FORD

IT'S HERE FRIDAY AND 50 WAYS NEW!

White sidewall tires available at extra cost.

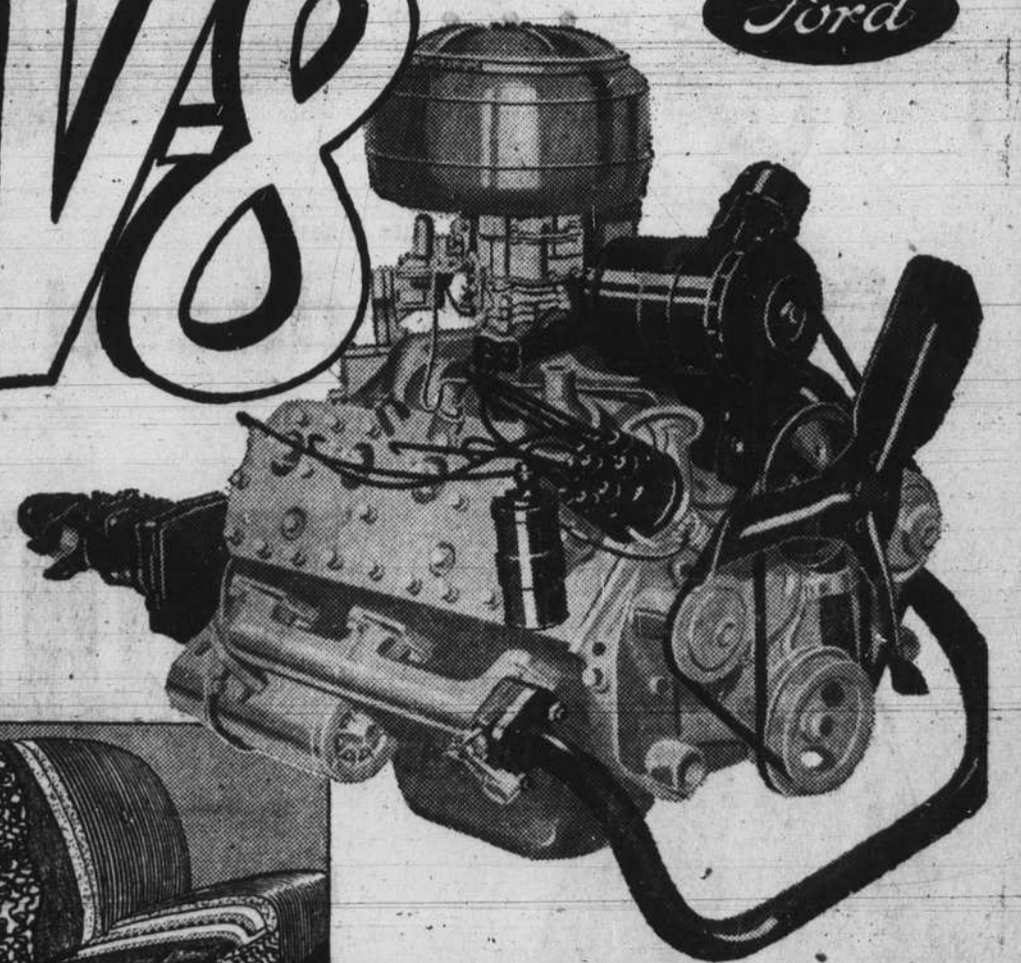

WITH THE EXCLUSIVE NEW 100 H.P. FORD

V8

ITS QUIET WHISPERS QUALITY

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower, quieter speeds. And what power! It's a full 100 horsepower wrapped up in V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

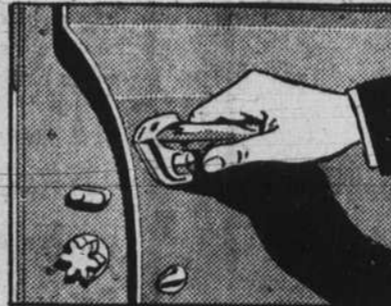

NEW SOUND CONDITIONING

New "sound conditioning" in floor, doors and body panels insulates Ford's "Lifeguard" Body against road noises. More extensive body insulation and sealing in 41 areas give added interior quietness.

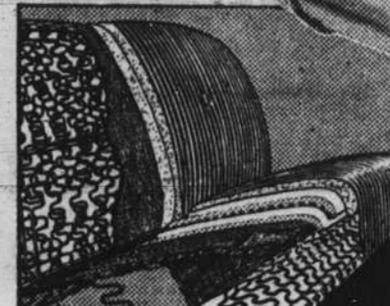

NEW "HUSHED" RIDE

Now so quiet you can talk in whispers. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

NEW QUALITY FEATURES

You find it in the new push-button door handles... in the new rotary door latch that needs only a feather-touch to open and close securely... new sparkling upholstery colors.

NEW DRIVING COMFORT

For only \$200 more the 1950 Ford offers you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

There's a Ford in your future

...with a future built in
