OPEN HOUSE HELD BY MISS FORREST

Miss Mary Virginia Forrest was hostess at an open house Friday night. About 25 guests called and were served refreshments.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

CARDUL
