### Aldermen Study Suggested Ordinance Requiring Sewer, Water Connections

Chapel Hill—The Board of Aldermen took under consideration Monday, suggested ordinance requiring sewer and water connections to houses anywhere in the city limits where they are in reach of established lines.

A suggested ordinance following a Board of Health model was studied by the Board but no action was taken pending a report working by the town attorney. Passage of such an ordinance would require every building used for human habitation within 200 feet of a public sewer line or 300 feet of a water line to make an approved connection. The ordinance proposed would prohibit the installation of any water or plumbing fixtures without a plumbing permit or the installation of any septic tank or other private sewerage disposal unit without a permit from the Health Department.

A report that the Negro Community Center building owned by the town was in need of paint and repairs was heard and a committee was ordered to study and make recommendations. A new system of precautions to

### Carrboro Lions Plan Baseball Club; Honor CHH Players

The Carrboro Lions Club held its regular weekly meeting last Thursday night. Dinner was served to the regular members and to members of last year's Chapel Hill High School Baseball Team who were guests of the Lions Club for the evening. The main point of interest centered around a report given on the out come of several meetings held in Burlington by committees discussing plans to form a baseball league in this area.

The Carrboro Lions club committee met in Burlington last Monday and Tuesday nights a week ago with other committees from nine towns to discuss the possibility of forming a baseball league and to reach some agreement on future plans once the league was formed.

Since the games were to take place at night, the number of interested groups was cut to six—those that had lights on their field. The six clubs were Siler City, Burlington, Graham, Swepsonville, Mebane, and Carrboro. After some discussion it was decided to call the league the Dixie Central.

It was agreed that no rules pertaining to professional players would be adopted except that have been blacklisted by the professionals will not be eligible to play in the league. Also an umpire school has been set up in Burlington to train umpires for the league. This school will begin training on the 23rd of April.

It was urged at the meeting that all persons who are interested and have the ability, make application to become members of the Carrboro team. The chairman of the committee said that players are badly needed to fill the roster which must be turned in by April 26. The first game is scheduled to take place on May 3, which will be away from home. The first home game will be held at the Carrboro Baseball Park on May 5. It was stated that 20 players would be needed to begin training and that this number would be narrowed to 16 in June.

As yet no coach has been selected to pilot the team but several contacts have been made.

Immediately following the dinner members of last year's Chapel Hill High School Baseball team were presented with miniature baseballs of gold by the Lions Club in recognition of their outstanding performance and sportsmanship last year.

Those present and receiving the award were: Tom Moultsby, Jack Moultsby, Russell Perry, Bob Phillips, Collier Hill, Iva Lee Hill, Bill Butler, Hilbert Williams, Penno McGinty, A. J. Johnson, Hubert Durham, Tommy Gravitt, Charles Creel, George McGinty, Buckey Vickers, and Eddie Mann.

Members of the team who were absent but who will receive the awards were Tommy Bradshaw, Milton Cheek and Sidney Sparrow.

Guest speaker was Ace Parker, former Duke football star and now coach of the Durham Bulls baseball team.

## Civic Clubs Join For Major Speech By Graham Friday

### Politics Charged In Delay Of Decision On Schools

Hillsboro—The meeting of school district committees with the County School Board to find a solution to the Aycock-Hillsboro attendance area boundary dispute has been set for April 17 at the Courthouse at 2 o'clock.

This announcement on behalf of the School Board was made yesterday by Superintendent Glenn Profit, who said the postponement had been made at the request of the Aycock group, headed by John Hawkins, who asked more time to prepare their case. The inability of the Rev. Henry Lewis to appear with the Aycock committee because of participation in a revival was another factor in the request for postponement, it was said.

Meanwhile, Hillsboro leaders charged that the postponement until April 17 was an attempt by the Aycock group and the School Board to forestall filing of a candidate for the School Board seat held by Zeb Burton until after the close of filing on April 15. The decision of the board in the matter of boundaries is expected to be a major factor in deciding whether there will be opposition to Burton, whose term is the only one on the three-man board which expires. Burton is a resident of the Cedar Grove community.

### Plan Services For Holy Week At Presbyterian

Hillsboro—Special Holy Week services of prayer and meditation will be held on Wednesday, April 6 through Friday, April 8 at the Hillsboro Presbyterian Church.

The services will begin each evening at 7:30 P. M. and will be held in the sanctuary.

Wednesday night's services will be composed primarily of prayer and music. The Maundy Thursday service will be the celebration of Holy Communion. On Good Friday the candlelight service which has been conducted for the past two years on that night will be repeated. The Rev. Irving E. Birdseye will conduct the services assisted by the Chancel Choir.

