

**A BLOW FOR SOBRIETY**—That's what Patrolman Mann Norric is about to strike in the picture above. The scene is a still in the Sourwood section of Cedar Grove township, captured last week by combined law enforcement agencies of Orange and Alamance counties. Sheriff Odell Clayton said there was evidence that 800 gallons of mash had already been run and 1,200 more gallons were in boxes similar to those above ready to be made into white liquor. The Orange County Sheriff's Department continued its battle against the liquor traffic again this week with the capture of still another outfit in operation in Little River township on Sunday. The operators apparently heard the officers approaching through the heavy woods and made good their escape. In addition to destroying the outfit and several hundred gallons of mash, a case of whiskey just made apparently cached in the woods near the entrance for pickup was found, making this operation a total loss for the owners, except for neat gettaway.

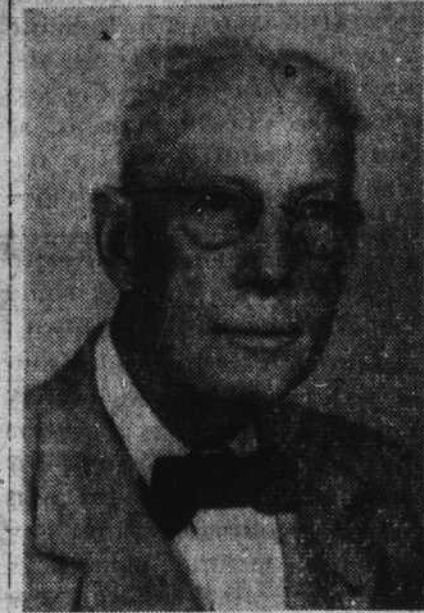

## Plan For Reverie Firm To Resume Operations To Be Aired Tomorrow

### Annual Leaf Meeting Set In December

The Annual Orange County tobacco meeting will be held at Aycock School, December 18th, at 7:30 o'clock.

S. N. Hawks, Extension Tobacco Specialist, and other representatives from the Experiment Station, will give details on the new disease resistant varieties, insect, and disease control measures, and other timely information. Tobacco farmers are trying to find out all they can about new varieties before they make a decision on which variety to plant.

The County Agent's office has figures on yield, disease resistance, and total money received, on most varieties of tobacco. These figures are available to all farmers. Members of the staff will be glad to go over these tests with any individuals before the county tobacco meeting.

**OBSERVES BIRTHDAY**—One of Hillsboro's "grand young men" of this or any other century observed his 89th birthday last Friday. Mr. Shepherd Strudwick, one-time postmaster, ardent churchman, wood carver deluxe, said no special occasion would be made of the day as he visited his usual haunts in downtown Hillsboro. Friends in the Corner Drug sang "Happy Birthday" and elsewhere he was greeted with similar affection.

### Local Financing For Building To Be Asked

A proposed development program under which Reverie Lingerie Company may resume local operations and eventually expand into a sizeable industry will be outlined to local business and civic leaders here tomorrow night.

The plan, which calls for the immediate resumption of limited manufacturing operations in the sewing plant established by Bobby Roberts and others in the Midway Building Supply plant west of Efland, the quick expansion of that building by an additional 1,800 feet, and the eventual construction of a permanent manufacturing plant by local interests in cooperation with the Reverie management and the State Business Development Corporation, will be outlined by Don S. Matheson, chairman of the Orange County Industrial and Agricultural Development Commission.

The meeting will be held at 7:30 o'clock at the courthouse and invitations are being extended to local business and professional men, civic club members and others who might be interested in the resumption of the operations of Reverie and the resultant return of the payroll lost when the company's plant was destroyed by fire on September 27.

The Reverie management has sought community participation in the development of adequate financing for the enterprise on a lease-purchase basis since shortly after the establishment of the firm here two years ago. Negotiations were suspended early last Spring when about half of the company's employees went on a strike which came to an end only within the past two weeks when the Union stopped paying the strikers. The negotiations between the company and the local Development Commission were recently resumed, tomorrow's meeting climaxing the preliminary stages of these talks.

Under the plan which will be presented to the local leaders, manufacturing would be resumed almost immediately using the idle equipment and building of Roberts west of Efland. An additional 1,800 square feet will be added to the present 5,000 square feet of floor space with the projected completion date in one month. Here Reverie would attempt to partially fill the commitments it

(See REVERIE, Page 4)

### Merchants To Vie In Yule Decorations

The Hillsboro Merchants Association is sponsoring a window decorating contest for the best Christmas decorations for all business concerns in Hillsboro, West

(See DECORATIONS, Page 4)

### LESS ORANGE LITTER

Highway Division Engineer Tom Burton this week tallied up the litter and debris recently collected from roadside deposit containers in the clean-up campaign covering the counties of the division and came up with the following results:

Orange 12' truck loads, Caswell 10, Alamance 30, Rockingham 41 and Guilford 172. The annual cleanup job along the State's 70,000 miles of public roads costs \$250,000.

