## Beulaville And Chinquapin Girls Reach Finals In Duplin County Basketball Tournament. James Kenan And North Duplin Girls In Consolation Game

**James Kenan and Beulaville Boys Meet In Championship Game Saturday Night 9:00 O'clock. Chinquapin And North Duplin Boys In Consolation Game Friday Night At 9:00 O'clock**

On opening night of the Duplin County Basketball Tourney in the huge gymnasium in Kenansville, the North Duplin girls led by their ace, Pam McCullen, downed the Rebels, 42-29. Coach Jerry Thigpen's girls had to come from behind in the second half to stop the Grady five. North Duplin's star performer, Roger Mozingo, paced the fifth-place Rebels over third-place Grady with 23 points. Braxton Smith led the Grady attack

with 13. So, on opening night the North Duplin boys and girls advanced to the semi-finals and B. F. Grady boys and girls dropped out of the playoff due to their first game lost.

On the second night of the tournament the James Kenan boys split a doubleheader with Chinquapin. The fourth-place JK girls fell before a power-packed Indian team that finished the regular season second to the strong undefeated Beulaville team, 52-28. Coach Jerry Thigpen's leading lady, Clara Whaley, dumped 16 points for the Chinquapin Indians, and Thomason Sanderson and Faye Lanier had 13 each. James Kenan's Joyce Barnes, set

the pace for the losers with 11. Coach Bill Helton's Tiger boys set the Chinquapin boys back, 47-34, in a real poorly played test. Both clubs have a victory over each other during the regular season play. It was these same Indians who stopped JK winning streak at eight straight games early in the season. Big Johnny Pat Harmon stole the show and scoring honors with 14 points. James Kenan's golden lad, Neal Mitchell, tallied 8, an all time low for the playmaker... some nights you can't buy one. Gerald Batts and Johnny Lanier totaled 11 points each during the battle for the Indians.

So, as of the second night we find James Kenan boys on the cham-

ampionship side of the bracket going against Beulaville or North Duplin in the finals Saturday. And Coach Carr's fourth-place Indians will take on the loser of the North Duplin-Beulaville game, Friday night in the consolation game.

The James Kenan girls will play the losers between North Duplin-Beulaville, Friday night for the consolation championship.

In the semi-finals of the tournament the crowd really picked up as the big red-and-white teams from Beulaville invaded the Kenansville gym. In the first game of the evening Coach Irvin Dobson's high flying Panther lassies waltzed past the North Duplin girls 45-22. The much stronger B'ville team led by Rita Samner and Pat Sanderson, with 13 and 19 points respectively, lead by 12 points most of the game.

The B'ville boys found the going a little rough in the first half against a well drilled Rebel team. The Rebs lead 8-5 in the first 15-14 in the second. But in the fourth quarter Kaleel's boys were just about the coldest turkey in the deep freeze as the red-and-white out scored them 18-2. Jerry Simpson, the Panthers top scorer, paced the B'ville team with 22 points. Charlie had 12 and brother Rusty 6. For the Rebels it was Roger Mozingo, with 13 and Glenn King 10.

Last week James Kenan traveled to Mt. Olive for their final regular season game against the ever strong Panthers. It really turned out to be a thriller with the Tigers coming home with the win in over time, 64 - 63. Junior sub Jimmy Dixon got an early start on some revenge against MO... if you remember. Dixon tied the score 60-60 with the clock running out. In the overtime high scoring Neal Mitchell scored two and Dwight Smith two to give James Kenan the welcome victory. Mitchell had 24 for the evening, Johnny Pat Harmon 17, Smith 8, and Allen Fountain 6. Sophomore Larry Jones lead all scoring with 34 points.

Coach Billy Bostic's boys and Irvin Dobson's girls won a doubleheader this past Saturday down at Union High. The girls behind Rita Sumner, with 23 points eased past the small school, in true championship form.

The boys lead by the Lanier Brothers picked up a real cliff hanger from the Union boys, 79-64. Brother Rusty and Charlie Lanier collected 17 points each for the Beulaville team. And I might add the same brother combination scored 16 and 12 respectively the night before against strong Dixon.

