Picturesqueness is outstanding in this low, rambling ranch style structure. The three structures efficiently separate three living units: kitchen, storage and garage—living and dining room, porch and outdoor living room—sleeping quarters. Six rooms in all with two baths, seven closets and a utility closet. The kitchen has one porch entrance and one side service entry leading to the basement stairs. All have bedroom picture windows; the garage has overhead doors; and a recreation room is provided under the living room.
