

## Installation Of Lights Delayed

# Hillsboro 'Cats Open At Northern Tomorrow

By HARRY W. LLOYD  
For the third season in a row, the Hillsboro Wildcats are playing their first game on the Clements Field turf at Northern High School. Tomorrow night the local eleven invades Durham County in a move that was necessitated when the plan to construct lights at the new Orange Speedway field did not come through.

According to Hillsboro coach Glenn Auman, the firm that had been counted on to provide the lighting fixtures for the prospective gridiron submitted a bid for the job of "about two thousand dollars" more than had been anticipated by school athletic personnel. Hence the first game, this Friday's, was rescheduled for the Northern field, and next week's contest will most likely be played at Graham instead of here, as previously slated. The reason for not playing on the school athletic field, where the team practices daily, is the poor spectator accommodations and the rough, dangerous playing surface.

Departing from the disappointment of not being able to inaugurate the new stadium, the Wildcats should be glad at their opportunity to open on the Knights' field. For each of the last two years has been suc-

cessfully begun with a victory on that same green. In 1957, Hillsboro opened the season with a 27-12 triumph over Southern (that game, incidentally, was moved to Northern when the Southern lights were not yet constructed). Last year Hillsboro belted the Knights by 20-0 in the initial game.

If the boys who have been getting the top call in practice sessions are in the starting lineup, the Wildcats will send a team averaging slightly less than 160 pounds onto the field at eight o'clock. The line poundage is only about five more than that in the backfield.

**In The Backfield**  
In the speedy Hillsboro backfield, Senior quarterback Richard Blackwelder will pull the strings to direct the T-formation offensive show. Blackwelder's biggest threat comes as a runner. Fast improving alternate Pat Clayton may get the call on many occasions. At fullback the 6-2, 170 pound Joe Barnes should keep the defense alert with his powerful punting toe. Halfbacks Walter Swainey and Marvin Dickey should do the majority of the work at their position. Should either of these be in need of replacement, Auman and Clayton can call on Gene Albright, Lowell Petty, or Jerry Overby for

duty. Fullbacks Daryl Wagner and Johnny Shambley will most likely see action often during the game.

As a co-captain along with Richard Blackwelder, Jim Ray operates at left end. He and mate Marvin Teer will be the targets for most Hillsboro passes.

**Competition Keen**  
The competition is keen for the right tackle position. Junior Clifford Raynor and senior Nicky Kenyon may see equal action at this post. Big Billy Mishoe is the best bet to open at left tackle. Odas White and David Walker are the top guards, and Wayne Davis is the choice at center. Others who will most likely get line duty are Freddy Sharp, Tom Sprouse, Joe Gates, Ed Nofris, Bert Reed, Jack and Gene Knight, Buddy Wheeler, Jack Dowdy, Don Terrell, and newcomers who joined the team last week Steve Whitt and Kenneth Bobbitt.

And if it means anything, the Wildcats will be playing the league's leading team tomorrow night. Northern trounced Southern 21-7 in the only District III game yet played. Hillsboro's record with Northern since the founding of the latter is three wins, no losses, and one tie.

## Plans For Area Development Body Are Told

County Agent Don Matheson said Monday plans are being formulated for the establishment of an area development association composed of Durham, Orange and Person Counties.

The organization for the three-county area would be similar in purpose to area development bodies now functioning in a 11-county area around Winston-Salem and a six-county area around Greensboro.

Matheson related this information in his report to the Orange County Board of Commissioners Tuesday and that group expressed an interest in such a movement. Matheson said he and other leaders from the area visited the two other development groups now functioning to learn of their efforts in promoting (1) Agriculture, (2) Recreation, (3) Travel, and (4) Community Development.

Matheson and other farm extension personnel reported on recent work programs, along with other county officials, at Tuesday's meeting of the Commissioners, which was devoted largely to routine matters and the drawing of a jury.

Petitions requesting paving on Crawford road, 4 mile, from Highway 70 to St. Mary's road in Hillsboro township, and for improving Harper street, off Racetrack road, also in Hillsboro township, were considered by the board.

