New B & L Staff as Stones Leave

Mr. and Mrs. Stone — Leave for Arizona

Hillsboro — Mr. and Mrs. Earl Stone, who for the past two and a half years have served as secretary and assistant respectively of the Hillsboro Building and Loan Association, have resigned and a new staff has been appointed to succeed them.

Mr. Stone, in a short period of time, has been able to increase the assets of the local association from \$615,000 to \$1,000,000. He has also been able to secure a large number of new members and has been able to secure a large number of new members and has been able to secure a large number of new members.

Wives Sponsor Freedom Crusade at Chapel Hill

Chapel Hill — The Junior Chamber of Commerce is sponsoring the Chapel Hill division of the Freedom Crusade for Freedom drive which will end this weekend.

The goal of the drive in Chapel Hill is to secure the signature of every student and resident of the town on the scrolls of Freedom. The scrolls, along with scrolls from every part of the nation, will be enclosed in a huge bronze Freedom Bell to be dedicated in Berlin, Germany on Oct. 24. The signatures are a symbol of freedom and friendship for all peoples from the four corners of America.

Although no money is required for the signing of the scroll, signatures will be given the opportunity to sign up their signatures with the will offerings in any amount of support and develop the radio station "Radio Free Europe." This station is making foreign language broadcasts to all countries in Europe and has been praised by many national officials as one of the most effective weapons against communism in Europe, especially behind the iron curtain.

Signatures have been set up in front of the YWCA building on campus from 8 a. m. to 1:30 p. m. and in front of the Bank of Chapel Hill from 2 p. m. until 5:30 p. m. In the lobby of the Carolina Hotel from 6 p. m. to 10 p. m. in order that all may have a chance to sign the scrolls.

Bagwell, former secretary and treasurer of the First Federal Building and Loan Association in Durham, is in charge of the operations of the office as temporary manager. During her tenure at First Federal assets were increased from \$200,000 to \$3 million. Since 1947 she has operated her own real estate and insurance business in Durham. She was previously associated with Home Building and Loan Association also.

During Stone's tenure as the first full-time secretary of the local association, it has made rapid strides both in net worth and in service to the community. Last week it held open house in its own new office building and a large number of local citizens, representatives of neighboring building and loan associations and state officials, including T. E. Bobbitt, deputy commissioner of insurance and supervisor of the savings and loan division of the state organization, attended.

The Board of Directors in announcing the new staff of the Association expressed gratification at being able to secure experienced personnel to carry on the program of the association and paid high tribute to Mr. and Mrs. Stone for their work in building present position. There will be no let-up, they indicated, in their determination to make it one of the most effective and progressive in this section.

Draft Board Registers Four Orange Doctors

Hillsboro — Three medical doctors and one veterinarian registered Monday with the Orange County Draft Board in compliance with a proclamation by President Truman requiring all doctors, dentists and those in allied categories who received their medical education at the expense of the government and did not serve at least 21 months of active service.

Those who are over 50 years of age and those who are in the reserve units of the armed services were not required to register.

Few Register Last Saturday

The loneliest people in Orange County Saturday were the registrars who waited in solitude and in vain for people to register for the November 7 elections. A check on several of the 16 precincts showed very few new registrations.

The registration books were open all over Orange County for people not previously listed or who have moved to other precincts. However the approximately 9,000 names total on the books from last Saturday's registration in Orange was helped but imperceptibly by Saturday's additions.

The books will be open again October 21 and 28 in preparation for Challenge Day on November 4.

TO ATTEND FAIR
Hillsboro — Approximately 40 members of the Hillsboro Chapter Future Farmers of America will attend the N. C. State Fair tomorrow with their teacher, E. R. Dowdy. This is an annual affair, the trip being made by chartered bus.

Commissioners To Hear Protests On Bond Issue

Hillsboro — The Board of Commissioners approved a formal resolution here Monday calling for the issuance of bonds in the amount of \$15,000 to provide funds to complete the addition to Central School in Hillsboro.

A meeting of the Board was set for 10 o'clock October 30 to hear any protests from citizens or taxpayers.

These bonds are in addition to the \$1,000,000 in school building bonds authorized last year and were necessitated by high bids on the Hillsboro project which will cost \$29,425.90 more than had been set up for the project.

School officials described the Hillsboro need the most urgent in the county and on the basis of this information the Commissioners acted to issue the bonds. The additional \$14,000 will come from the capital outlay budget for this year in which that amount had been set up for new school busses which could not be used this year anyway.

In the Central School project \$30,000 will come from this county's share of the 50 million appropriation by the last legislature, \$70,000 will come from the one million dollar county issue and the \$29,000 from sources described above.

In other actions, the county board heard a proposition from the Motorola firm for the purchase of mobile radio equipment for the automobiles of the Sheriff's Department and voted to equip two automobiles at this time, which will be tied in with the Chapel Hill police station. The equipment will cost \$500 per car. Upon completion of the new courthouse, it is anticipated that main station equipment will be installed there at an estimated cost of \$1,200 to \$1,300, giving the Sheriff's Department its own radio communications system.

**Farlow Elected
YDC President
As Stone Resigns**

Hillsboro — James Farlow, Chapel Hill attorney, was elected president of the Orange County Young Democrats at the meeting of the club Friday, Oct. 13. Farlow fills the unexpired term of Jerry Stone, who resigned.

Donald M. Stanford, of Bethlehem community, was elected 2nd vice president. Farlow had held this position previously.

The YDC group voted to back all Democratic candidates in the forthcoming election, and discussed plans for an Orange County Democratic rally.

Short Ceremony Set For Tuesday On UNC Campus

Chapel Hill — Rural club women of Orange County, local civic leaders and merchants, and University officials will join in a 20 minute celebration next Tuesday in recognition of United Nations Day, attempting to crystallize in a local event the significance of the critical role being played by the United Nations in world affairs.

The General Assembly of the United Nations designated October 24 as United Nations Day to be celebrated throughout the world and local participation was planned on the suggestion of Mayor Edwin S. Lanier to coincide with a University Campus ceremony near South Building from 10:45 to 11:05 a. m.

In letters to civic groups, ministers and other citizens, Lanier called for other observances during the latter part of this month in addition to the ceremony next Tuesday, to include "a heartfelt prayer for divine guidance for the United Nations; for its continued growth, increased strength, and greater success; and for a world in which mortal man may conduct his struggle to become worthy of immortality in an atmosphere of peace with justice and with freedom, under God, of the human spirit."

In downtown Chapel Hill, United Nations flags made by Home Demonstration Club women of Orange County will be flown during the day and stores and business offices will close during the 10:45 observance. Henry Brandis Jr. is chairman of the committee to coordinate U. N. day and allied activities.

Tuesday's program will begin with the ringing of University and church bells throughout the community, introductory remarks by Chancellor Robert House and reading of resident Truman's proclamation by John Saunders, president of the Student Body of the University.

Mrs. Charles Stanford will present the United Nations flags made by the rural women to town and University officials and they will be accepted by Mayor Pro-tem R. J. Hobbs and Chancellor House. A reading of Dr. Clarence Poe's tribute to the UN flag by Norman Cordon will conclude the ceremony.

Smith Reveals 43% Of High School Students Dropout

Hillsboro — Over 48 per cent of the number of boys and girls who entered high school in the past four years have dropped out of school before their graduation was the startling fact pointed out by Fred A. Smith, assistant superintendent of the Wake County schools, in a speech to the Hillsboro PTA last Tuesday night.

According to Smith, approximately 10 per cent of all elementary children drop out of school before ever entering high school. "The two main reasons for such high drop out rates are economic status and dissatisfaction with the school."

Smith said that all parents should be concerned with these problems and see that schools meet the needs of the youth today. "There are some solutions to the drop out problems and we should give careful consideration to these and other solutions immediately." The solutions proposed by Smith, who has spent the past year studying the problems, are increasing the size of the schools, more varied curriculum offering, and adequate physical facilities.

Following the speech, a social hour was enjoyed by the PTA members in the school lunch room. Each was presented a membership card and yearbook. Mrs. McBane's sixth and seventh grades won the attendance award.

STEW SUPPER
The women of Orange Church, on the Airport Road, Chapel Hill, will serve a Brunswick stew and chicken stew supper on Saturday evening Oct. 21 at 6:30 for the benefit of the Women's Society of Christian Service.

New Bank Request Denied

Stone Not To Seek Reelection To Post

Hillsboro — Jerry B. Stone, solicitor of the Orange County Recorder's Court, said yesterday he would not seek reelection to the post he has held for two years.

Stone's term ends on December 1. The position is an appointive one by the Board of County Commissioners.

Stone said his decision not to seek the post for another term was made to enable him to devote more time to his law practice in Hillsboro.

Two men have been mentioned as possible successors to Stone, both Chapel Hill attorneys. They are John Q. LeGrand, who several months ago moved to Chapel Hill from Wilmington, and William Stewart, who hung out his shingle only a few weeks ago following his admittance to the bar.

LeGrand is said to be interested in the post and reportedly has the backing of a number of influential citizens in his behalf. Stewart is the son-in-law of Chancellor Robert B. House of the University.

SERVICE STATION ROBBED
Hillsboro — Thieves broke into the service station operated by Bunn Turner on Highway 70 near here Tuesday night. A quantity of cigarettes, cigars and other merchandise was taken.