## Service Award Event At Eno Set Saturday

John W. Bagwill, vice president of Cone Mills Corporation, will be speaker at the third annual service award event for employees of Eno Plant, Hillsboro, on Saturday night, November 23 at West Hillsboro School.

Six men and women will receive awards in recognition of their 25 years service with the plant.

Miss Anna Dixon and Mrs. Nella Faucette, who each have more than half a century service, will be special guests.

James Webb, vice president of Cone Mills, and Joe P. Hughes, Eno Plant superintendent, will present the service awards.

Sydney Green, plant manager, will be master of ceremonies. Entertainment will be by Mrs. Ruth Nordan, Mrs. Georgene Wagner and Edward Nordan. The Rev. John Terrell, pastor of Falls of Neuse Holiness Church, has been invited to give the invocation.

Eno employees on the entertainment committee are Shellie Hicks, Miss Mabel Spoon and Mrs. Mazzy Morgan; flower committee, Miss Anna Dixon, Mrs. Ruth Gregory and Mrs. Nella Belle Faucette; Welcoming committee, Coy Andrews, Coy Hicks, Mrs. Sarah Hicks and Mrs. Erma Hines.

## Final Rites For Mrs. Carr Held Friday

Mrs. Maye Berry Carr, 58, wife of B. S. Carr, died Wednesday afternoon, Nov. 13, in Duke Hospital following a long illness.

Mrs. Carr was a member of Hillsboro First Baptist Church for 35 years and taught Sunday School there for 25 years. She was a past matron of Hillsboro Chapter 180 of the Eastern Star and the daughter of W. P. Berry Sr. and the late Ida Wilson Berry of Orange County.

Surviving are the husband, the father, three sons, Alfred L. Carr of Hillsboro, Edsel L. Carr of Charlotte and Julian W. Carr of New York City; three grandchildren; a sister, Mrs. Clyde Henderson of Cary; four brothers, W. E. Berry and W. W. Berry of Mebane, W. P. Berry Jr. of Hillsboro and Harold Berry of Durham.

Services were held Friday afternoon at 3 o'clock from the First Baptist Church here with the Rev. Bruce Cresson, the Rev. Leo Barnes, the Rev. J. R. Green and Dr. Charles Maddry officiating. Burial was in the Hillsboro Cemetery.

Pallbearers were G. A. Brown, A. W. Crabtree, Ira Ward, W. J. Clayton, W. T. Murray, J. H. McAdams, B. D. Sawyer and M. P. Lloyd.

## Family Of 5 Away Thursday As Home Is Leveled By Fire

An Orange County family of five, whose home was located near the Orange-Person County line, lost everything they owned when their home was completely leveled by fire Thursday while they were away.

Mr. and Mrs. Floyd Parker were en route to a Hillsboro clinic at the time of the fire where they had taken their youngest son, Norman, 4, for a polio vaccination. The eldest son, Bernice, 18, was at work, while a third son, Howard, 14, was at nearby Aycock School while the home burned down.

The Parker home, located about 2 miles to the rear of Rimmer's Store in Hurdle Mills and a quarter mile from the Person County line, was completely devoured along with everything in it.

The six-room frame house, which had new additions and was recently piped for running water, was a mass of flames and had completely fallen in when Roxboro firemen arrived from their fire station nearly 14 miles away, too late to salvage anything from the house.

A neighbor said he first discovered the fire, which was of undetermined origin, around 1:30 and saw smoke pouring out from the rear of the house around the kitchen. He said he immediately went to summon help and when he returned the house "was blazing all over."

Roxboro firemen were successful in their efforts to keep small out-

**GETS TEACHER SCHOLARSHIP**—Miss Peggy Berry, Junior at Pfeiffer College, has been notified by Dr. Charles F. Carroll, State Superintendent of Public Instruction, that she has been awarded a scholarship from the Teacher Loan Scholarship Fund. This fund was established by the 1957 General Assembly for the purpose of financial support and encouragement to prospective school teachers. Miss Berry, the daughter of Mr. and Mrs. W. W. Berry, Route 1, Mebane, is majoring in Business Education at Pfeiffer College.

## Cresson Named Speaker For Union Service

The annual Union Thanksgiving service for the town of Hillsboro will be held Wednesday night, November 27, at 7:30 o'clock in the Hillsboro Methodist Church.

