MERRITT'S SCHOOL NEWS

Despite the rainy week we had a good attendance. Mrs. Clark kept the school interest high. Students hated to miss a single day. The PTA of Merritt's school is purchasing a radio-phonograph combination to enable the school to rank as outstanding in progressive education trends by providing means for our students' development. At present we have a phonograph. Our principal, Mrs. Ethel Stanton Clark is very pleased with the accomplishments made by the PTA and other clubs. We wish to thank all. The sixth grade has an interesting unit on India. India is a land of extreme poverty, although her natural resources stand comparison with those of many more highly advanced countries.

NEWS OF THE NEGRO COMMUNITY

O. C. T. S.

The Chapel Hill Chapter of the New Farmers of America have started a project of repairing and refinishing old furniture that is brought in by the members from their homes and other that is donated to the organization by citizens of the community. The purpose of the project is to prepare for an auction sale this spring in an effort to secure funds by which to attend the 1947 National New Farmers of America Convention which will be held in Greensboro, next summer, and to help carry out their program of work on home and health improvement. With the necessary finance the boys will select one home in the community and will show how cheaply home improvement can be accomplished. The members of the New Farmers of America are making an appeal to all citizens for old furniture of any description and in any shape such as chairs, tables, stools, beds, lamps, rugs and any other pieces that people are not using and would donate to the project. Their motto for the project is "Let Us Clean Your Attic and Basement of All Unwanted Furniture." For further information concerning the project contact Sam Boyd, President or R. D. Smith, Advisor of the NFA at 8651 between 8:30-3:30 Monday through Friday. We will gladly collect your donation.
