

Watchful waiting

Someone once wrote, "They also serve who only sit and wait." Trixie, the male terrier of the R. C. Minnis Jr. family, seems to fit this description.

All day long, passersby on the back side of court square in Hillsboro see the dog sitting either on the top or the hood of a parked automobile near the corner. Minnis works out of town and rides most of the time with others in a car pool, leaving his own car parked downtown.

According to the family, the dog leaves home after Minnis goes to work, goes and sits on the car all day, and returns home just shortly before the time for Minnis to return. They got the dog about three years ago from the County pound.

Thieves strike FCX again; 3 other places

Thieves broke into the Farmers Exchange service store in Hillsboro last weekend, the second time in recent weeks and the sixth time in the past few years.

Three other establishments, all on Highway 70, were entered. Buck Knight theorized that all four break-ins were the work of the same person or persons.

At the Farmers Exchange a

drink machine was broken open and the dial knocked off the heavy safe. Loss was \$15 or \$20. Several higher priced paint brushes were placed in a bag, but not taken.

Other places entered were Cole Motor Co. and Massey's Garage, where nothing was missing, and Amick's Grill on the outskirts of Mebane, where 80 cents was taken.

Auto races set Easter Sunday

The 100-mile Grand National circuit, NASCAR sanctioned, late model stock car race scheduled here last Sunday at the nine-tenths mile Orange Speedway and postponed due to inclement weather has been rescheduled for Easter Sunday, April 2, it was recently announced by Pat Purcell, NASCAR (National Association for Stock Car Auto Racing) executive manager in Daytona Beach, Fla.

The \$4,200 event over the banked clay course was originally reset for April 30 but NASCAR prexy Bill France and Purcell granted Orange Speedway Race Director Enoch Staley the Easter Sunday date.

PAPER DRIVE SUNDAY

The Chapel Hill Jaycees' bi-monthly collections of scrap paper and toys will be staged throughout the community this Sunday afternoon. Drive Chairman Jake Neville asked householders to have their paper and other articles tied securely in bundles at the curb by noon.

Mrs. Knight is Secretary for merchants

Mrs. C. D. Knight has been appointed the new Secretary of the newly-reorganized Hillsboro Merchants Association and Chamber of Commerce and the change-over to the groups' new quarters will be effective Tuesday April 4.

Office space for the combined organization has been se-

cured on the second floor of the Liner building, N. Churton St., the former offices of Attorney Bonner D. Sawyer.

This is a new full-time office and will be open 9 to 5, Monday through Friday, and from 9 to 12 on Saturdays.

The new organizations now

have a membership of 54 firms and leaders are pushing hard to secure the membership goal of 60.

Mrs. Knight will spend next week at the Chapel Hill Merchants Association office observing the operation there and learning the job.
