THURSDAY, JANUARY 6, 1898.

It you are made of the right kind of material, properly adjusted, you will profit by the mistakes you made in 1897.

It is fortunate for good people that their eternal destiny does not depend upon the professed on of modern critics.

The woman who marries nking man need not be sursed to find herself the widow a man who fills a drunkard's

He who has not the courage to do what he knows to he right and honest, will not be troubled with many inclinations to do the proper thing.

If anything in this column fits your case, please consider it a ersonal communication from one who is interested in your eternal welfare.

Those who appreciate the work of their church paper, should not fail to show their appreciation by renewing their to take a trial subscription.

from appearances, and draw his wn conclusions from what he not fully understand, a large tion of our population ought to be in a pen and almost ready to be slaughtered.

We are glad to learn that ome of our Sunday schools which have formerly suspended work before Christmas are still progress. We trust that they will continue in the good work and become evergreen schools.

Be sure that you fully intend to carry out your resolutions if you make any at the beginning of the New Year. We need a greater number of men who are willing to act their resolution and not be content with the mere formality of making them only to be broken.

If the women of our land would have the courage to endorse goodness, honesty and uprightness in man and to despise and condemn all the unchristian traits of man's character, our dockets would not be crowded with divorce cases, but the number of true and noble husbands would be greatly increased.

What is often termed economy in a person is nothing in the world but plain, up-to-date, despicable, indefinable, selfishness, born of the flesh, prompted by the over-ruling power of satan; and no power under the sun is the love and mercy of the one past year's experiences; and was from John 15: 16, and for all-powerful God of the Chris-

The object of the sermon was to assumes, in fact, if not in acknowledgment, his proportionate responsibility in this work; and until he does all that he can in the way of moral and financial support he has not discharged this sacred obligation, either in the sight of God or man.

Our people are a noble-hearted and a generous-hearted people; to see and to feel what their duty is—and they will stand ready to do it. Regular and systematic missionary meetings in our conferences will supply the missionary education that is needed; and then the accomplishment of our work will be an easy task.

No cause has ever succeeded, or will ever succeed, without universal agitation. This is espe-cially true of any cause that appeals to men's pockets. We need to hold missionary meetings regularly, have our most representative and influential men on the program, let them present the facts as they are before the peo ple, teach them what their duty spent the holidays with her pa-capable of much usefulness, pre-is, and then help and encourage rents in Durham, N.
