# Theft; Drunken Charge Upheld

### Two Arrests eran, was charged with larceny and public drunkenness in Chapel Hill recorder's court last Tuesday. On McBane Count

Lawrence C. Mitchell and Bruce Coe, both of Burlington, are now closeted in the Orange county jail to await trial, Mitchell on charges of holdup and robbery of McBane's service station near Mebane on Oct. 1 and Coe on charges of aiding and abetting in the holdup.

Mitchell, son of "Jimbo" Mitchell of West Hillsboro, was arrested by detectives of the Burlington police force last Saturday night and has been identified by Earl Davis, service station attendant, and two children who were on the scene, as the black-mustached man who held a pistol while his companion relieved the cash register and Davis of all available cash. The companion has not been apprehended. Coe is believed to be the man who stayed in the automobile while the robbery was taking place.

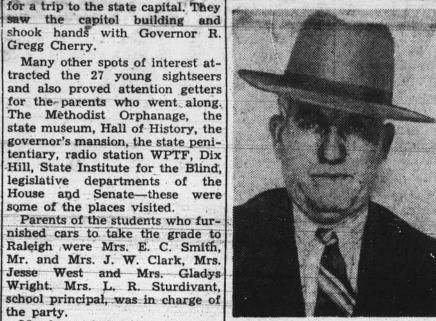

Coe was arrested last Monday by a deputy sheriff as he was attempting to thumb a ride.

Not only are Mitchell and Coe charged with the service station robbery, but also with theft of a 1941 Ford from C. G. Robertson of Burlington and with the robbery of a motorist in Graham on Oct. 20.

Since the Orange county charge s more serious than either of the other two, both men will be tried here. Search is underway for the third man in the case.
