Every tractor loses power during a year's work on the farm according to tests conducted by the University of Nebraska. As much as 20 per cent in some tractors.

You can't afford having power losses like that! Be sure your tractor is performing up to par. Let our skilled mechanics check it over now. They'll do only the necessary work... replace only those parts that are worn... using only genuine John Deere parts as replacements.

For economical service that's easy on your pocketbook, see us. Let's make a service date this week.
