## 20 Thomasville churches to observe Hospice Sabbath

TIMES STAFF REPORT

Twenty churches in the Thomasville area will join Hospice of the Piedmont and more than 120 area faith communities to observe the annual Hospice Sabbath on Sunday, Nov. 7. The theme this year is "Every Moment Matters."

The following Thomasville area churches participating this year are: Calvary United Church of Christ, Carolina Memorial Baptist Church, Denton Wesleyan Church, Fair Grove United Methodist Church, First Baptist Church, Gospel Light Free Will Baptist, Grace Lutheran Church, Greenwood Baptist Church, Hilltop Baptist Church, Liberty Baptist Church, Memorial United Methodist Church, Mt. Zion Wesleyan Church, New Beginnings, Our Lady of the Highways, Park Place Baptist Church, Pilot View Baptist Church, Pleasant Grove United Methodist Church, Pleas-ant Hill United Methodist Church, Rich Fork Baptist Church and Zion United Church of Christ.

Hospice Sabbath, which coincides with All Saint's Day, is a time when local churches honor caregivers and remember loved ones who are no longer living. Each church observes Hospice Sabbath in its own way during reg-ular worship time. Some congregations place a white rose on the altar, read related scripture, or sing special hymns

One past participant, Senior Adults and Congregational Care Pastor Dr. Roland Cavanaugh, describes the ceremony at First Wesleyan Church.

"We read names of those who have died in the last year and display photos overhead," Cava-naugh said. "Each family will extinguish a candle and light a taller candle to represent a passing into heaven.

Hospice Sabbath marks the beginning of National Hospice/Palliative Care Month during November. Hospice of the Piedmont, which is observing 30 years of service, cares for nearly 900 patients

each year.
"Several members of our congregation have been served by Hospice of the Piedmont this year," Cavanaugh said. "One person was so moved by her experience, she now volunteers with the agen-

## Catawba to hold open house on DCCC campus

STAFF REPORT — Catawba College's School of Moning Studies will sponsor an open house on Tuesday, Nov. 9, from 5:30 to 8 p.m. in the Conference Center on the main campus of Davidson County Community College. Community college graduates who are interested in completing the bachelor's degree by attending Catawba classes on the DCCC campus are encouraged to attend.

A short presentation will begin at 6 p.m., but individuals may drop by at any time. Prospective students will be given an overview of the program and financial aid opportunities.

Two bachelor's degree programs are offered in Catawba's evening program, Business Administration and Birth-Kindergarten Education. The unique block format of Catawba's program allows students to enroll full-time and take one course per month. Classes meet on Monday and Thursday evenings from 6 to 9:45 p.m. and one Saturday morning per month. Tuition is comparable to that of North Carolina public universities, and federal and state financial aid is available.
