THE PLAIN TRUTH

What More Can Concord People Ask for?

When old-time residents and highly respected people of Concord make such statements as the following it must carry conviction to every reader:

M. O. Sherrill, one of the oldest residents of Concord and a veteran of the Confederate Navy now retired and living at 92 West Mill street says: For a long time I have been a constant sufferer from kidney trouble which especially affected my back and it has knocked me out many a time. There was a continual aching across my loins. I rubbed my back with liniments and put on plasters again and again but nothing did it any good until I began using Doan's Kidney Pills which I procured at The Drug Store. They are just the thing for such ailments. I have not not suffered with my back since I used them and the relief was immediate."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

Every successful man hears a lot about the lack of fools.

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Finally I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. You can use this in behalf of suffering humanity."

Aged Widow Nabs Boy Lover.

Pittsburg, Pa., Aug. 5.—Mrs. Sarah Bosler, a wealthy widow, who confesses that she is 70 years old, yesterday walked into the office of Alderman McMasters and took out papers charging Willis Levine, her boy admirer, with obtaining money under false pretenses.

Levine is a beardless lad of 23 years who looks much younger. Soon after her husband died, six years ago, Mrs. Bosler and Willie became fast friends, and now she alleges that this friendship has cost her heavily. Her charge was in effect that Levine had some days ago secured \$300 from her to buy a pop factory, giving her a promissory note; then "joiled" her until she gave back the note, which he destroyed.

Mrs. Bosler says she then became suspicious and yesterday looked after the pop factory, but found it not. She then accused Willie of being faithless, and the boy giggled in her face, then she went to law.

A Sweet Breath

Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders.

Mrs. Mary S. Chick, of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach strong. Sold by The Gibson Drug Store.
