**MEET GRAHAM TOMORROW**—Hillsboro High School's football Wildcats will climax their most successful season in recent years to-  
morrow night when they meet league-leading Graham at 8 o'clock at  
Graham Athletic Park. Hillsboro is currently in third place in the  
conference with a 5-2 record as against Graham's six victories and no  
defeats in the District 3, Class AA conference race. Shown above are

Pittman.

## Agriculture Dept. Declares County Is A Disaster Area

**Second Straight Year Orange Farmers  
May Obtain Feed Under Emergency Plan**

The Department of Agriculture has announced that Alamance  
County has once again been designated a Drought Disaster Area.

This will be the second consecutive year that county farmers may  
obtain feed under the emergency  
program for their livestock at  
special prices.

## Fire District Vote Deferred For New Board

The people of the Chapel Hill  
suburban areas who have peti-  
tioned for formation of a fire pro-  
tection tax district must await the  
formation of the new Board of  
Commissioners before securing  
definite action on the calling of  
the requested referendum.

A tax not to exceed 10c per \$100  
valuation was proposed by the  
group sponsoring the petitions  
which were signed by more than  
half of the 400 land owners in the  
areas to be covered. A total of  
3,700 people live in the proposed  
district comprising the suburban  
areas of Chapel Hill.

The Rev. R. C. Masterton, a re-  
sident of Whitehead Circle, one of  
the chief sponsors of the movement,  
and Attorney E. B. Denny appear-  
ed before the board at the Mon-  
day meeting to press for action  
on the plan. They talked to Com-  
missioners R. J. M. Hobbs and  
Sim Efland. Chairman R. O. For-  
rest was out of town and not in  
attendance.

Board members pointed out it  
would take two years of tax col-  
lections or more before sufficient  
funds were available to equip a  
fire department adequate to pro-  
tect the area. These and other  
problems incident to the project  
were discussed during the lengthy  
conference.

Mrs. R. E. Bolton, Mrs. E. C.  
Lindsey, Mrs. F. K. Nunn and Da-  
vid McCauley appeared before the  
board to complain about property  
valuations, but were told the next  
meeting of the Board of Equaliza-  
tion would be next March. A let-  
ter from Mebane Lumber Com-  
pany was presented giving notice  
that that firm is taking its com-  
plaint to the State Board of As-  
sessment in an appeal from the  
local Board's ruling.

## FUND TOTALS \$1,067

The Boy Scout Fund campaign  
in Hillsboro with 98 percent of  
the reports of solicitors in now  
totals \$1,067, according to drive  
Chairman Ira Ward.

When all reports are in, Ward  
said this year's drive may go over  
last year's most successful event.

## State Finally Approves New School Plans

The Orange County Board of  
Education has finally received  
approval of the State Department  
of Schoolhouse Planning on plans  
for the new Cameron Park School  
and set December 14 as the day  
for opening bids.

The state department's latest  
request in a long list of things  
which it has questioned since the  
first submission of plans for the  
proposed school included changes  
in the size of halls and increases  
in the size of rooms. These changes  
are being made by the archi-  
tect.

"I've never seen so many things  
come up in the construction of  
a building before," declared Su-  
perintendent G. Paul Carr.

Carr reported to the Board that  
he planned to have the school of-  
fices moved into the old court-  
house by December 1, and report-  
ed on plans for slight renovations,  
including scraping off a layer of  
paint on some walls, repainting.

(See SCHOOL PLANS, Page 8)

## Ransom Joins A. H. Graham In Law Firm

A. H. Graham announced this  
week that Paul J. Ransom became  
associated with him in the general  
practice of law under the firm  
name of Graham & Ransom on  
November 1, 1954.

Mr. Ransom received his under-  
graduate and legal education at  
the University of North Carolina  
at Chapel Hill, where he graduated  
with the A. B. degree in 1922 and  
from the Law School in 1927.

