Following the rule of some of the largest and most successful papers in the country, the GUIDE will be sent to responsible parties who may order it, with the understanding that it is to be paid for within six months. If any subscriber shall let his subscription run longer than six months without paying, the price will be at the rate of 60 cents a year. We make this rule to accommodate a large number of farmers. Subscriptions are not discontinued except on notice from subscribers and upon the payment of all arrears. In order that there may be no misunderstanding, this notice will be kept standing in this position in each issue.

If any person is receiving this paper, not having subscribed for it, and not intending to pay for it, he will please notify this office at once. We aim to have the GUIDE go to no place where it is not welcome.

Worm Taken From Boy's Eye and Blindness Prevented.

New York, Nov. 24.—Seven-year-old Edward Behringer, an orphan, was prevented from becoming blind by an operation said to be the first of its kind ever performed in the United States, at the city polytechnic hospital yesterday. A worm, which was slowly eating its way through the ball of the eye, was removed. The Behringer boy's home is on a truck farm near Niles, Mich. He had been in the habit of eating radishes and other truck just as it came from the garden, and it is supposed one of the radishes contained the bacilla of a tape worm, which, in some manner, lodged in his eye

General Shafter is dead. He never received credit for the victory in Cuba, although he earned it.

The Baptist State Convention will convene in Greensboro next Wednesday. It will be held in the new First Baptist church on West Market street and will continue through the Sunday following.
