

Grady's team straight. Both teams are tied with 4-1 conference records.

It looked like Grady was going to make it fifteen in the first three quarters. Beaulville's lasses were behind with only 15 seconds to go. A foul did the trick and the red-and-white team dropped both shots to win 40-39.

The fine Grady girls gave the game away from the free throw line. They only hit twice out of fourteen times at the line, while Beaulville missed only 2 out of five.

Coach Billy Bostic was not very happy following the Grady game and rightly so. High scoring Larry Herring broke his ankle during the game and will be out for about three weeks. Herring has averaged better than 20 points a game and you can say what you like that will really make those ulcers enlarge.

CHINQUAPIN: Coach Jack Carr's Indians took a doubleheader last Friday night from Penderlee. Jack that married life makes a big difference, what say.

The Lady Indians walked past the Pender girls 51-34, with Angeline Wooten taking high honors with 24 points. Mary Mobley came close with 20, while Clara Whaley added 6 more to the winning column.

Carr's boys didn't have much trouble with the boys from lower Pender in winning 53-38 in a non-conference scrap. Robert James and Carlton were high scorers for the Indians scoring 15 and 11 points respectively. R. C. Henderson accounted for 9 points while Roy James and Charlie Futrel added the other six.

KENANSVILLE: Coach Bill Helton's boys and girls seem to be coming into their own as they played the strong Wallace-Rose-Hill team on even terms most of the game, played, Tuesday night of this week. The Lady Tigers dropped a very exciting game to the Wallace lasses 50-42. James Kenan lead by Sylvia Brown was leading the Wallace girls 24-19 at the half. And at the beginning of the final quarter the Tiger lasses were still out front 36-32. But in that fourth and final period the Wallace girls scored 15 points while holding James Kenan to only 6. . . I just don't understand. Brown was high scorer for James Kenan with 28 points.

The boys game was a heart breaker as they fell before the power-pack Bulldogs 40-38. Both team played on even terms most of the time with the Bulldogs leading 22-20 at the half. James Kenan tallied in the fourth quarter out scoring Wallace 11-8 but it was just short of a win.

James Kenan's big towering Charles Lockamy lead the Tiger attack with 12 points. Hugh "Ugle" Mitchell was close with 10 and Hubert Merritt and Johnny Pat Harmon had 8 and 7 points respectively.

JAMES KENAN: Coach Dorris Norman's James Kenan Junior Varsity basketball boys have been playing five hundred ball (5-2) and 1 might add been looking pretty good. This coming from several reports.

In their first outing Norman's 'Five' lead by Bobby Batts took a very exciting win over Chiquapin 28-25. With less than thirty seconds to go Batts hit on an outside shot to make the score 25-24 in favor of Chiquapin. The Baby Indians failed to get the all up court and Batts stole the ball and passed to Allen Fountain. The big 6'1" star hit with the time running out and the Baby Tigers victory. Batts and Fountain lead the Tigers with 12 and 10 points respectively.

The Baby Tigers came up on the short end of the score in their second game against Wallace 38-28. The Wallace team was leading 15-1 at the end of the first quarter but rallied in the second to narrow the gap to 17-12. Fountain lead James Kenan with 10 points