The Reverend Bruce Cresson of the First Baptist Church will be the guest preacher for this special service. The Reverend Dr. Charles E. Maddry, the Reverend C. H. Reckard, the Reverend Lawton W. Pettit and the Reverend W. A. Seawell will participate in the conduct of the worship service.

It is hoped by the sponsors that everyone will make a special effort to attend this service of Thanksgiving and honor God for all the blessings of this life. The Methodist Choir will provide the special music.

### TURKEY BINGO

The annual Turkey Bingo party of the District Chapter, Hillsboro Post 85, will be held in the local High School Cafeteria next Wednesday night at 7:30 o'clock.

The event is always a gala occasion of the Thanksgiving season. This year turkeys and hams will be the only prizes to be given away and the supply has been termed unlimited.

## Parish House To Be Scene Of Bazaar

As November progresses and December draws nearer, the members of the Parish Guild of the St. Matthew's Episcopal Church are busily preparing for their Christmas Bazaar which will be held this year in St. Matthew's Parish House on Saturday, Dec. 7, beginning at 2 p.m.

Gifts of all kinds, food (including homemade fruit cakes and pecan pies), Christmas wreaths and decorations, toys, bird feeding stations, and surprise items on the "White Elephant Table" will provide real bargains for the "shoppers."

Of especial interest will be the "Husbands' Table" on which will be displayed the creations of the men of the congregation who are handy with tools and have a turn for arts and crafts.

The Young People of the Church will also take an active part in the bazaar, providing not only a "Fishing Pond" for the children where attractive toys can be "caught," but also a Tea Room corner where refreshments may be obtained.

Furnishing a convenient and well-equipped place to hold the bazaar is only one of the many advantages of the new Parish House. Occupied for the first time last Easter, St. Matthew's Parish House is proving itself a real asset, not only to the Church itself, but also to the community. To the Church it has meant increased facilities for Christian

## Boy Scouts' Camporee Set At Eastwood Lake

Boy Scouts of the Orange District will stage their first county-wide camporee of the new Scout year this weekend at Eastwood Lake. Accompanied by Scoutmasters and other adult leaders, Scouts will arrive at the camping site between 4 and 6 p.m. on Friday and remain through Saturday.

Each boy will bring his own food and do his own cooking. Festive events of the two-day camporee will occur on Saturday with lively patrol contests and a big after-supper campfire to be attended by all campers. Contests will be between permanent patrols, and official judges will make awards to winners.

Patrols will be scored on the basis of total patrol efficiency in the following 10 events: water bolin relay, log hauling race, log chopping relay, knot tying relay, stretcher race, first aid relay, nail driving relay, undressing race, fireman's lift race, and flint and steel.

Special equipment needed by

each patrol includes: two hatchets, one knife, four neckerchiefs, six pieces of rope, and one pup tent with wooden poles to match.

Site of the camporee is approximately two-and-one-half miles northeast of Chapel Hill. It may be reached by driving along N. C. Highway 88, (Chapel Hill-Hillsboro) and turning east at the airport where markers will indicate route to a special parking area.

Scouts will hike about one-quarter of a mile from parking area to reporting station at the McClamroch cottage on the west side of lake. There they will register and receive instructions as to camping areas assigned each troop.

The camporee is a project of the District camping committee, of which W. N. "Red" Tyler, of Chapel Hill, is chairman. Committee men with primary responsibility for the camporee are Bill Kiser and Jesse Basnight, both of Chapel Hill. Other members of the committee are W. H. Williams of Chapel Hill and C. D. Knight

## PO Lobby To Be Locked When HPO Late

A new policy relative to the locking of the Hillsboro Post Office lobby is now in effect, Miss Maude Brown, postmaster, revealed yesterday.

In the future, when the Highway Post Office is late on its evening run, the lobby of the Post Office will be locked for the remainder of the night at 7:15 p.m. if the huge mail transfer has not arrived by that time.

This will allow HPO personnel, who do not have access to the working area of the post office, to deposit the load of mail in the lobby and leave it locked, at the same time eliminating the necessity of clerks remaining at night for indefinite periods for the arrival of the late vehicle.

On evenings when the Highway Post Office is not late, the lobby of the building will remain open all night as it has within modern memory.

A drop-in slot for local mailing when the lobby doors are locked is being cut in the door.

**HILLSBORO LIONS** held a work party last week as they prepared to open their annual Blind Seal campaign. Members stuffed the cover letters and seals in envelopes which you later received soliciting your contributions to this aid-to-the-blind project. Here the club works intently, obviously unaware the photographer is at work. Money derived from the sale is used locally to further the club's work with the blind and near blind.
