

**HIGHAM BOOK  
WELL-RECEIVED**

"The most comprehensive history yet produced," says the British Journal of the Royal Aeronautical Society about Dr. Robin Higham's book, "Britain's

Imperial Air Routes 1918-1939." Now in its second printing, Dr. Higham's story of Britain's Overseas Airlines has been well-received in Britain, according to leading periodicals.

**THEATER PROPOSAL**

Changes in the operations of a Greensboro theatre organization have created the opportunity for residents of Chapel Hill to help bring live Broadway productions to the area — and re-

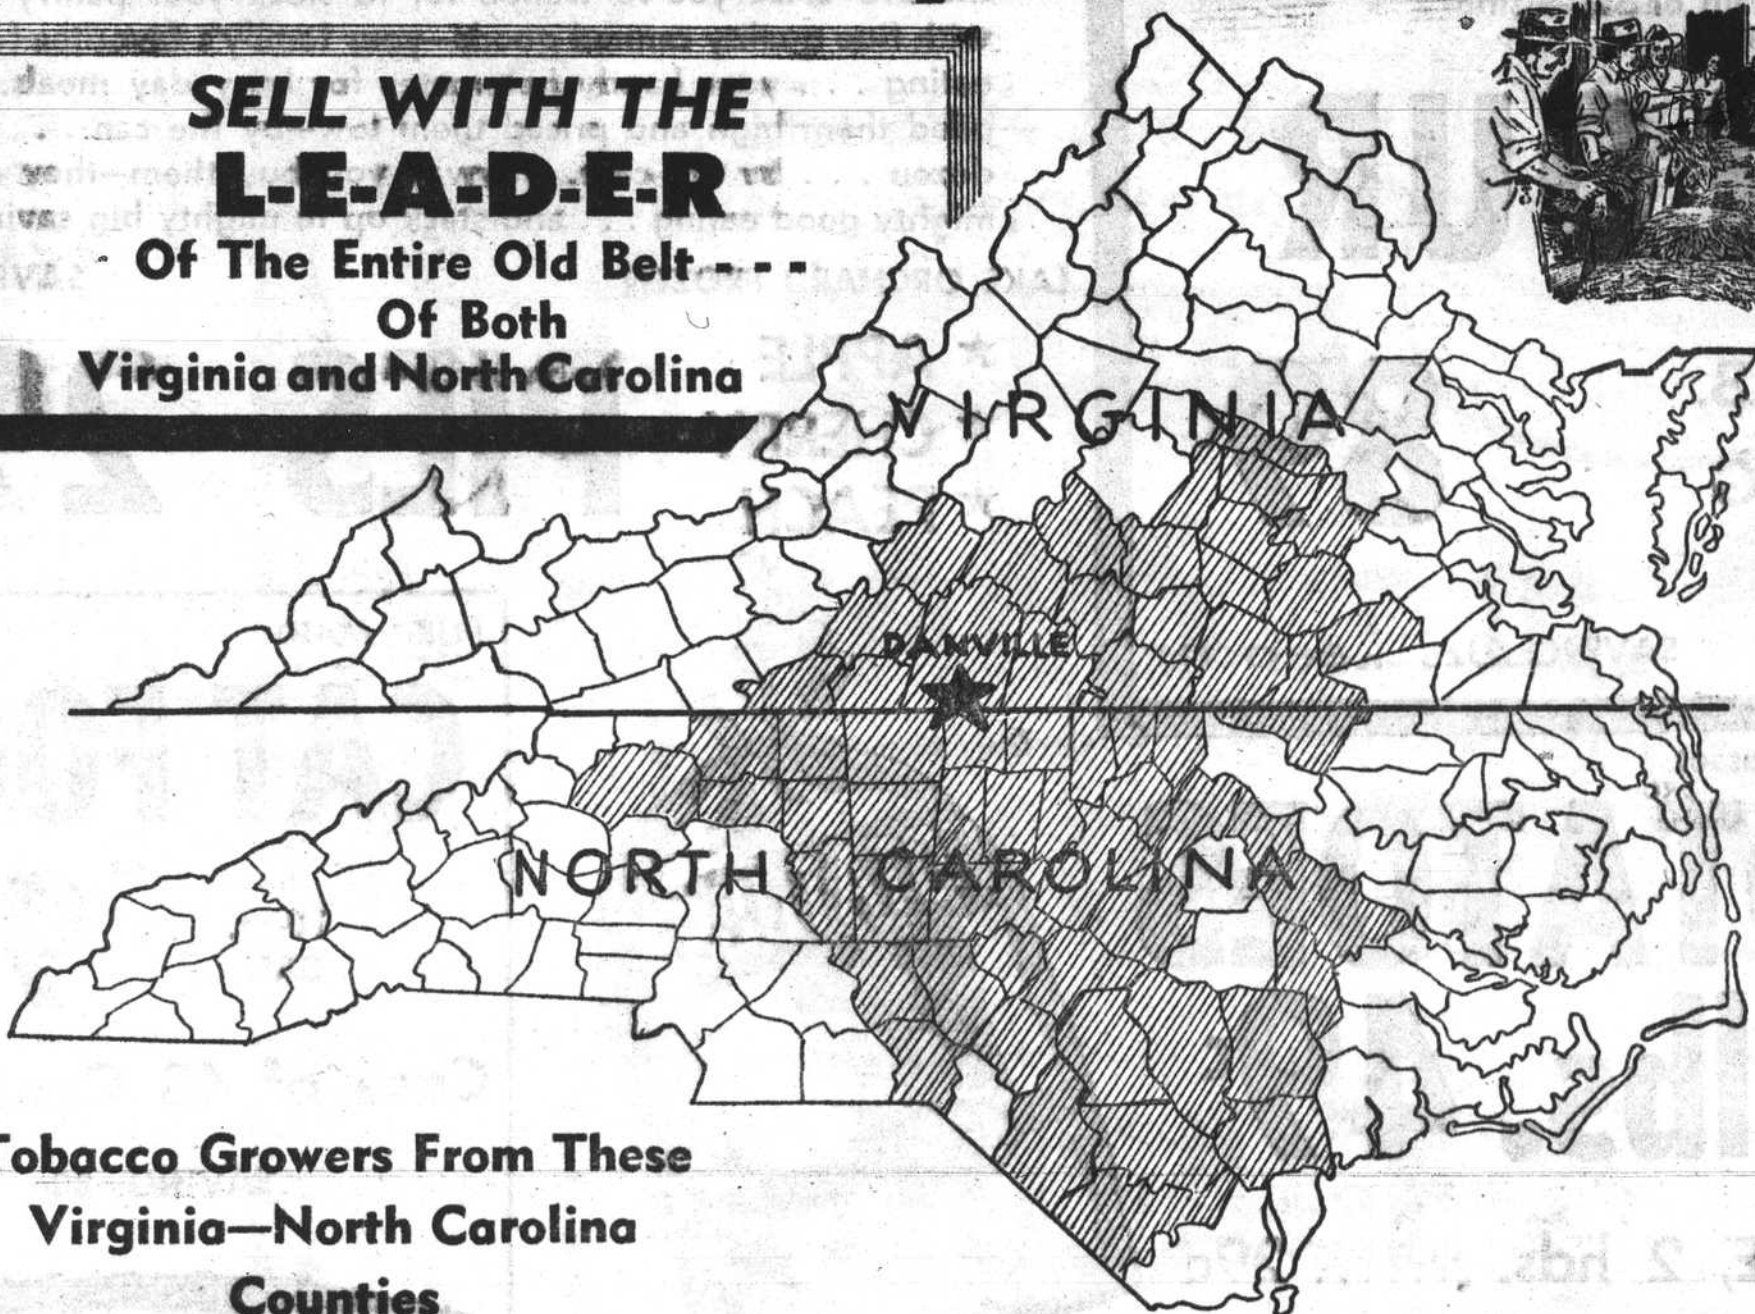

ceive a free membership to four professional plays for their efforts. Herbert Hazelman president of the Broadway Theatre League of Greensboro announced this week that the drama organization would offer a free membership to every registered representative in Chapel Hill credited with enrolling 20 members. Details may be had from the League, Box 9444, Greensboro.
