Competition for the Champion 4-H Banner, which will be awarded to the most outstanding club this fall, continues to be keen. Three clubs are leading in the race. The White Cross 4-H Club is leading with 1030 points. The Effland Club with 1,010 points and Hillsboro Jr. I Club with 1000 points follow closely. The following are the White Cross Club officers: President, Dickie Jones; Vice President, Sarah Wombie; Program Chairman, Judy Durham; Secretary and Treasurer, Joe Thompson; Song Leader, Virginia Ivey.

The St. Mary's Home Demonstration Club members are having a "silent auction" at their meeting today to replenish the treasury. The way that they carry out this auction is to place all articles to be auctioned off on a table. Then bids are written on paper and placed on the articles. This novel idea saves time and the vocal cords too.

Hormone sprays have been found to be effective to insure early fruit set. Early tomatoes may fail to set fruit due to cool weather (below 60° F) or other reasons. The sprays are applied directly to the flowers of the first two or three flower clusters with a fine sprayer.

## Schley Group's Poppies Made At Durham VA

The Schley Auxiliary Unit 452 of American Legion will be on the streets of Hillsboro May 24 to sell "Memorial Poppies."

Most of you will buy one, but do you know what purpose lies behind this little replica in red crepe paper? Everyone knows that it is a symbol of the sacrifices made by the Dough Boy of WWI, the G.I. of WWII and the Korean Veterans and that it is the tower of remembrance for those who gave their lives that we might live in a free nation.

But what other reasons are there for buying the crepe paper poppies? It means that you are sharing in a great program for aiding the disabled veterans, the needy children, widow and orphans of veterans. Perhaps even you or some of your loved ones have been or are a patient at Veterans Administration Hospital in Durham.

The American Legion Auxiliary Units put on Bingo parties, picnics, coffee hours, ward parties and other forms of entertainment for the patients at VA. The expenses for these are taken from the poppy fund to which you contribute by buying the poppies.

The Poppies the Schley Unit have made by patients at VA Hospital in Durham.

There are very important reasons for having these disabled and hospitalized veterans make the Memorial Poppies. They receive much needed employment and therapy help. Their busy fingers tend to make them forget their worries and cause hospital hours to seem shorter. Their interest in life increases and they earn money to help their families at home.

Poppies help to bring hope for the return to normal living into the lives of these disabled veterans. Won't you buy and wear a poppy. "To Aid the Living and to Honor the Dead."
