General Benedict Arnold General Delivery Great Beyond Dear General:

How's everything down there? I've been thinking about you quite a bit lately. You got a bum rap, General, based on today's standards. Generals today get busted for teaching Americanism. General, you were ahead of your

time. Today you would be a junior league traitor. You merely tried to sell this country out to our firends and kinfolks, to our mother country which merely wanted to keep mothering us, Your successors are selling us out to Mother Russia. and they're not even our own folks.

The other night, General, I was in a debate on TV with, among others, the head of one of our largest theological seminaries. You may not have been able to get this TV program down there, because it forced to look at it continuously, and money to fight a lawsuit, even at Ed Sullivan. After hearing would sell bombs to Khrushchev I asked him how he differed from a Socialist. He replied that he did-n't differ - be believed in Socia-lism. I stated that Socialism was
