

\$1,267 Given To HHS Team For Uniforms

With three victories under their belts in four games played this season, the Hillsboro high school Wildcats remain idle this weekend.

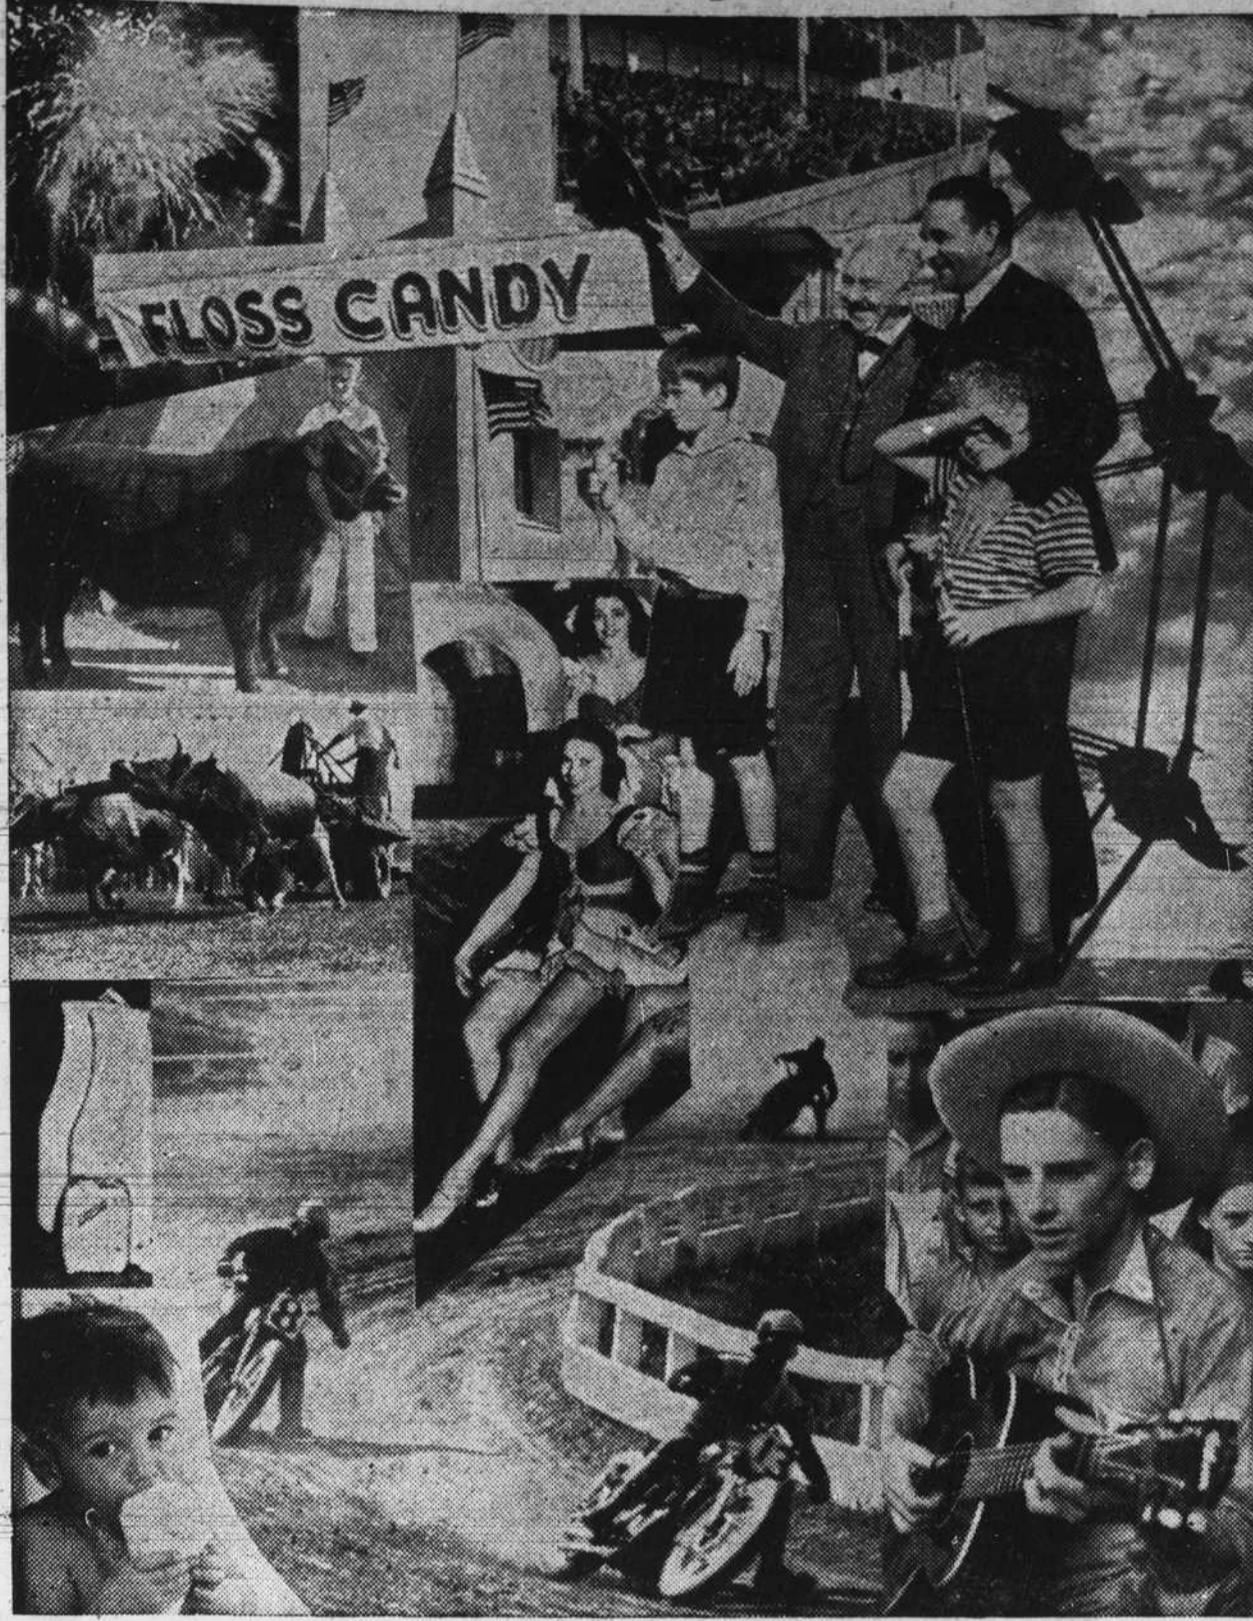

The 'Cats swamped the Roxboro eleven 26-0 last Friday night in Roxboro for their third victory of the season. Scoring twice in the first period and once each in the third and fourth to run up an overwhelming victory, the locals jumped back into the win column after their loss to Oxford Orphanage two weeks ago.

Frank Frederick made his way through the Roxboro line at will in leading Hillsboro to victory. John Raynor turned in the longest run of the game when he intercepted a pass deep in Hillsboro territory and dashed 70 yards for a touchdown.

Hillsboro originally had a game scheduled with Mebane this week, but through a mixup in the Mebane schedule the game was cancelled, Grady Brown, high school principal, stated.

Final total on the campaign recently held to secure enough money to purchase football uniforms for the team was announced by Brown as being \$1,267.50. The entire amount was not used in purchasing the uniforms and approximately \$230 still remain unexpended. This will be used by other athletic teams in the school, Brown said.

Fairtime Again

Throughout North Carolina for the next six weeks ferris wheels will turn, children will consume floss candy, and Blue Boys will grunt through their paces as sleepy, smoky Indian summer descends on the State once again. Fairs have already been announced for Louisburg, Littleton, Beaufort, Greensboro, Charlotte, Shelby, Henderson, Fayetteville, Spring Hope, Lexington, Wilson, High Point, Roxboro, Monroe, Winston-Salem, East Bend, Rocky Mount, Lumberton, and Williamston—and there will be numerous other agricultural events and school carnivals. The State Fair, which brought smiles and hat waving from Josephus Daniels and Agricultural Commissioner Kerr Scott when it was last held in 1941, will return again October 15-19.

Chapel Hill Girl Scouts Plan Work

