Folk Festival Opens Tonight In Kenan

Chapel Hill — June brings Folk Festival time to North Carolina. The opening event is the Carolina Folk Festival in huge Kenan Stadium here tonight, tomorrow and Saturday, beginning at 8 o'clock. Lamar Lunsford, "the Minstrel of Appalachians", more than 700 square dancers, fiddlers and ballad singers from three states will compete for honors and cash prizes.

This will be the third festival at Chapel Hill. From there Lunsford moves to Asheville, where he will direct the 23rd Mountain Music Festival August 3-4-5. He's just back from Virginia, where he directed the first festival at Charlottesville in May.

Civic Clubs Plan Benefit Outing For Athletic Park

"All the barbecue you can eat and entertainment all afternoon for just \$1.50," is the call of the Chapel Hill-Carboro Merchants Association in cooperation with the civic clubs of the two communities. The event, which is being staged to help pay for the Carboro Lions Club, will be held June 21 in the Park at 4:30.

The Chapel Hill High School band will provide the music and there will be horseshoe pitching and bingo for those who want to play.

A baseball game between the Carboro Cubs and the New Hill team from Apex will be played at 8 p. m.

The civic clubs in the area are cooperating with the Merchants Association by making the Barbecue take the place of their regular get together for the week.

Roy Barham and Tom Rosemond are in charge of the barbecue. Hubert Henderson and the Carboro Lions Club will make the arrangements for the baseball game. Tickets may be obtained from Chapel Hill and Carboro merchants and civic clubs or from the Merchants Association office in the Tankersly Building in Chapel Hill.

PLAN CAMPAIGN
Chapel Hill — Plans were made for the Graham-for-Senate campaign in Orange County Monday night in a mass meeting held in the Town Hall. State Representative John Umstead and L. J. Phipps were the chief speakers. Committees were organized and plans made to finance the runoff campaign.

Request Made For Additional Deputy Sheriff

Hillsboro—The Board of County Commissioners has taken under advisement a proposal for an additional deputy sheriff for the Southern part of Orange County.

A request for the additional deputy was submitted by members of the Board of Aldermen of Carboro, who stated in their petition that they were making the request as private citizens.

The demand for an additional deputy to work in Southern Orange has been voiced in that area for some time and there were attempts to make this fact an issue in the recent campaign for Sheriff but both candidates indicated their support of the proposal if the need existed.

Sheriff S. T. Latta appeared before the board last Monday and asked the Board's consideration in the matter, pointing out the great increase in the number of civil papers to be served and the need for more than one deputy in quelling disturbances and making raids.

Orange Rural Roads Deadlier Than City Streets

Rural highways of Orange County offer greater hazards to motorists and pedestrians than do the city streets of Chapel Hill or Hillsboro, President Coleman W. Roberts of the Carolina Motor Club pointed out today.

The conclusions of Mr. Roberts were drawn on the basis of an analysis of figures released by the North Carolina Motor Vehicle Bureau for 1949, which reveals that of 843 persons killed and 9,721 injured last year, 691 were killed and 7,654 injured on rural roads as compared with 152 killed and 2,067 injured in urban areas.

Two factors basically account for the high rate on rural roads. First, North Carolina's greater road mileage and volume of traffic is outside urban areas, and rural areas are naturally the scene of more accidents due to higher speeds being prevalent on this type of road. Second, cities are becoming safety conscious and more cities are developing safety programs in an effort to reduce traffic hazards.

While deaths in the state showed an increase of only 15 per cent, injuries increased 30 per cent, while accidents increased 31 per cent as compared with 1948. Deaths increased 109 from the 1948 total of 734, while accidents increased 4,996 from the 1948 total of 16,218 to a 1949 total of 21,202. Injuries in 1949 totaled 9,721 as compared with 7,490 in 1948 for an increase of 2,231.

On the rural highways of Orange County, 6 persons died in 6 fatal accidents, as compared with 1 fatal accident in Chapel Hill and none in Hillsboro.

In Orange County, 139 accidents were recorded in 1949, of which 93 resulted in property damage. A total of 53 persons were injured in highway accidents in the county during the year.

Second Race Of Season Sunday At Oconeechee

Hillsboro — Eastern North Carolina's thrilling Championship Modified stock car race program of the season is slated for the fast banked Oconeechee speedway, located just outside of Hillsboro, next Sunday afternoon.

Bill France, race director, is expecting a crack field of top ranking drivers from all sections of the country to compete in the six-event spring program.

Included among the first entries for the major race program were Tim Flock, Winston-Salem, present leader in the NASCAR championship modified point standings and winner of the last feature race over the Oconeechee track, and Curtis Turner, the sensational performer from Roanoke, Va.

Young Flock will be driving the No. 91 Ford, the same car in which he streaked to victory in the first race here this season.

The speed demons will attempt to break the Flock monopoly on races at the famous mile speedway. Since the track was opened two seasons ago all top events have been captured by the three Flock brothers, Fonty, Bob and Tim, and all three are expected back for the classic Sunday to maintain the Flock stronghold.

