

Hillsboro Social and Personal

Fourth Birthday
 Birthday party was held on Saturday for Tommy Burns, who is four years old on Feb. 29, 1952.

Stories were told by the honoree's mother and games were played by all. The guests were then invited to an attractive table and Tommy blew out the candles on his cake. Ice cream, cake, suckers and balloons were given to each guest.

Those attending were: Sherry Smith, Linda Crawford, Beverly Bivins, Jean Bivins, Kenneth Ray, Don Turner, Warren Pope, Jimmy Allred, Andrew Brown, Geraldine Murray and the honoree, Tommy Burns.

In May Court

Church Announces Series Of Events

Saturday night, March 8, will begin several weeks of unusual services at the W. Hillsboro Church of God.

On this night the Durham District Youth Convention will convene with Rev. E. C. Thomas, the State Youth Superintendent in charge. There also will be a number of children from the home and Orphanage near Kannapolis, N. C. These children, under the supervision of Rev. C. H. Rochester, will sing during this service.

Sunday afternoon the community sing will take place, with singers from far and near.

Sunday night will be the first service of a revival, beginning with Evangelist Bessie Puckett. Evangelist Puckett is an outstanding preacher well known throughout the Church of God in the southern states. These services will be every night for several weeks.

WE HAVE FERMATE®

The Best Way To Prevent TOBACCO BLUE MOLD

Growers agree that "Fermate" fungicide is the cheapest, most effective preventive for tobacco blue mold in the plant bed. Here's what "Fermate" can do for you:

- Prevents blue mold from getting a start.
- If blue mold does get started before "Fermate" is used, it prevents the spread of this disease.
- Gives you sturdier, healthier plants, and more of them.
- Plants from "Fermate" treated beds make quick, even growth after transplanting.
- Easy to use; as dust or spray.
