July.

Sponsored by the Farmers Industrial Development Corporation, an organization of poultry growers and business people of the Rose Hill area, the event will climax a two-year effort to provide dressing plant facilities for the area's twenty-million dollar poultry industry. Described as one of the South's most modern dressing plants, the facility is leased to the Rose Hill Poultry Corporation. It has a capacity of 5,000 broilers per hour. Approximately 125 people are now employed.

The plant will add a turkey processing line in the future to process the area's sizable turkey production and eventually will add other shifts to handle more of the poultry produced locally. The plant's production has met with immediate acceptance.

The plant is under the management of Merritt Watson and E. T. Watson well known poultry processors of Raleigh and Oriental. Equipped with the latest in modern processing machinery, the plant also has spacious cooling and freezing facilities.

Described locally as "Operation Bootstrap", the poultry industry in the Rose Hill area has met with "wonderful success," according to H. E. Latham, former mayor and one of the leaders in obtaining the plant. "It shows what we can do when we get together and try to help ourselves economically," said the former mayor. "The poultry industry has been the major factor in Duplin's rapid climb to first place in farm income in the State."

Area citizens and poultrymen purchased over \$90,000 of the development corporation's debenture bonds to furnish the first part of the plant's capital needs. The rest was obtained from the Small Business Administration and the First National Bank of Jacksonville. The plant is leased at a figure which will retire the total debt within a 15-year period.

Invitations to the dedication ceremony, which will include an outdoor chicken dinner, have been mailed to several hundred who have participated in the development, as well as to county and State dignitaries. The program will stress the economic achievement of farm people who have taken joint action to improve the local economy.

Warsaw Little League Advances To Tournament Finals In Tarboro

Paul Britt Sets Tournament Record With Sixteen Strikeouts As Warsaw Defeats Beaufort In Semifinals 7-0

Warsaw Plays Winner Of Robersonville-Havelock Game In The District IV Finals Friday Afternoon At 4:00 P. M. In Tarboro

Little Paul Britt an outstanding Little League for Manager Del Parkerson's Lions all season hurled the Warsaw All-Stars to a 7-0 victory over Beaufort Wednesday afternoon of this week to advance the Warsaw club to the finals in District IV play-off in Tarboro. Britt, buried near perfect ball allowing only "one hit" and setting a tournament record with sixteen strikeouts. Lynn Hilton hit a home run in the game, the second one in as many days.
In the opening round Mickey Walker of the Legion hurled the Warsaw Stars to a 12-7 win over Greenville North State. Walker also hit a round tripper to add to the winning

cause. Lynn Hilton also connected for the circuit in this game for Warsaw. Other teams participating in the Little League Tournament were Robersonville, Havelock, Morehead City, Greenville, Tar Heel, Fort Bragg, Beaufort, and Tarboro.
Beaufort, Havelock, Robersonville, and Warsaw advanced with victories in the tournament Tuesday with Beaufort edging Fort Bragg 1-0 and Robersonville defeating Greenville's Tar Heel League entry 5-3. In extra innings, Havelock edged Morehead City 4-3, and Warsaw whipping Greenville North State 12-7.

"Ted Wilson's Rotary Team Wins Little League Championship" Final Little League Standings:

Team	Won	Lost
Rotary	11	4
Legion	9	6
Lions	7	8
Jaycees	4	11

Arthur Minshew hit a triple in the third inning with the bases loaded last Saturday afternoon to lead the Rotary to a 7-3 victory over the Lions and the championship. Manager Del Parkerson had used a Ted Wilson Shift on the left handed hitting Minshew and he drilled a shot down the left field foul line just fair. The ball had first place written all over it at the crack of the bat. The Rotary was leading 3-1 before Minshew's big blow.

The Rotary scored three runs in the first on singles by Ronnie Batts, Henry Carlton, Bobby Gavin, and Rex Lanier. Carlton lead the attack for the champions with two-for-three, while Ira Sutton lead the losers with two-for-three.

In the final game Saturday the second place Legion team edged the

Jaycees 8-7 in a very exciting game. Barney Sheffield, the Jaycees regular first sacker broke his arm in the third and dimmed the Jaycees chances of an upset. Sheffield hit a tremendous two-run homer in the second to get the Jaycees off to a good start.

The Warsaw Little League All-Stars left Monday afternoon for Tarboro to participate in the District Little League Tournament. Other teams taking part in the playoffs are Robersonville, Havelock, Morehead City, Greenville, North State, Fort Bragg, Beaufort, Tarboro, and Greenville Tar Heel.

Next week in this column we will carry the names of the outstanding Player, Manager, Rookie, and the Most Versatile Player in the Little League this season. So until next week see if you can second guess me and don't forget our boys in Tarboro...

Two Men Arrested In Duplin On Larceny Charges; Wanted By FBI

By Paul Barwick
Edgar Leslie Kendrick, 23, of Lake Wales, Fla., and Marion L. Skinner, 19, of Valdosta, Ga. are in Duplin County jail in lieu of \$1,000 bond each on a charge of breaking and entering and larceny.

The two were also wanted by the FBI for transporting a stolen car across state lines and by the Kingston Police Department for alleged breaking and entering and larceny. Duplin Chief Deputy T. E. Revell said today that Kendrick and Skinner were seen around mid-night Sunday while they were stealing gasoline from the J. W. Herring General Merchandise Store near Teachey by Edro Farrior.

Farrior, of near Teachey, stopped to asked if they needed help to fix their car which they said was broken down. Farrior became suspicious, got the auto license number and reported what he saw to the Wallace Police Department.

A radio message put the license

tag number out to all Highway Patrolmen on duty and area police departments and asked that the two occupants of the 1960 convertible be picked up for questioning.

Farrior had reported to officers that he thought the two men were armed with a .45 caliber pistol. Highway Patrolman D. S. Moore, stationed in Jacksonville and on his way home from the mountains, recognized the convertible and license number at the intersection of highway 24 and 11 just inside the Kenansville city limits.

Patrolman Moore radioed Elizabethtown for the message to be forwarded to the Warsaw police department to head off the car. Moore followed Kendrick and Skinner into Warsaw.

Deputy Revell was called and when he arrived at the eastern city limits of Warsaw, Warsaw Night Policeman Chris Basden had stopped the car. Patrolman Moore joined the officers.

Both men were placed under arrest and jailed in Warsaw before being transferred to Duplin County jail Monday.

A search of the car did not turn up a pistol but three butcher knives were discovered in the car in addition to canned goods and various other items.

Investigation revealed the car had been stolen in Norfolk, Va. on Saturday. The license tag on the car had been stolen from a car in a junk yard in Kingston.

Both Skinner and Kendrick have been given a preliminary hearing and have been bound over to Duplin Criminal Superior Court in August. Deputy Revell reports that both men have previous criminal records and served time in prison together in Georgia.