Chapel Hill.—Fourteen leaders of the seven Chapel Hill Girl Scout and Brownie Scout troops have been named to head the work of the 120 girls holding membership in Chapel Hill Girl Scout troops.

This year's work was started with a meeting of these leaders at the Carolina Inn with Mrs. J. Maryon Saunders, leadership chairman, and Mrs. Arthur Fink, program chairman, conducting the meeting. Mrs. Fink announced that the year's theme is to be international friendship.

Leaders of the first-year Brownie troop are Mrs. M. R. Evans and Miss Caroline Warren. The troop meets each Monday afternoon.

Mrs. Louis Gaylord and Mrs. R. L. Bowden are leaders of the second-year Brownies, who meet on Tuesday afternoons.

The third-year Brownie troop is led by Mrs. Maurice Newton and Mrs. Hadley Wilson, and this troop meets on Tuesdays also.

Fifth- and sixth-grade Girl Scout members meet on Thursday afternoons under the leadership of Misses Evelyn Shields, Elizabeth McGee and Miss Arlea Tomlinson.

Mrs. J. O. Bailey and Miss Jane Rogers are leaders of the seventh-grade Girl Scout troop, which meets each Wednesday afternoon.

Leaders for the eighth-grade Scouts, meeting on Thursdays, are Mrs. L. P. McLendon, Jr., and Miss Martha Taylor.

Olivia E. Waddell is leader of the Negro Girl Scout troop, which meets on Wednesdays. There are at the present time 20 members of this troop.

Meeting places for all the troops are the Recreation Center and the Methodist church, meeting-time following the closing of school.

State Fair Runs October 15-19

Raleigh—Dr. J. S. Dorton, manager of the State Fair, made it clear recently that the 1946 edition of the fair will not open officially until Tuesday, October 15, running through Saturday, October 19.

He explained, however, that there would be a preview grandstand show on the night of October 14.

Dr. Dorton said that his Cleveland County Fair, which ran September 23-28, broke all attendance records, and he anticipates an attendance of around 500,000 people at the State Fair.

Onslow County farmers had 400 head of workstock vaccinated against blind staggers. The loss of one mule was recently reported by a farmer who did not have his animals treated.
