D BREWER'S Raleigh Roundup

GOING! . . . A Senator Kerr Scott was going to be elected in 1960 by the voters. The reason, they fear, was that the general election was in the last week of the year. Last week attending a democratic pow-wow, he decided to do all they could to get way to running!

ROUND . . . Luther was to be pressing up today. We doubt, as he said before, that he would be in the U. S. Senate in 1960.

Doesn't perform . . . On the other hand, the question Kerr Scott asked is: "Does he perform?"

to be trying to . . . get on higher ground, and a place in the Administration in 1961.

It looks like smooth . . . Kerr Scott in '60.

James Davis Will Address Garden Club

James Davis, of the University Florist Shop, Chapel Hill, will be the speaker for the October meeting of the Hillsboro Garden Club in the home of Mrs. J. W. Richmond, Thursday afternoon, Oct. 3 at 3:30 o'clock.

His topic will be "Church Arrangements." Davis is a talented member of his profession and is remembered for the artistic and practical help he gave the club members when he spoke on this subject several years ago.

The program has been arranged by the Horticulture committee. Mrs. G. Paul Carr, chairman. Mrs. Fred Blake is Club president.

Cameron Park Fathers Asked To Meet Friday

Announcement was made today that the fathers of pupils of the new Cameron Park School have been invited to meet at the school this Friday night at 7:30 o'clock.

The meeting has been called to investigate the needs of the school for equipment and supplies used in the program of education. According to the letter of announcement "Cameron Park has but little of the equipment recommended for better education. Other schools have been able to accumulate these things. We are faced with just beginning."

The announcement further noted that the meeting "is not to form an organization destined to meet again and again. What is before us is action that can be accomplished without additional meetings."

The effort to attend to this part of the work of the school resulted from the interest of a number of the fathers who expressed a desire to boost the school through this type of service at the end of the last school year.

The Rev. C. H. Reckard will serve as chairman of the meeting which will feature introduction of the new principal, Mr. Ted Shoaf.

IN ALASKA
LADD AIR FORCE BASE, ALASKA (AHTNC)—Army Sgt. Robert H. Richards, 27 son of Mr. and Mrs. William Richards, Route 1, Effland, recently arrived in Alaska for duty with Headquarters Company of the 9th Infantry at Ladd Air Force Base.

Additional Incentives Being Offered Farmers In 1958 Soil Bank Program

Additional incentives are being offered farmers under the 1958 Conservation Reserve Program to divert more land to Conservation uses. W. M. Snipes, Chairman of the Orange County Agricultural Stabilization and Conservation Committee, has announced. The sign-up period for the new program is expected to start in early October.

Under the Conservation Reserve—the longtime phase of the Soil Bank, farmers contract to divert general cropland to soil, water, forestry, and wildlife conservation practices for periods of 3, 5, or 10 years. In return, farmers receive two types of payments on the diverted acreage: (1) a cost-sharing payment (up to 80 percent) the year they apply a conservation measure, and (2) annual per-acre rental pay-

20 Accept Boy Scout Drive Jobs

Twenty prominent local citizens have accepted positions of leadership in connection with the forthcoming Boy Scouts of America one-day fund raising campaign to be held here on October 8.

According to E. J. Hamlin, community chairman, Sidney Green will serve as Advance Gifts Chairman, C. D. Jones as Prospects and Rating Chairman, G. Paul Carr as Breakfast Arrangements Chairman, E. Wilson Cole as Audit Chairman, while the following will act as Captains for the one-day solicitation:

Odell Clayton, the Rev. C. H. Reckard, Clarence Mangum, H. Ted Smith, Don Matheson, Betty June Hayes, Quentin Patterson, Elizabeth Collins, Robert Copeland, Walter Wrenn, Lloyd Noell, the Rev. James Taylor, Marion Allison, Joe Hughes and Marshall Cates Jr.

As heretofore, a Kickoff Breakfast on the morning of Tuesday, October 8, which some 75 workers are expected to attend, will open the drive and every effort will be made to close the drive in one day.

The annual finance drive makes possible the multiple program opportunities for the boys of the community and Oconeechee council in a movement which has demonstrated for more than 47 years that it can attract youth to ideals of good citizenship and good character.

Separate campaigns are being conducted in other communities of Orange County, which has noted solid advancement in Scouting throughout the past few years as active troops have exerted their influence in all parts of the county.

