Mrs. William A. Nebel, booth chairman, announces that this year there will also be a Christmas House collection box at the A and P store in Eastgate Shopping Center. This is for cash donations only and is for those who do not find it necessary to go downtown during the designated days.

The Junior Service League, originator of the Christmas House project, stresses that it is merely the channel through which the people of the Chapel Hill-Carrboro community "spread holiday cheer to those not able to do for themselves. It is a community project and the local merchants are at the forefront with a helping hand."

Gifts are solicited for O'Berry institution by Hubert Robinson

Hubert S. Robinson, member of the Advisory Board of the O'Berry School in Goldsboro, has appealed to Orange County citizens for money and gifts to be used for the benefit of the mentally retarded children and adult patients in this State institution.

Cash donations should be made out to the "O'Berry School." They will be placed in the Contributors Trust Fund, he said, and used to provide entertainment for children there. Mr. Robinson said that good clothing in any size can be used, as well as used recreational supplies and gifts such as TV sets, radios, record players, toys, picture books, toilet articles, footballs, puzzles, and tricycles.

He asked that donors call him at 968-5481 Chapel Hill so that he could call for these, or else leave them at the Chapel Hill Funeral Home. He plans to take these items to the School on Dec. 21.

At the present time, Mr. Robinson said, there are 850 persons in this institution—an increase of 150 over last year. New admissions are coming in at the rate of one a day. In a year the newly-expanded capacity of 1,200 beds is expected to be reached.