"Commingleing the religious with the secular teaching does not divest the whole of its religious permeation and emphasis, or make them a minor part, if proportion were material. Indeed, on any other view, the constitutional prohibition always could be brought to naught by adding a modicum of the secular."

Constitutional Law - Some years ago the late Justice Learned Hand sounded a clear warning concerning the Constitution. He said in essence: "No court or other agency of government can keep the Constitution alive if reverence for its provisions dies in the hearts of the people." I believe that if reverence for the Constitution dies in the hearts of our people liberty perishes.

Whitney Blake Azalea Queen

WILMINGTON - Tall, blonde and blue-eyed Whitney Blake, who co-stars on the television show "Hazel", will be queen of the 1962 North Carolina Azalea Festival at Wilmington.

Miss Blake will rule over all of the events of the Festival as Queen Azalea XV. In the five years she has been in pictures, the young actress has starred, or co-starred, in over 100 TV shows, a feat almost unequaled in the acting profession. She co-stars with Shirley Booth in Screen Gems' "Hazel" series on NBC as Dorothy Baxter. Born in Los Angeles, Whitney went to 16 different schools as a child and traveled all over the country. While in the fifth grade she produced and directed a school play.

"It was "Midsummer Night's Dream," she recalls. "I was such a temperamental director that my Oberon walked off the set at the last minute and I had to play the part myself."

Whitney attended Pasadena City College and for five winters worked in the little theater groups in and around Los Angeles, the summers being spent working at her mother's ice cream stand concession at MacMinneville, Ore.

For her role in "The Actress" segment of the "D.A.'s Man" Whitney received an Emmy nomination. The 112-pound star made her first feature length motion picture, co-starring with Jack Webb in "50", and then realized another of her acting ambitions. In addition to helping North Carolina celebrate its 15th annual Azalea Festival, Whitney will have a celebration of her own while she is in Wilmington. On April 8 she and her husband will celebrate their sixth wedding anniversary. He will accompany her on the trip to Wilmington.

**Senator Ervin States Reasons For Opposing School Bill As It Passed**

When I was a student at Chapel Hill, I sat for a time at the feet of Horace Williams who taught Philosophy. Horace Williams taught his students that people are in error in thinking that the most troublesome problems we have to solve are those involving choices between good and evil. He declared, on the contrary, that the decisions which try men's souls are those which require them to determine which one of two or more loyalties takes precedence when such loyalties conflict.

College Assistance Bill - This conflict was presented when I considered and voted on the college aid assistance bill. I believe in the purpose of the bill which is to afford the youth of this land opportunity to procure an education. However, I could not vote for the bill which was passed by the Senate, because in my judgment it violated the First Amendment of the Constitution of the United States when it sought to aid church-owned or church-controlled colleges by loans for instructional facilities. I offered an amendment to bill which I deemed necessary to make it comply with the "establishment of religion" clause of the First Amendment, and would have restricted its aid to publicly supported colleges. The bill presented a temptation strikingly similar in nature to that which the serpent presented to Eve in the Garden of Eden. Eve succumbed to the temptation, because she was convinced that the fruit of the tree

which grew in the midst of the garden would make her wise. We were presented in this bill with the temptation to do constitutional evil in order that our youth might acquire knowledge and become wise Senate Debate - My amendment would have restricted Government loans to publicly supported colleges. In my mind there is a constitutional question as to whether public funds can be used to aid a private college. Moreover, I believe there is a clear constitutional prohibition for the Government to finance religious groups by gifts, grants, loans, or aid of any kind. The Founding Fathers of this nation and the opinions of some of the ablest members of the Supreme Court have declared that "Government may not finance religious groups". Justice Jackson stated in the Zorach case that "what should be rendered to God does not need to be decided and collected by Caesar." The bill which the Senate passed on February 6 undertook to do precisely what Justice Jackson said ought not to be done. It was arguer in the Senate that the federal monies are to be restricted to classroom purposes for non-religious activities. In my judgement you cannot break down a religiously oriented college's activities and purposes into religious and secular. Justice Rutledge stated in the Everson case that it is the character of the institution and not the specific activity conducted in a building that determines the question. I quote him in part:
