Construction Begins On Duke Hospital Projects

Durham — Duke University is launching a \$5,500,000 building program for 1951-52. Six new projects are either now under construction or are in the planning stage: (Top left), the Elizabeth P. Hanes Nurses Home, \$850,000; (Top right), A Nuclear Research Addition to the Physics Building, \$265,000; (Lower left), Men's graduate dormitory, \$1,540,000; (Lower right), Cancer and Heart Research wing to the Medical Research Building, \$300,000; (Center), is being cleared for a proposed Classroom and Administration Building, \$2,000,000. Sixth project is a \$300,000 addition to the university boiler plant. Only the classroom building and graduate dormitory are being built under Duke's \$12,000,000 development program. The other projects are financed by gifts from private individuals or special grants.

All Rent Control Lifted In County

Hillsboro — Rent controls in Orange County were unanimously voted out of existence here Monday by the Board of County Commissioners.

The action followed an official public hearing at which only two persons appeared to present their views. Ernest Lockhart supported the group's proposed action, while Orange County Veterans Service Officer Walter G. Wren declared he felt the controls should be continued.

Board Chairman Collier Cobb Jr. declared he had heard almost no other comments either for or against lifting the rent curbs. The action will become final on its approval by the Office of the Housing Expediter in Washington.

All of Orange County went under rent control at the same time during World War II. The Town of Chapel Hill killed its controls last Dec. 11 following a similar public hearing.

At that time Orange County Rent Advisory Board Chairman H. R. Totten said he felt controls

in the rest of the County had been continued only because of the previous housing shortage in Chapel Hill.

Central Home Ec Teacher Holding Adult Classes

Hillsboro — Classes, under the supervision of Miss B. A. Pretty, are being held in the Home Economics Department at Central High School on Monday from six to eight P. M. and at Efland Graded School on Tuesday, from six to eight P. M.

The classes, which will consist of lamp making, decorating materials, needle crafts, and dress making, will continue from July 23 until September 3.

Many will be surprised to find how attractive a lamp made from an old stone jar, bath salts bottle, large candy jar, and many more discarded bottles, wood and glass, can be decorated. Pillow cases, curtains, dish towels, etc. are also decorated.

The Home Economics Department will be opened for individual projects any time upon request. Time that isn't spent for individual project work and adult classes will be used for home visits, planning yearly program of work and for professional growth.

Next Speaker

Carrboro Minister In Outdoor Series

Carrboro — The Rev. Troy E. Jones of the Carrboro Baptist Church will be the speaker at the summer out door service next Sunday evening, July 29th, at 8 o'clock at the Lion's Baseball Park in Carrboro.

Mr. Jones is the first Carrboro minister to speak at these services since they began July 8th. A good attendance for the unique services continues and it is expected that a large number will be present next Sunday evening.

These are joint services for all churches in this area.

Patrolman T. P. Hoffer Is Transferred To Pinetop After 12 Years In Hillsboro

Hillsboro — Highway Patrolman T. P. Hoffer, who has served this area with headquarters here for the past 12 years, has been transferred to Pinetop in Edgecombe County, effective August 1.

He will be succeeded by T. P. Smith, who is now assigned to the Durham highway patrol office. The new patrolman in Hillsboro will be joined by still another member of the patrol within the next few weeks, bringing to five the number of patrolmen assigned to work in this county. Two men are now stationed at Chapel Hill and one at Efland.

In a statement addressed to "the people of Orange County," Hoffer had this to say yesterday: "I wish to take this opportunity to express my appreciation for the kindnesses and cooperation that

you have shown me during my stay in your county. I have tried to serve the people of the county and State to the best of my ability in a fair and impartial way. I shall continue to retain a great interest in Orange County and all of its citizens. I solicit your continued cooperation and support for my successor."

During his tenure here Hoffer was married to the former Miss Bessie Efland of Efland. They have one small daughter, Carolyn. They expect to move to their new home tomorrow.

The Hoffer home located on King Street next to the Colonial Inn has been rented by N. G. Sawyer, local lumber dealer.

Patrolman Smith is expected to move his wife and one child to Hillsboro soon after he assumes his duties.

Aldermen Move Against Curve Inn Set Public Hearing On August 13

Chapel Hill — In a strongly worded bill of particulars, the Board of Aldermen went into action Monday night against the defiant owners of the Curve Inn and issued formal notification to them of a public hearing on the question of a privilege license and beer permit to be held on August 13.

The resolution, taking note of the action of Dr. S. A. Nathan in ignoring their previous revocation of the permit allowing renovation of the drive-in, the board said it considered the "expansion" of the old Curve Inn building clearly in conflict with the spirit and letter of the Chapel Hill Zoning ordinances. It cited "a serious disturbance and a near free-for-all fight and riot" which allegedly occurred at the place on July 13.

The board said it considered the whole Curve Inn, areas both inside and outside of the actual town limits, to be "clearly detri-

mental to the homes of residents of the section adjacent, a common nuisance to these residents and value to those who patronize it.

It declared the beer permit previously issued to Edwin E. Johnson null and void inasmuch as he had not opened for business and issued formal notification to Nathan and Johnson by name and any other interested parties that the board will consider the question of a privilege license and beer permit for Edwin E. Johnson for use at Curve Inn on August 13.

The Board approved the formal resolution authorizing the issuance of \$6,000 in sewer bonds to enlarge the sewer system, and agreed to pay 1 1/2 percent of police officers' pay into the Law Enforcement Officers Retirement Fund inasmuch as these employees could not come under social security along with other municipal employees.

Hillsboro — Residents of the Cedar Grove community want their Aycock School gymnasium completed now and Monday offered to lend the County Commissioners money to do the job.

Zeb C. Burton and John Hawkins made the offer as a delegation from the community under the stipulation that the Board would agree to budget the required expenditure in next year's budget.

When bids were opened for the school project last week, they exceeded the available money by \$7,236.80, including architects fees. The building had been allotted \$82,500 under the bond issue program. An additional \$1,624.80 would be needed to complete the building without heat if an additional \$24,80 could be found.

However, the committee felt the building would be of little value without these items. To go on with construction and get the building completed now they proposed to raise lend the county the required amount.

The Commissioners expressed sympathy for the project but expressed some doubt as to the legality of such a loan, or commitment of funds for a future year.

The delegation was requested to present their problem to the Board of Education and get some recommendation from that body prior to next month's regular meeting of the Commissioners when the matter will be taken up again.

Low bids for the project ran to \$66,416 and architects fees an additional \$3,280.80.

Former Efland Man Is Named To School Post

Efland — D. Wayne Taylor, 24-year old son of Mr. and Mrs. E. S. Taylor of Efland, was recently elected as assistant Superintendent of Rockingham County schools.

Young Taylor graduated with the class of '43 from the former Efland High School and from Elon College with the class of '47. Since that time he has been principal of Sadler School near Reidsville.

On July 20, he completed his work for his Masters-degree from the University of North Carolina. His wife, the former Tessie Zimmerman, who is also a graduate of Elon, will teach at the Reidsville City school next term.

Students Seeking Deferments Should Notify Board

Hillsboro — Selective service registrants seeking student deferments should make sure the local draft board has been notified of their acceptance for college training, according to local officials.

The college or university accepting the student must supply the selective service boards with Form 109 showing such acceptance. The local board must have the form before it can consider deferments based on the recent college aptitude examinations.

Student registrants should act at once as draft boards are expected to complete all student classifications by August 20.

Registrants may check with the local draft office to find out if the form has been received. Registrants planning to transfer from one institution to another must have Forms 109 from their institution. The position pays \$2,040 People's class for the past 10 years

Homecoming At Union Grove

The Union Grove Methodist Church is having its annual Homecoming Sunday. The morning service begins at 11:00.

The Rev. Jesse Minnis, a visiting missionary from India, and formerly from the Union Grove Community will be the morning speaker. After dinner there will be an afternoon service. All friends and former members are invited to come and bring a picnic lunch.