Case Against College Being Tried In Court

The plaintiff continued on the stand yesterday in the three-day trial of the civil action brought by Mr. and Mrs. Christopher Thomas against the president and trustees of Catawba College.

With the exception of the appearance of one other witness, who testified only briefly relative to the contract, the plaintiff, Mr. Thomas, has been the only witness in the long drawn-out proceedings brought by the Thomases against the college for what they allege to be wrongful dismissal from their jobs on the college faculty and breach of contract.

Thomas's testimony is punctuated by long arguments of opposing counsel with the jury out of earshot as result of Judge Clawson Williams' ruling that evidence relative to the faculty hearing in the case was not admissible evidence before the jury. Whenever a question is asked on this phase of the case, the objection of the defendants' attorneys is sustained, the jury withdrawn and legal arguments flow. Considerable time was also consumed in arguments over the issues allowed in the case.

Orange Community Wins Second Place Second Year In N. C. Grange Contest

Buckhorn Grange in western Orange County for the second straight year has been selected second place winner in the State Grange Community Service Contest.

The second place award, although greatly appreciated, dashed the Orange County community's hopes for first place in the State and a chance at the National Community Service top award in the contest sponsored by the Grange and the Sears Roebuck Foundation; with its first prize of \$10,000.

Miss McCauley 'Woman Of Year'

Miss Maude McCauley, a teacher at the Cameron Park School, was named "Woman of the Year" by Hillsboro Business and Professional Women's Club at a dinner meeting in the Colonial Inn last night.

Miss McCauley, who has been teaching for around 37 years, has been very active in the local BPW Club and has never missed a local club meeting, District meeting, Mid-year Council meeting or a State meeting. She was Club president last year. In August she attended the National meeting held in Alabama and her picture appears on the front cover of Tar

heel Women this month with a group of North Carolina women attending this meeting.

The announcement of her honor came as a complete surprise to Miss McCauley when Mrs. Wilson Cole, chairman of the Public Affairs committee, made the following announcement:

"Tonight, we are recognizing one of our most distinguished women, who in the past and present, has been very outstanding and influential in her field of work."

"In her role as a veteran teacher, she has exercised much influence in helping to form the character of many of our citizens. Her activities are so numerous that I need not elaborate. We, as members of our organization, know and appreciate her attendance, her support and her faith in our club. On behalf of the BPW Club, we would like to recognize and to pay our respect to our "Woman of the Year," Miss Maude McCauley."

The recognition of Miss McCauley was awarded by vote of the membership for her long and remarkable service to the community and will be one of the features of this week's celebration of BPW Club Week, proclaimed by Mayor Ben Johnston.

The Hillsboro Business and Professional Women's Club is in its fifth year of activity. Various professions are represented among the members. There are teachers, secretaries, accountants and bookkeepers, social workers, nurses, newspaper reporter, home demonstration agent, office manager and all farmers.

gigantic Health Fair, first such program ever sponsored by a Grange and the first ever held in this section of North Carolina. It attracted some 400 people and featured some 46 exhibits and six demonstrations to inform and alert citizens of the county to specific health and safety hazards.

In achieving its program the Buckhorn Grange used visual aids liberally, showing 116 movies during the year as an educational and informative device in a Movie Project, which was tied in such other projects for community betterment

as forestry, health, fire control, international relations, increasing community income and improving religious life.

Also major factors during the year was the completion of the fine new community building, the seeding of road banks for three miles and the construction of six miles of roads under Grange impetus. The community also won a Superior Results Award in the Finer Farms Contest and was active in the formation of a Juvenile Grange program.

Man rescued in suicide attempt . . .

Man Is Rescued In Suicide Attempt

Frank Robinson of the Schley community narrowly escaped death in an apparent suicide attempt about 2 o'clock Sunday morning, but has now recovered.

When Claiborne Wilkerson heard a continuous horn blowing about 300 yards from his home in the early morning hours he went to investigate and found Robinson slumped over his steering wheel with a tube from his exhaust pipe running into the closed car. Wilkerson pulled him from the automobile and he was thought dead when the Sheriff's office and an ambulance were called. He was carried to Duke Hospital and later revived.

No statement has been made public relative to Robinson's reason for the attempt, according to officers.

Baptists Say 'Thank You' To Maddrys

A formal expression of appreciation on behalf of the congregation of the First Baptist Church here was presented to Dr. and Mrs. Charles E. Maddry at the services last Sunday.

