## Concord 4-H'ers Converted Store to Club

On January 15, 1962 boys and girls and interested persons met at Concord Baptist Church to discuss the possibilities of a Community 4-H Club. John Clapp and Mrs. Lois Britt, Extension Agents, pointed out the value of a Community 4-H Club. A motion that a club be organized and be called the Concord Community 4-H Club was passed. Mr. and Mrs. Francis Usher and Mr. and Mrs. David Byrd were asked to be sponsors for the club. Mr. and Mrs. Joseph L. Williams were chosen as club leaders.

The word was passed out through the community to parents and prospective members. The organizational meeting was held January 26. Officers were elected, membership cards filled out and projects selected. The officers are: Nina Jean Matthews, President; David Byrd, Jr., Vice-President; Dorothy Matthews, Secretary; Treasurer; Mary Ellen Byrd, Reporter; Paul Byrd, Recreation Leader.

Sponsors and leaders of the club located an abandoned store building which could be used for a club house. On February 3 the members met at the future club house, armed with brooms, mops, rags, rakes and plenty of elbow grease for the purpose of cleaning. The club plans to hold all future meetings in the club house. Sponsors and members are working on the heating and lighting for the building.

**It happened 100 YEARS ago**

The oldest incorporated trade association in the country, the United States Brewers Association, organized in 1862... the same year that...

IN NORTH CAROLINA the much-feared Union ironed Monitor limping southward after its sea-duel with the Confederate Monitor, sank off Cape Hatteras. As news spread throughout the South, steins of foaming beer toasted the sinking of this worthy foe.

For then, as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of Southern hospitality to any occasion. North Carolinians have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.
