of South Carolina in Charleston. He then served in World War II and

another week end of the same. Of course, on one day we had more working, as it took about six or eight men to movie those heavy pieces of equipment. But it is beginning to look like a press, and we can hardly wait to see it in operation! Visited the James Kenan Agriculture Shop department this afternoon, and had a nice chat with Mr. Clarence Warren and Mr. Jimmy Sauls, Jr., instructors in the department. They showed me the furniture that the boys had been mak-

The press is progressing nicely,

ing-such as desks, gun racks, coffee tables, cabinets, etc. It was beautiful work. Warren said that many of the boys had already taken their finished articles home. Some of the pieces of furniture were waiting for their last coat of paint. Warren and Sauls said that was about over and they would now begin in FFA Work and Agriculture. It was a most interesting tour and an eye opener to see just what the department is doing.

Also visited the Warsaw Methodist Church to see Ted Wilson about a story. The women of the church were just as busy as could be get-ting ready for the big Sunday, February 26, when they dedicate many memorials and gifts at a special

service. The beautiful Chapel was being cleaned by the ladies and all necessary preparations being made for the new gifts. Incidentally, I believe some of the ladies had gothaving a hard time finding things. ruary 26-fleart Sunday. I noticed he was guarding the was-