FIVE HILLSBORO AREA Baptist ministers are the chief planners for the combined Sunday School Leadership Clinic to be held this month. Seated, the Rev. H. Jeff Melvin, left, and the Rev. Bruce Cresson. Standing left to right, the Rev. Robert Grey, the Rev. Paul Shoupe, and the Rev. Grover Vaughn.

## Florida Bank Headed By Key Hit By Bandits

The Home Federal Bank of Palm Beach, Fla., headed by Wade D. Key, former Hillsboro resident was robbed Tuesday of last week.

Reports on the incident were not complete here, but it was stated that approximately \$2,000 was taken from the bank.

Two men entered the bank, flashed their guns and told the employees they were holding up the bank. They commanded the bank personnel to lie down on the floor while the robbery was being done.

Key was formerly associated with Hillsboro Savings & Loan Association here.

HILLSBORO'S FIRST SKATING MARATHON was reeled off this past weekend at Holiday Park's roller rink and two local youths were the winners after 20 hours and 40 minutes of gruelling competition, most of it provided by a 17-year-old Roxboro girl, who stuck with it 17 hours and 20 minutes after pitching a 7-inning softball game before beginning the marathon. James Hardee, left, West Hillsboro, and Donald Pittman, Highway 70, shown above with Park Manager Jack Gardner, center, split the \$50 prize money. ## Deadline Today On Soil Bank

Farmers who let the September 10 deadline pass without requesting rental rates for land they are considering for reserve will not be eligible to participate in the Conservation Reserve Program in 1960.

This word of caution was issued by W. M. Snipes, Chairman of the Orange County ASC Committee. This initial phase of the Soil Bank Conservation Reserve Program he said, began the 24th of August and ends the 10 of September. Only farmers who request maximum payment rates for their farm during this period will be eligible to participate in the 1960 conservation reserve. A request that a farm rate

be set for the farm, however, does not obligate a farmer to participate.

According to Snipes there is no better way for a farmer who desires to cut down on his farming operations to do so than through this Soil Bank program. Whether the farmer desires to reduce his operation because of age, health, or because he might be a part-time farmer, the program can still fit in with his plans.

Under the program farmers are paid a part of the cost of establishing an approved conservation practice on their reserve land and that they also receive an annual per acre payment for each year the land is under contract. Contracts may run for a period of 3, 5 or 10 years.

This is one of a series of public hearings in the 7th Division, which comprises Rockingham, Guilford, Caswell, Alamance and Orange Counties.

## Pair Caught Red-Handed In Building

An anonymous telephone call and fast work by two officers proved the un-doing of two would-be thieves at Godfrey's Home Supply Company of Highway 70 at Hillsboro Saturday morning.

They were caught red-handed in the building by Night Policeman Will Gilmore and Deputy Sheriff Malode Long. Some of the loot they apparently expected to carry away was laying outside an open window.

Charged with breaking and entering were Arthur Lee Mills, 19, son of Beatrice Mills and the late Willie Mills, and Edmund Shepherd Bain, 21, son of Edward Bain. Both are Negroes.

Entrance was made by breaking a glass window. Considerable clothing and fishing equipment had been passed out to the ground outside when the officers arrived.

Neither of the two men has been involved with the law previously, according to the Sheriff's department.

Another break-in occurred the previous day at Carboro when thieves broke into Elmer Pender graph's service station and walked out with a 200 lb. safe, containing about \$800 in cash and valuable business papers. No fingerprints were found and few clues are available for investigators to work on, officers reported.

## Father Cut By Son; Mars Holiday Quiet

Sunday quiet prevailed in the county, with a few minor exceptions, on Labor Day.

The Highway Patrol reported there were no accidents of any kind on the highways in the Hillsboro area during the long holiday weekend.

The Sheriff's department said things were quiet also, with only one cutting incident to mar the weekend, when a Cedar Grove Negro decided to slash his father and brother in a family argument.

Wiley Torain Jr., 25, is still missing after allegedly cutting his father, Wiley Torain Sr., in the abdomen and his brother, Walter Beasley. Both were carried to Memorial Hospital with severe cuts.
