> Earlier, a Carrboro citizens' group favoring merger of the Carrboro and Chapel Hill school districts had suggested a number of other persons considered suitable to be appointed to the committee posts. This list has not been disclosed.

The failure of the board to re-appoint Ellington and Hearn leaves the status of the Carrboro committee in doubt. Members of the Board and Superintendent G Paul Carr indicated they did not know whether the Carrboro committee should be considered a three-member group with the three hold-over members constituting the full committee or whether Ellington and Hearn might be considered as still in office until successors are chosen. Under the terms of the formal motion on the matter offered by John Hawkins of Cedar Grove the board re-appointed whose terms expire this year ex-Cross. Thus, in effect the board took (See NO ACTION, Page 8)

#### Farm Housing Loan Program Is Expanded

An expanded farm housing loan program designed to speed up farm building construction and improvement as well as act as an additional anti-recession measure was announced today by Lacy A. Gibson, Farmers Home Administration county supervisor for Orange County.

Now an owner of a farm in agricultural production and on which the operator plans to produce at least \$400 worth of farm commodities for sale or home use may qualify for the 4 per cent long-term housing loan provided that he meets other standard eligibility require-