Time trials start at 1 o'clock with the first race slated for 2:45 p. m. The card calls for two 10-lap heats, a consolation race, a trophy race and a 30-lap feature.

Camp New Hope Sets Visitors Day

Hillsboro — Sunday afternoon, June 18, has been declared Visitor's Day at Camp New Hope and the public is cordially invited to inspect the camp and its expanded facilities. As there is no camp in operation this weekend to see this project of the Orange Presbytery, all facilities will be open.

Guides will be on hand to answer questions and conduct tours through the camp.

Among the new improvements at the camp are a new 20,000 gallon water storage tank, a new infirmary given by Mr. Will May of Burlington, a new picnic pavilion and office building. The Fleming Memorial Lodge has just been completed and a Community Building and temporary dining hall are new additions. Extensive improvements have been made on the ground and swimming pond.

All improvements have been made under the direction of a Board of Trustees appointed by the Orange Presbytery.

Eighteen hundred campers are expected to use the camp during the 1950 season. Beginning with the Winston-Salem Pioneer Camp, there will be eleven camps during the twelve weeks of operation. Camps for every group and interest are scheduled.

All registration for camps and conferences are through the local churches, with the approval of the local church authorities. Those interested in attending any of the camps are urged to see their local pastor.

Camp New Hope is adjacent to historic old New Hope Church, located half way between Hillsboro and Chapel Hill, just off NC-86.

Barnwell Names List Of Roads For Improvement

The Highway Commission's populous Fifth Division headquarters has announced additional mileage for surfacing under the second phase of the \$200,000,000 secondary road program with 27.12 miles in Orange County.

Commissioner James A. Barnwell of Burlington said all the new projects announced along with those listed under the first phase of the program last December—will be under contract or finished by the end of the 1950 paving season.

Second phase roads announced today cover 276.9 miles of roads in eight counties. Work under the first phase, are well under way and completed in many cases totals 279 miles. This brings the combined total to 556.12 miles or approximately 58 per cent of the division's share of the whole program.

Barnwell said roads selected were based on surveys and reports of Good Roads Committees in many of the division's eight counties and recommendations of the division's engineer staff.

When first and second phase work is finished, the percentage of work done in each county will be as follows:

Durham, 51.61 per cent; Granville, 58.11; Person, 56.95; Alamance, 77.28; Caswell, 57.01; Orange, 59.17; Guilford, 53.54; and Rockingham, 59.91.

Truck Driver Gets Dismissal In Clayton Case

Hillsboro — A Superior Court jury this week reaffirmed a Recorder's Court verdict which had ruled two Orange County youths were guilty of reckless driving and participating in a race on public highways in excess of 85 miles per hour.

The defendants, Everette Lloyd, son of Mr. and Mrs. A. B. Lloyd of Efland, and W. J. Godfrey, son of Mr. and Mrs. Booster Godfrey, of West Hillsboro, had both appealed lower court decisions allowing them suspended road sentences upon payment of fines of \$50 and costs.

In the Superior Court, Judge W. C. Harris ordered six months road terms, suspended upon payment of fines of \$100 and costs, and Lloyd entered notice of appeal to the Supreme Court. Godfrey did not.

The State's case rested on the testimony of Patrolman T. P. Hoffer and Deputy Sheriff C. H. Hurley, who said they chased a four-car parade of racers from the vicinity of the Open Bible Service Station of Highway 70 to Cheeks Crossing and down Old No. 10 at speeds approximating 85 to 90 miles per hour. The defendants' testimony categorically denied they were in the race and placed witnesses on the stand in an attempt to establish their presence elsewhere at the time the race was in progress. Vigorous cross examination of the testimony from both sides featured the trial.

In other cases, the Grand Jury threw out a charge against Edgar M. Lysterly of manslaughter in connection with death of Walter Clayton in a transfer truck automobile collision on Highway 17 several months ago, as not a true bill. George Graham and Glenn Richmond did not contest charges of stealing an automobile and receiving stolen property and were sentenced to 18 months on the roads. James Perez and George Walker charged with forging and cashing forged checks received 12 and six months on the roads respectively. John Loy was charged the cost after pleading guilty to speeding.

In one divorce action, Hettie Mae Jefferies was given absolute separation from Robert Jefferies.

Moore Reunion Sunday Event

White Cross—Approximately 100 people from six states attended a reunion of the descendants of General Stephen Moore. The reunion was held at Bethlehem Church immediately after the church services on Sunday.

The crowd gathered for an old time picnic dinner on the church grounds and went to the church for a short business meeting.

The families of Webbs, Adames, Stanfords, Bradshaws and Moores were represented. This is the second reunion of these families and they hope to make the program an annual affair.

Mr. Ralph W. Stanford, Greensboro, was in charge of the reunion and Mrs. Blanche Chappell, Smithfield, Va., was in charge of the program.

Merchants Vote To Hold Institute

A plan to give packages of gifts to incoming freshmen at the University in September was also approved at the meeting. Each package will contain small gifts or gift certificates from the merchants of the two communities. An estimated 1800 freshmen will enter in the fall.
