And it's easy to accomplish with Farm Bureau's retirement income policy, in which your life insurance needs and your retirement income needs are both adequately combined. Here is a plan that every far-sighted man and woman should investigate.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

IRON MAN

You'll see him along the track in rain and heat and cold.

His strong hand wields a hammer, holds the throttle, waves a lantern.

He's "workin' on the railroad" . . . in shops and yards and roundhouses . . . on trains and in stations and offices.

He's the "iron man" of railroading—and without his help, the "iron horse" could never have hauled its record wartime loads. Together, the iron horse and the iron man took on a major share of America's emergency transportation burden.

They're seeing it through, too. All of the 45,000 men and women of the Southern Railway System are handling tougher, heavier jobs than ever before. Handling them cheerfully—because they know that their work helps speed the day of Victory, and the coming era of peace and prosperity for the whole Southland.
