TEXANS

They're nothing but the greatest thing that's happened to jeans since boys' Evers' feature of a pair of jeans that's important to a boy and to a mother has been vastly improved—and here's how:

- They're longer wearing because they're tighter woven and tougher thru a new bonding-finishing process.
- They hold weight, color and strength longer.
- They have improved construction throughout.
- The first and still the finest fused knee—SAF-T-NEE.