The resolution was read in the Maddry's presence by Mr. Henry Walker, elder of the church, and was as follows:

"In formally accepting the resignation of Dr. Charles E. Maddry as Pastor, The First Baptist Church of Hillsboro, North Carolina wishes to express heartfelt appreciation to Dr. Maddry for his untiring and consecrated work while pastor of this church.

As forestry, health, fire control, international relations, increasing community income and improving religious life.

Also major factors during the year was the completion of the fine new community building, the seeding of road banks for three miles and the construction of six miles of roads under Grange impetus. The community also won a Superior Results Award in the Finer Farms Contest and was active in the formation of a Juvenile Grange program.

Watkins, Cates To Head Scout Troop Here

Allen Watkins has been named Scoutmaster and Fred Cates assistant Scoutmaster of the Hillsboro Troop No. 438.

Activity of the troop has been sharply curtailed since the resignation of Scoutmaster Donnie Whitaker and his departure for a new position in Boston, Mass., about a month ago. With the acceptance of the leadership assignment by Watkins and Cates, the Scouting program locally is expected to resume at full speed.

Announcement of the appointment of the new Scout leaders was made Tuesday night by the Lions Troop Committee at the meeting of the Hillsboro Lions Club, which (See SCOUTMASTERS, Page 8)

Board Will Discuss Home For Principal

A new policy in connection with the provision of homes for principals at rural schools of the county may be the outcome of a meeting to be held by the Board of Education next Tuesday night.

Members of the Aycock school committee and community leaders have requested a meeting with the Board in order to discuss the possibility of providing a home for the Principal in that community. The situation has arisen as result of the announcement by the owner, Haffis Pope, that the residence made available to the principal near the school on a rental basis for a number of years is now needed for other purposes.

Merchants' New Chief Is Brewer

W. C. Brewer, of Brewer's Appliances, has been elected new president of the Hillsboro Merchants Association, succeeding John Couch.

Frank Walker of Walker's Oil Company has been elected vice president and Mrs. Cashe Boggs, Women's Editor of the News of Orange County, has been named recording secretary.

A sign will shortly be put up in the new office of the Merchants Association and Credit Bureau.

C. D. Jones, Chairman of trade promotion committee, announces there will be a drive conducted for the payment of the Christmas lights shortly. It is hoped that the total amount of around \$750 will be raised before the lights are put up. Anyone desiring to give towards them are asked to either get in touch with Mr. Jones or Mrs. Odell Dawkins, secretary of the Association.

Mrs. Dawkins reminds merchants to have all solicitors for money or gifts to show a letter of approval from the Association before giving. Aycock School has been given approval for such solicitation for its annual.

Sen. Lanier Will Address YDC Friday

State Senator Edwin S. Lanier will be the principal speaker at the annual meeting of the Orange County Young Democrats to be held at Colonial Inn in Hillsboro tomorrow night at 7 o'clock.

The occasion will be a dutch dinner affair and a cordial invitation has been extended to all interested men and women to attend. Persons who expect to attend are urged to contact either Miss Betty June Hayes in Hillsboro or C. B. Hodson in Chapel Hill in order that dinner arrangements can be made.

Principal business of the meeting, according to YDC President Bob Windsor of Chapel Hill, is the annual general election of officers for the county organization and the drafting of plans for a delegation to attend the State YDC convention at Southern Pines next month.

Senator Lanier, a former County Commissioner and Mayor of Chapel Hill, served his first term as the representative of Orange and Alamance counties in the 1957 session of the General Assembly.

SCOUTS ATTENTION

Local Boy Scouts who wish to attend Saturday's football game between UNC and Clemson at Chapel Hill should meet the new scoutmasters Allen Watkins and Fred Cates in uniform on the porch of the old courthouse at 11 a.m. Saturday morning, when transportation and entrance to the game will be provided.

GOP RALLY FRIDAY

A Republican party rally is scheduled for tomorrow night at 7:30 o'clock at the Carrboro Civic Club building at the rear of the Carrboro Elementary School. E. L. Gavin of Sanford will be the principal speaker.

There are no other available homes for rent in the community.

School officials say it is a problem which is frequently prevalent in rural communities where rental residences are not readily available.

Last year, the Orange County Board of Education purchased a lot across from the Aycock School for \$500 as a possible site for a principal's home and \$10,000 was placed in the budget for possible use for this purpose, but this was later removed in the face of more pressing needs. Should such a building be built it would be rented to the principal at rates comparable to commercial rentals.
