**FAMILY PUTS 2,000 MILES A MONTH ON CORVAIR THINKS IT'S MARVELOUS GAS MILEAGE "OUT OF THIS WORLD"**

Mr. and Mrs. Richard Kahelin, of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.
