 ... Holoman, Saturday evening at 7:30 ...  
 ... a ceremony performed at the ...  
 ... home of the Rev. P. O. James.

**Negro Farm Agent's  
Observations ...**

The District 4-H and NFA Calf ...  
 ... Show conducted at the Guilford ...  
 ... County Agricultural Center, Fri- ...  
 ... day, September 19, attracted more ...  
 ... than 50 entries in the show.  
 ... C. Enoch's cow of the Carr ...  
 ... club, was selected for the ...  
 ... demonstration on how to select a ...  
 ... good animal. She, also, won a ...  
 ... blue ribbon in her class. Herman ...  
 ... Russell, of the White Oak Grove ...  
 ... club, was placed first with ...  
 ... his purebred Guernsey.  
 ... Moses C. Burt Jr. won a blue ...  
 ... ribbon with his purebred Jersey ...  
 ... and first prize for having the best ...  
 ... animal in the show.  
 ... The following boys won red ...  
 ... ribbons with their grade calves:  
 ... David Withers of the Fairfield 4-H ...  
 ... club and Ralph Hester of the Carr ...  
 ... 4-H club.  
 ... Hattie Lois Cearnal of the Hills- ...  
 ... 4-H club, also won a red ...  
 ... ribbon.  
 ... These winning white ribbons ...  
 ... were Fred Withers of the Fair- ...  
 ... field 4-H club and Edward Oliver ...  
 ... of the White Oak Grove 4-H ...  
 ... club.  
 ... The show was sponsored by the ...  
 ... Chamber of Commerce of Greens- ...  
 ...boro, N. C.  
 ... The eight boys from Orange ...  
 ... county won a total of \$52 in cash ...  
 ... prizes.—M. C. Burt, Negro County ...  
 ... Agent.

**Pine Poles  
Are Sought  
by Exchange**

As part of its timber marketing ...  
 ... program, the Farmers Mutual Ex- ...  
 ... change at Carrboro has added a ...  
 ... market for pine poles for farmers ...  
 ... in that area, and buying of poles ...  
 ... will begin immediately, John ...  
 ... Williams, manager of the Carr- ...  
 ... 4-H warehouse announced today.  
 ... The pole market has been added ...  
 ... to the present pulpwood market to ...  
 ... provide farmers with an outlet for ...  
 ... timber, suitable for poles which ...  
 ... ordinarily has been put into pulp- ...  
 ... wood or sawtimber.  
 ... Smaller sizes of poles can easily ...  
 ... be cut from a stand in a thinning ...  
 ... operation, while larger sizes can ...  
 ... be cut in making a selection or ...  
 ... partial cut in older timber. Poles ...  
 ... must be peeled, and an ordinary ...  
 ... garden hoe with the shank ...  
 ... lightened out makes the best ...  
 ... peeling tool.  
 ... To prevent waste of timber and ...  
 ... labor in cutting and peeling un- ...  
 ... suitable trees, the selection of ...  
 ... trees for poles will be done for ...  
 ... farmers free of charge by V. J. ...  
 ... Adolph of the Duke university ...  
 ... school of forestry, who has been ...  
 ... working with the Farmers Mutual ...  
 ... exchange on the marketing of ...  
 ... pulpwood at Carrboro. Arrange- ...  
 ... ments for the inspection of timber ...  
 ... possible pole material and ...  
 ... marketing of trees suitable for poles ...  
 ... can be made at the Carrboro ware- ...  
 ... house. Having his timber in- ...  
 ... spected won't cost the farmer any- ...  
 ... thing, and does not place him un- ...  
 ... der any obligation whatsoever to ...  
 ... buy or sell any of it.  
 ... Pole sizes in greatest demand ...  
 ... are 30- and 35-foot poles, but ...  
 ... other sizes will be purchased also.  
 ... Samples of poles of various sizes ...  
 ... can be seen at the Carrboro ware- ...  
 ... house, and farmers are urged to ...  
 ... stop in and examine them, and ob- ...  
 ... tain additional information about ...  
 ... marketing poles.

Although pyramids have al- ...  
 ... ways been thought of in connec- ...  
 ... tion with Egypt, there are actual- ...  
 ... ly more of them in Mexico, built ...  
 ... by the Incas and the Aztecs.
