The Rev. Mr. Immanuel, professor at the Methodist Theological College of Jubbolpore, India, is now enrolled in Duke University's graduate school. He received one of the Crusade Scholarships for Christ, which are awarded by the Board of Foreign Missions of the Methodist church to train men for key positions in the church, and left his native India for the first time last fall to come to Duke to work for a Ph.D. in philosophy of

With his two brothers and three sisters, the Rev. Mr. Immanuel grew up in a home where, in addition to prayers, seven chapters from the New Testament were read every day. After attending a mission school in Tuticorin, in the southernmost part of India, he went to Madras' Christian College where he was graduated in 1920. Prior to his present position at the Theological College in Jubbolpore, ne served for 10 years as pastor of the Methodist church in Madras, church which has a membership

of 1,500 people. It was not without hesitation that he accepted the scholarship and interrupted his teaching at the Methodist College where he has been for the past 15 years, but the Rev. Mr. Immanuel says that he is happy here and feels that it is a good experience.

## Permits Total \$13,500 For Last Quarter

Chapel Hill-According to figures recently released here by City Manager, T. E. Hinson, the value of building repair and new construction permits issued during the last quarter of 1946 reach-

vember new construction was valued at \$6,500, while repairs declined to \$550. The one permit is worth \$350.

Due to relaxation in building restrictions and priority requirements which were in effect last year, these amounts are higher than those for the corresponding period in 1945.

Mr. Hinson emphasized that building permits are issued only for construction and repairs within the city limits of Chapel Hill, and that the figures do not include building done by or for the Uni-

Valued at \$7,500, only one permit has been isued in January. W. B. Lyons, Jr., will begin construction soon on his new residence, to be located in the Gimghoul section of the city.