Speeders Get Judge's Mercy Lowered Fines

Hillsboro — Speeding on the highways took on a lighter hue in Orange County Recorder's Court this week and two youths who got heavy fines and suspended sentences last week came back for mercy this week and got it from Judge L. J. Phipps.

Fines of \$100 each imposed on Latham W. Philips and Alfred Dodson were cut in half after Attorney A. H. Graham appearing for Phelps asked for a re-hearing. Over the protest of Prosecuting Attorney John Q. LeGrand who objected on statutory grounds to the reopening of criminal cases after the adjournment, the judge allowed pleas of nolo contendere to reckless driving charges and reduced the fine to \$50 each.

Last week the pair pled guilty to speeding 85 miles per hour, a crime which would automatically cost them their driver's license for a period of time. The solicitor sought to postpone the rehearing to allow the arresting highway patrolman to appear again on the stand but the request was denied.

The record: Charles James Florence, reckless driving and failing to stop for stop sign, \$10 and costs; Thomas William Austin, no operators license, \$25 and costs; Alton Cecil Whitaker, public drunkenness, costs; Mayor P. Stevens, public drunkenness, costs; Arnold R. Williams, speeding, \$15 and costs; Henry Riggins, public drunkenness, costs; Will Cotton, illegal possession non tax paid whiskey, six months jail sentence suspended and fine of \$150 and costs; Albert Dodson, 30 day suspended jail sentence for public drunkenness ordered into effect; Morris Terry, drunken driving, \$100 and costs; Roland Hobgood, public drunkenness, costs; Roland Hobgood, failing to stop for stop sign, \$10 and costs; Jimmy Bennett, reckless driving, \$50 and costs; William Long Jr., falling to dim lights, \$10 and costs; Robert Hamilton, assault, \$5 and costs; William Clyde Darnell Jr., reckless driving, \$50 and costs; John Nordan, trespass, \$5 and costs; W. Rudolph Nordan, drunken driving, not guilty; James Henderson, assault, not guilty; Robert Smith Gilmore, speeding, \$10 and costs.

\$18,000 STREET FUND

Chapel Hill — The Town of Chapel Hill will receive \$18,000 under the Powell Bill for use on municipal streets, Town Manager Tom Rose has reported.

Hidden Hills Matter Tabled

Chapel Hill — The petition to annex the suburban section known as Hidden Hills to the Town of Chapel Hill has been tabled temporarily.

The petition for annexation, first presented a year ago, was renewed at the last meeting of the Board of Aldermen and Town Manager Tom Rose was requested to secure necessary data to aid the aldermen in making a decision.

Rose told the Board real and personal property located within the proposed area to be annexed was valued at \$69,500 and would produce annually only \$990 in ad valorem taxes at the current rate plus about \$25 in poll and dog taxes. Estimated municipal services would cost approximately \$2,000 per year.

Mrs. Irene Pender Named Supervisor For Elementary Schools Of County

Hillsboro — Mrs. Irene Oliver Pender, a native of the Cedar Grove community and a teacher in the Aycock School, has been selected to succeed Miss Cora Paul Bomar as county supervisor of Elementary Schools.

Superintendent G. Paul Carr said she would begin her duties on August 15. Miss Bomar, who was the first incumbent in the supervisory position in this county, resigned in June to become a library consultant with the State Department of Public Instruction.

Mrs. Pender has had a varied educational experience to bring to her new post. She received both her A. B. and M. A. degrees from the University of North Carolina, has a diploma in Religious Education from Elon College and has taken special studies at Duke University and N. C. State College.

She has had a number of years experience in all grades of the

elementary school and has also served as principal of an elementary school for two years prior to her nineteen year tenure as a teacher at Aycock. She has also taught social sciences and health in high school, given private piano lessons and assisted in Glee Club work.

Mrs. Pender is a member of the North Carolina Education Association, National Education Association, North Carolina Association for Health, Physical Education and Recreation. She is a former president of the Orange County Chapter of the NCEA and for two years headed the Orange County unit of the Classroom Teachers Association. Active in church work, she is a member of the Cedar Grove Methodist Church, has taught the Young People's class for the past 10 years and at one time served as superintendent of the Youth Fellowship Division of the Methodist Church.
