Caldwell HD Club Hears Miss Trowbridge Talk On "Time Savers"

The Caldwell Home Demonstration women, meeting last Monday afternoon in the Caldwell community house, heard many "time-saving" suggestions from Miss Jessie Trowbridge as she presented the demonstration topic of the month on "Time Savers."

Using several ingenious devices, she showed how many homemaking tasks can be delegated to other members of the family, omitted, or re-contoured to fit into time and environmental conditions; thus not only saving the over-burdened housewife but increasing family unity through cooperation and increased time together. She concluded her demonstration by exhibiting many mechanical gadgets and aids that the homemaker can now obtain at a very low cost, to make her work easier.

Project reports were given by Mesdames Jerome Berry, Clyde Walker, and Fred Mangum - poultry, clothing, and home beautification chairmen, respectively. Book reports were given by Mesdames D. C. Clayton, Fred Mangum, and Jerome Berry.

The hostess for the month, Mrs. R. E. Murray, served punch, cake squares, and nuts to the following: Mesdames Jerome Berry, Fred Mangum, Clyde Walker, D. C. Clayton, Luther Clayton; Erskin Parker, Henry Miller, and Dewey Carey, and Miss Trowbridge.

Mrs. Andrews' sister, Mrs. Otis Neville and Mr. Neville.

Mrs. Ralph Morgan of Carrboro has been a patient in Watts Hospital since Wednesday of last week.

Bobby Patch of Waynesville, Va. has been spending the past several weeks here with her aunt and uncle, Mr. and Mrs. W. L. Upchurch Jr.

Hubert Hackney is out again after a stay of several days in Memorial Hospital, Chapel Hill.

Lois Lynn, 4-H Club member of Coolspring Community, has purchased 100 Harco Red pullets as her poultry project. She hopes to sell her eggs from her flock on a truck route in Durham, which her father has already established.

Farmers are to be reminded that August is a good time to prepare pasture land so that the pasture can be seeded between September 1 and 15.

Be careful during the hot days not to overload your freezer with unfrozen food.

Prepare outdoor meals! Be sure to use those fresh tomatoes, raw carrots, green peppers and watermelons. They have those needed vitamins A and C.

Fill the conservation budget. Can and freeze all your surplus fruits and vegetables.

These hot summer days the very thought of salads or frozen desserts have a cooling effect. They are also refreshing to eat. Salads

and desserts using good amounts of milk or cottage cheese add minerals, vitamins and muscle building protein at low calorie cost and high in health protecting value. Cull out the laying hens at the close of their productive year and freeze or can for later use.

The four large oak trees in the yard of Mrs. Henriette Umstead's home of St. Mary's Community was the setting for the Picture Renovation Workshop on Wednesday. Ten frames were cleaned and made ready for the finishing touches on the second workshop which will be held August 12.

The Cedar Grove Home Demonstration Family Picnic was held at Burlington Park July 18.

The St. Marys Home Demonstration Picnic will be held at the home of Mrs. Lucy Wilson, August 20.

Mrs. Effie Hairston was hostess

For the Sunnyside Home Demonstration Club on Thursday, July 30. The demonstration and discussion "Buymanship of Linen" was given by Mrs. Bonnie B. Davis, Negro Home Economics Agent, emphasized the construction of the fabric and towel, color and design, sizes and amount needed. The hostess served party refreshments in buffet style.

The spacious lawn of the Sunnyside Club will be the site, August 20, 7-9 p.m. Children sometimes break up but they never break up the actuality of the picnic looks as good as the past.
