

Reid Roberts is re-elected Neuse officer

Reid Roberts of Route One, Hillsboro, has been re-elected as a supervisor of the Neuse River Soil and Water Conservation District, Henry S. Hogan, Chairman of Orange County's supervisors, announced today.

As a District Supervisor, it will be Roberts' responsibility to help carry out the District's duties assigned to it by the North Carolina General Assembly.

Among these are entering into agreements with landowners to furnish help in carrying out erosion control and prevention; to make available to land occupiers materials or equipment as will assist in carrying out conservation practices; to develop annual goals and plans for reaching these goals for soil conservation

work; to request agencies whose duties are such as to render assistance in soil and water conservation to set forth the assistance available; to develop comprehensive plans for the District and bring such plans to the attention of the landowners, and to conduct surveys and investigations relating to soil and water conservation.

The Neuse River Soil and Water Conservation District was organized in 1939. Of the 37 in the state, only six were chartered earlier.

The District Governing board is made up of three supervisors from each of the five counties composing the District, Orange, Durham, Wake, Wilson, and Johnston. The supervisors are

electd for three year terms, one supervisor in each county being elected each year.

C. W. Stanford and Henry Hogan are the other two supervisors from Orange County.

Rudolph Howell, of Smithfield, is Chairman of the Neuse River Soil and Water Conservation District.

Letters to the Editor

COHEAD IS THANKED

Mr. George L. Coxhead,
Chairman Chapel Hill
Community Chest Drive,
Chapel Hill, N. C.

Dear Mr. Coxhead:

I am writing at the direction of and on the behalf of the Community Council of Chapel Hill to express officially and publicly what we have previously told you concerning our indebtedness to you for your conduct of the 1961 Community Chest Campaign Drive in the Chapel Hill-Carrboro area.

In preparing for and conducting this campaign you displayed the highest qualities of leadership and organizing ability as well as setting an example of good citizenship which we would all do well to emulate. While the campaign did not fully reach its goal in the amount of funds to be raised the amount pledged exceeds by a considerable margin anything that has previously been attempted in Chapel Hill and Community Council considers the results a great success.

Without your enthusiasm and drive and your willingness to devote long and arduous hours to this purely voluntary undertaking the campaign would never have reached the fine results that it did. I realize also that the support of the many fine people who volunteered to help you was essential to your success and I hope you will extend to each of them the thanks of the Community Council and of the people of Chapel Hill whom we endeavor to represent.

Again let me say that we wish

to extend to you and to your helpers the heartfelt thanks and commendation of the Community Council for the fine 1961 Community Chest Campaign.

Sincerely,

Holland L. Robb
Chairman, Chapel Hill
Community Council,
1961-62

THANKS ON CHEST

To the Editor:

Let me take this opportunity to thank your paper for its fine cooperation in publicizing the 1962 Chapel Hill-Carrboro Community Chest Drive. You have been very patient and generous with your space and it has meant a great deal to the success of the large amount raised this year.

Also, let me thank the more than 500 volunteer workers who helped to raise approximately \$48,500 which is considerably more money than has been raised by any single drive in Chapel Hill in the past. To these conscientious and diligent workers go the credit for the success of this drive.

Sincerely yours,
George L. Coxhead
Chairman, Chapel Hill
Community Chest
