

Sign Language

The use of sign language dates from remotest antiquity. The advantage of the sign is that it expresses much in little, it is quickly comprehended and easily remembered.

Above we have the words Quality, Cleanliness, Freshness as expressed in shorthand—a modern sign language.

Here we have a much more simple symbol, the trade mark of the National Biscuit Company, which means Quality, Cleanliness and Freshness in Biscuit, Crackers and Wafers. The products of the National Biscuit Company are sold in air tight packages, with this trade mark in red and white, on each end of the package, as a guarantee of the quality of the contents.

Tragedy Laid to Open Saloons.

Newark, N. J., Nov. 3.—Occasion was taken by Rev. Thomas B. Shannon, pastor of the Vailsburg Presbyterian Church, at the funeral of Miss Lydia Kopfman at her late home last night to denounce the Newark municipal authorities for not keeping saloons closed on Sunday as the law requires. Almost every saloon in the city and the suburbs is open Sunday and many of them do more business then than on any other day in the week.

The girl was asphyxiated with gas, together with Harvey Moser, formerly of Philadelphia, last Monday in a room at Ehrmann's Hotel. The minister said the tragedy would not have occurred if the saloons had not been open.

Blew his Head off With a Shot Gun.

Asheboro, Nov. 4.—Dr. W. R. Lowe, aged about 38 years, committed suicide by shooting himself this morning at the home of his father, Mr. John T. Lowe, ten miles southwest of this place.

He used a double barreled shotgun and blew the top of his head off.

Dr. Lowe was a dentist but had not practised his profession for some time owing to ill health.

He was addicted to the use of morphine.

His father is a prominent farmer.

The first bottle benefitted me, and after taking four bottles, I am fully restored to my usual strength and health." Kodol Dyspepsia Cure digests what you eat and cures. Sold by Gibson Drug Store.

JUDGE FOR YOURSELF.

Which is Better—Try an Experiment or Pr fit by Concord Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, A Lame, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case: Mrs. W. R. Thompson, whose husband works on the cotton mill, and who lives at 110 W. Mill street in the factory district says: "We have found very great satisfaction in the use of Doan's Kidney Pills. I suffered a great deal from backache for a long time and occasionally it was so bad that I could not get about. Doan's Kidney Pills were the first remedy that gave me any relief. I got a box at the Gibson Drug Store, used them according to directions and have not had the backache since. I take real pleasure in recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.
