Stock Pledges In Local Industry Development Near Half-way Mark

A total of \$217,000 in stock purchase pledges had been received by yesterday toward the construction of a building in Hillsboro to house the expanding Southern Garment Company, now operating in temporary quarters near Efland.

Thus the campaign leading to the formation of the Hillsboro Industrial Development Corporation and the eventual construction of the industrial-type building to be rented to the manufacturer of ladies dresses and housecoats is near the halfway point toward its goal of \$50,000.

Leaders of the movement are optimistic that the sum needed can be raised in the next week or 10 days and steps to form the corporation and issue the stock can begin.

A total of 48 firms and individuals have thus far agreed to participate in this community movement by pledging to purchase the stock in the corporation which will retain permanent ownership of the building.

Members of the committee who are assisting in the job of contacting local citizens, from whom stock pledge certificates may be obtained are: Clarence D. Jones, Frank Walker, R. J. Smith Sr., Ira Ward, Fred Cates, J. Allen Watkins, Ed Laws, H. G. Coleman Jr., J. L. Brown Jr., R. J. Smith Jr., Bonner D. Sawyer, Don S. Matheson and E. Wilson Cole.

Crabtree, Mrs. Will Smith, C. E. Carr, W. H. Walker, H. J. Walker, John R. Lynch, Ralph Neighbors, O. B. Pope, B. S. Carr, James J. Freeland, J. S. Reinhardt, Bonner D. Sawyer, John E. Couch, E. H. Registration books closed last Saturday and this coming Saturday from 9 until 3 o'clock is Challenge Day. The official number of new registrants has not been determined but indications from registrars are that registrations during the three weeks period the books were open were negligible. Total county registration is in excess of 12,000.

The polls will open at 6:30 a.m. and close at 6:30 p.m. in the county's 19 voting precincts.

In addition to the State and county tickets, candidates for constable in Hillsboro and Chapel Hill townships will be voted upon, along with one constitutional amendment, which would increase the jurisdiction of Justices of Peace.

As in all General Elections, voters may cast a straight party ticket and not vote for individual candidates.

Close to 10,000 voted in the Presidential General Election two years ago.

On this year's ballots without opposition are John W. Umstead for House of Representatives, E. M. Lynch for Clerk of Court, Betty June Hayes for Register of Deeds, Odell H. Clayton for Sheriff, Ross Porter of Board of Education, Allen H. Walker Sr. for Coroner, William H. Murdock for Solicitor, and Carl T. Durham for Congress.

GOP Offers Only Token Opposition

Next Tuesday, November 4, is General Election Day in Orange County.

The day will climax probably the quietest campaign in local history, with the Democrats presenting a solid slate of incumbent candidates in County and State and the Republicans, with three exceptions, offering no opposition.

A relatively light vote, probably not exceeding 3,500, is expected by political observers.

A long state and district ballot bearing the names of 19 Democratic candidates for United States Senator, Attorney General, Congress, Supreme and Superior Court seats contains only one Republican opponent, Richard C. Clarke Jr. in opposition to Senator B. Everett Jordan.

State Senator Edwin S. Lanier of Chapel Hill is opposed on the county ticket by Republican H. G. Dorsett, Chapel Hill, and M. L. Cates Sr., Hillsboro, Chairman of the County Republican Executive Committee, is a candidate for County Commissioner against the three Democrats, Henry S. Walker, St. Mary's, Donald R. McDade, Cedar Grove, and Clarence D. Jones, Hillsboro.

Phipps Is Named Party Chairman

The Orange County Democratic Executive Committee yesterday paid tribute to their late chairman, Robert O. Forrest, and then elected Judge L. J. Phipps to succeed him.

Miss Harriet Herring of Chapel Hill, the committee's vice chairman, called the meeting at the courthouse and the vote for Phipps was unanimous from the 11 members of the body in attendance.

A resolution, offered by A. H. Graham, who on Tuesday was elected by the Hillsboro precinct executive committee to succeed Forrest as precinct chairman, was unanimously adopted praising the late chairman for his long-time exceptional service and devotion to the party.

Representative John W. Umstead, in seconding remarks, said he had "never known a man more devoted to public service" than Bob Forrest.

Mr. Graham, when the floor was opened for nominations for a successor, submitted the nomination of Mr. Phipps and seconding remarks were provided by Donald McDade of Cedar Grove. His election was unanimous by acclamation.

Upon the selection of the new chairman, Miss Herring asked to be relieved of the vice chairmanship and nominated as her successor Mrs. R. O. Forrest, wife of the late chairman, and thereupon, she was elected unanimously.

Precinct chairman present and voting in the re-organization were Clyde Compton, Donald McDade, T.

L. J. PHIPPS

Brack Creel, Collier Cobb Jr., Sandy McClamroch, Mrs. Virginia Nicholson, John Monroe, A. H. Graham, L. A. Hogan, W. M. Snipes and John M. Link.

Upon notification of his selection, Judge Phipps expressed his appreciation for the confidence in him as indicated by the vote and urged unity in the party, once the intra-party primary battles are concluded.

Precinct chairmen were urged to continue their efforts to push the "I Gave A Buck" campaign for funds for the party to meet the goal of \$375 set by State headquarters. Persons wishing to contribute to the party are invited to hand or mail their contribution to their precinct chairman or one of the officers of the Executive committee.
