But he will protect you from a lot of trouble if you'll give him wiring to light up your farm.

A shaky ladder, an upturned pitchfork, or a loose plank in the hayloft is much more treacherous in the dark. A few well planned outlets in your barn and chicken lot will save you a lot of inconvenience and may be a serious accident.

A Duke Power Farm Specialist will help you plan any additional circuits you may need.

Complete wiring means:

- 3 WIRE SERVICE ENTRANCE
- SUFFICIENT CIRCUITS
- LARGE ENOUGH WIRES
- PLENTY OF OUTLETS INCLUDE ONE FOR RANGE