Following his graduation from  
Law School he became associated  
with Bridges & Orr at Charlotte,  
N. C. in the spring of 1927. In  
February, 1928 he returned to Ca-  
pel Hill to practice law with his

## Orange Mystery Farm of the Week—No. 11

## Who Owns This Mystery Farm?

**IDENTIFY THIS "MYSTERY FARM"** first and you will receive a free subscription to The News of  
Orange County. Considerable interest has been shown in this feature series and a number of people are  
calling each week with their identifications. Often they are right, sometimes they are wrong. So, join  
the game. Read page 4 of today's issue for the identification of last week's "Mystery Farm." The own-  
er of the farm pictured above is asked to come by The News as soon as possible and receive a beau-  
tiful mounted photo of the picture above, courtesy of the Durham Bank and Trust Company and this  
newspaper.

## Democrats Win Easy Victories In Orange

|                   |       |
|-------------------|-------|
| Carl T. Durham    | 2,841 |
| Rufus K. Hayworth | 584   |

## 30th Division Unit For Area Endorsed

It appeared likely this week  
that Chapel Hill will become the  
home of the Medical Battalion of  
the 30th Division of the National  
Guard when the unit is activated.

A good cross-section of more  
than 100 political, civic, business  
and professional leaders of the  
town and county, meeting here  
Monday night at the call of Mayor  
Edwin S. Lanier, voted unani-  
mously to recommend to the  
county commissioners and to the  
boards of aldermen of Chapel Hill,  
Hillsboro and Carrboro that the  
Medical Battalion be invited to  
make its headquarters in the uni-  
versity town. One of the three  
companies might be located in  
Hillsboro.

If the invitation is extended, as  
is expected, the town and county  
will be asked to provide a tem-  
porary building and to meet cer-  
tain incidental expenses, such as  
water, heat and light, until an  
armory can be obtained. Cost of  
these items was estimated at \$1,  
000.

The armory, which could also  
be used as a community center,  
would be built at joint Federal-  
State expense, 75 per cent Fed-  
eral and 25 per cent State.

It might be a year or more be-  
fore the armory could be author-  
ized, but Congressman Carl Dur-  
ham and State Rep. John W. Um-  
stead, who endorsed the proposal,  
said they would do everything  
possible to expedite plans for the  
new building.

Present at the meeting were  
Maj. Gen. Claude Bowers of War-  
renton, commander of the 30th Di-  
vision which recently became an  
entirely North Carolina outfit with  
92 units and others to be added;  
his chief administrative assistant,  
Col. C. B. Shimer; and Col.  
Thomas Longest, who represented  
State Adjutant General John Hall  
Manning.

Fully activated, the Medical  
Battalion, which is designed to  
serve the entire 30th Division in  
North Carolina, will have a com-  
plement of 273 officers and enlist-  
ed men with a total payroll of  
\$60,000 annually.

The personnel needed before  
the unit can function will be 12  
officers, including the command-

ing officer, and 24 enlisted men  
to staff the Medical Battalion.  
However, must be doubled.

Within the Medical Battalion,  
there will be three companies  
headquarters, clearing and am-  
bulance. These can be activated  
later one at a time. Headquar-  
ters will take seven officers and  
six enlisted men, clearing with  
four officers and 11 enlisted men,  
and ambulance with one officer  
and seven enlisted men.

Fully manned the battalion will  
include 45 officers, two warrant  
officers, and 26 enlisted men in  
the Medical Battalion.

Of this total 26 officers, two  
warrant officers, and 57 enlisted  
men will be in the Headquarters  
Company, 15 officers and 101 en-  
listed men in the Clearing Com-  
pany, and four officers and 68 en-  
listed men in the Ambulance  
Company.

General Bowers said he was  
"particularly anxious" to activate  
the unit in Chapel Hill where it  
would be convenient for doctors  
from the University Medical  
School and hospital and Duke and  
Watts Hospitals to attend meet-  
ings. In addition, he said the large  
number of students at Chapel Hill  
could help fill the ranks.

At present many UNC students  
are taking their weekly drills at  
Durham and in Raleigh. All of  
these, the general said, could get  
transfers to the Chapel Hill unit.

## 4-H ACHIEVEMENT NIGHT

A county 4-H Achievement Night  
will be held on Tuesday, Novem-  
ber 9, at 7:30 o'clock in the new  
Courthouse in Hillsboro. At that  
time, county winners will be named  
and certificates awarded.

Nancy Pritchett, International  
Farm Youth Exchange delegate to  
Germany in 1952, will speak and  
show slides that were made in  
Germany.

Refreshments are to be served  
to those attending in the Home  
Agents office after the program.