### Umstead Files For Reelection

Hillsboro—John W. Umstead filed his notice of candidacy for reelection as Representative in the General Assembly this week.

He had previously announced several months ago that he intended to seek reelection.

Umstead thus became the fourth candidate to file with the Chairman of the Board of Elections subject to the My 27 primary. Deadline for filing is April 15.

### Orange County Nose Counting Begins Saturday; Cooperation Urged

Hillsboro—On Saturday, April 1, approximately 35 census enumerators will begin the huge task of counting not only the noses of Orange County citizens but are also charged with the job of gathering information that will be useful in future planning.

District Supervisor, J. D. Rogers of High Point, who is in charge of the census work in Alamance, Guilford, and Forsyth counties, stated that estimated time to complete the job in Orange should be about four weeks.

Classes for enumerators were completed this week and the supervision will be under the direction of the two county leaders, John P. Ballard of Hillsboro and O. E. Brown of Chapel Hill.

Rogers pointed out that the enumerators have been thoroughly instructed on the proper procedure and will be identified by a card bearing the correct name and signature of the supervisor. All citizens are required by law to answer all questions which the enumerators will ask, and officials urged all residents to give cooperation to the enumerators in order that their task may be completed as soon as possible.

### 4-H Clubbers To Attend Camp At Manteo

Hillsboro—Plans have been made for 4-H club members of Orange County to attend a week of camping at the club camp at Manteo.

The Orange County group will be joined by a similar group from Wilkes County for a week of instruction and recreation. The date will be the week beginning July 10. During the week members attending camp are given instruction in handicraft, recreation, marksmanship, and swimming. Other time will be devoted entirely to recreational activities.

In addition to the regular camp schedule, 4-H club members attending will have an opportunity to see the famous "Lost Colony" pageant and will visit other historic places nearby.

4-H club members interested in going to camp should see the county farm agent or home agent.

### Public Housing Representative Here Tomorrow

Chapel Hill—A representative of the Public Housing Administration will be in Chapel Hill tomorrow to confer with members of the Board of Aldermen regarding the requirements for a low income housing project for Chapel Hill.

Dr. Thomas Perry or A. R. Hanson, both from the Richmond field office of the agency, will be here at the invitation of the Board.

While no immediate decision in this connection is contemplated by the board, the meeting is being arranged to obtain full particulars relative to the possibility of such a project in Chapel Hill.

### West Hill Church Plans Revival

West Hillsboro—Revival services will be held at the West Hill Baptist Church every evening beginning Sunday, April 2, through Sunday, April 9.

The Rev. L. E. Rhodes, pastor of the Rankin Baptist Church in Greensboro will be the preacher, and the Musical Millers, evangelists from New York State, will provide special music.

Services will be held on Sundays at 11 A. M. and 7:30 P. M. and on other evenings at 7:30.

Chapel Hill—Dr. Frank P. Graham, in the midst of a vigorous campaign to return to the United States Senate, returns to his hometown tomorrow for an address that sponsors of the program have termed as "non-political."

His campaign managers, however, have listed it among the major appearances of the week on his itinerary.

The occasion will be a joint meeting of the four civic clubs of Chapel Hill and Carrboro at the Carolina Inn at 6:45 P. M. Participating will be the membership of the Kiwanis, Rotary, Lions and Altrusa clubs. Dr. Rex Winslow of the University is in charge of arrangements. The address is the main feature of the program.

Senator Graham's subject for the address was not known in Chapel Hill yesterday but is expected to be on some phase of World Peace, the general subject to which he has devoted most of his speeches during the past few months.

Dr. Graham has been under the pressure of blistering attacks from his major opponent, Willis Smith, for his "liberal" record and previous use of his name in connection with various groups and causes. While the Orange Senator has gone into detail in recent appearances to explain his position on these matters, it is not believed he will do so in Chapel Hill except in a most cursory manner since his audience will be overwhelmingly favorable to him and his candidacy.

While politics is not the main theme of tomorrow night's program here, it is hardly likely that the subject will go completely unnoticed and a large gathering of club members and guests from this area will be in attendance.

### SPC Breeders Plan Fall Sale

Hillsboro—at a recent meeting of the Orange County Spotted Poland China breeders, plans were made to hold a fall sale. A tentative date was set for the night of August 10th.

It was estimated that there would be approximately 30 animals to be offered at this sale. These will include about 15 bred gilts, 10 open gilts and 5 boars. No show will be held in connection with this sale and the sale will be held at night in order that farmers and breeders within a radius of 50 to 75 miles will be able to come and purchase an animal and get it home without danger of heat exhaustion. It was also decided to hold a show and sale next February.
