

Band Boosters choose Allison new President

The Hillsboro Band Boosters Club has elected M. E. Allison to serve as President for the 1961-62 school year. Wilson Cole was re-elected Treasurer.

Other new officers are B. P. Gordon, Jr., Vice-President, and Mrs. C. H. Cates, Secretary. Board members elected to serve a two-year term were C. H. Berry, J. E. Ferrell, and J. F. Rosemond.

The Club voted to sponsor a summer band program for playing members of the band to be instructed by Bob Haas, Hillsboro Band Director. This program will start on Monday, June 5, and will run five days per week from 8:30 to 10 a.m., ending on July 30. Outdoor concerts will be scheduled throughout the program.

The Club decided that a beginners band program would be held in conjunction with the summer band only if enough parents expressed a desire for their children to start instrumental music this summer.

Cameron Park to have music week programs

National Music Week will be observed at Cameron Park School by a free band and choral concert Saturday night at 8 o'clock.

A program for some of the grades at Cameron Park will be given Friday at 1 p.m. Sixteen piano pupils of Mrs. Harry L. Brown will give the life of a few of the composers of the classical and romantic era followed by a piano number of each composer.

Special mention will be made of MacDowell, an American composer whose hundredth anniversary will be observed this year.
