ROOSEVELT IS ELECTED.

COUNTRY GONE OVERWHELMINGLY FOR THE REPUBLICAN TICKET IN THE NATION.

The Victory for Roosevelt and Fairbanks is not to be Doubted—Doubtful States Go for Republicans—Parker a Badly Defeated Man.

On this morning of the Ninth of November we find that the country has almost unanimously endorsed the present administration and that by an overwhelming vote Roosevelt and Fairbanks have been elected. The result is not altogether unexpected for the signs have been for some time that this would be the outcome of the election of yesterday. The National Republican ticket carried every doubtful state in the union. By a plurality of 135,000 New York gave its electoral vote for the Republican candidates and gave the state ticket a close call.

This morning it seems that with Maryland Roosevelt will have 325 votes. Not counting the states that are doubtful or not heard from last night the Republican candidate had 293 electoral votes while Parker had 151. At an early hour last night it was clear that Roosevelt had an overwhelming majority and that there was no hopes of anything of an encouraging nature for the Democratic ticket. At 11:40 Judge Parker retired after having sent a congratulatory telegram to Mr. Roosevelt. It was known that the following states had gone for the Republican ticket this morning:

California, 10; Connecticut, 7; Delaware, 3; Illinois, 27; Indiana, 15; Iowa, 13; Kansas, 10; Maine, 6; Massachusetts, 16; Michigan, 14; Minnesota, 11; Nebraska, 8; New Hampshire, 4; New York, 39; New Jersey, 12; North Dakota, 4; Ohio, 23; Oregon, 4; Pennsylvania, 34; Rhode Island, 4; South Dakota, 14; Vermont, 4; Washington, 5; Wisconsin, 13; Wyoming, 3. Total, 293.

For Parker—Alabama, 11; Arkansas, 9; Florida, 5; Georgia, 13; Kentucky, 13; Louisiana, 9; Mississippi, 18; North Carolina, 12; South Carolina, 9; Tennessee, 12; Texas, 18; Virginia, 12. Total, 151.

Boston, Nov. 8.—Douglas, Democratic candidate for governor, has been elected by 12,000 plurality. Roosevelt has carried the state by a good margin.

Topeka, Kan., Nov. 8.—The Democrats concede Kansas to Roosevelt by 50,000.

St. Louis, Mo., Nov. 8.—At 8 o'clock Roosevelt was 5,600 votes ahead of Parker in this city. The state will go for Parker, however. Folk, for governor, is elected.

Wheeling, W. Va., Nov. 8.—Partial returns at 9 o'clock indicate a majority of 23,000 for Roosevelt.

Maryland Still in Doubt.

Baltimore, Nov. 9.—Returns from the state are slow and indicate the state in doubt but a strong possibility that Roosevelt has a small plurality. Parker carried the city of Baltimore by less than 500.

Nevada is Democratic by a few hundred, the Democrats having enough majority of the legislature to insure on joint ballot the election of John Sparks to the United States Senate. Roosevelt has carried Illinois by an estimated plurality of 235,000.

Roosevelt Victory Grows.

New York, Nov. 9.—Roosevelt's victory did not diminish over night but on the contrary grows. Latest and

THE EIGHTH DISTRICT. HENDERSON SAYS 113.

Watching the Balance Through the Last Count—Stanly Gives Blackburn One Hundred Majority.

Other Results in the District.

During the day THE TRIBUNE has tried to keep in touch with the Democratic ticket. What we have below represents everything that we have been able to get. Some of it is from Republican source and some of it comes with Democratic coloring. From what we have been able to secure THE TRIBUNE is of the opinion that Blackburn has carried the district by a small majority. There is considerable difference in the Wilkes county vote, Blackburn claiming 2000 majority while 1300 or more seems conceded to him there.

Albemarle, Nov. 9.—Three townships are not heard from at 11 o'clock this morning but the results there is pretty well known. From what is known this morning Blackburn has a majority of 100 in Stanly and the entire Republican ticket in the county is about the same. The Democrats stayed at home and this largely accounts for the result of the election of yesterday which was a surprise to the county. One hundred will be a fair figure at which to place the Republican majority in the county.

Lenoir, Nov. 9.—Ashe, Alleghany and Surry not heard from. Watauga, Blackburn 300 majority; Wilkes 1300; Caldwell 75 Republican majority.

Later reports from Stanly cut the Blackburn majority down to about 50. Both Sides Claim Victory.

At 11 o'clock the result in the 8th. district is in doubt. Mr. Blackburn this morning telegraphed to the chairman of the Republican committee that he was elected by a safe majority. At 11 o'clock Salisbury reports that Newland will have a majority of 250 in the district. There is a difference in the Wilkes county vote, which places the Republican majority at 21,00 and at 2,000. There are several counties in the extreme western part of the district which have not been heard from, there will however be little variation in the vote as that upon which calculations are made.

Dispatches at 11:30 place the Republican majority in Wilkes at 1,300; Alleghany for Newland by 150; Watauga for Blackburn by 300.

Blackburn Claims 2000 in Wilkes. Wilkesboro, Nov. 9. — Spencer Blackburn claims Wilkes by 2000 majority.

Three Hundred in Watauga. Boone, N. C. Nov. 9.—Blackburn's majority in Watauga is about 300; county ticket close.

Blackburn Claims About 300. Mr. Spencer Blackburn claims his election by about 300 majority.

Newland in Cabarrus. In Cabarrus with everything in Newland has 257 majority over Blackburn.

Blackburn Claims a Majority of 200 in the District.

A telegram from Wilkesboro this afternoon says that Blackburn is elected by a majority of 2000.

Newland by Near one Hundred and Fifty

Salisbury Nov. 9.—At 3 o'clock this afternoon it is certain that Newland will have between 125 and 150 majority in the district. Every county in the district has been covered by long distance telephone and a careful count will give Newland this majority.

Grinned and Sped to Death.

Mahanoy City, Pa., Nov. 8.—After starting a car toward the knuckle of Suffolk colliery slope this evening John Petro jumped inside. The topman made frantic efforts to make him understand that the chain had not been attached, but John, failing to grasp his danger, only grinned. When taken from the wreckage at the bottom of the slope, 500 feet below, every bone in his body was broken.

STATE IS DEMOCRATIC.

GLENN AND THE STATE TICKET ELECTED BY A SPLENDID MAJORITY.

Nine Democratic Congressmen Are Elected, With the Eighth in Doubt. Small Vote in Some Sections of the State.

The South is yet solid and North Carolina is safely Democratic by a good majority with the entire state ticket elected, supported by a Democratic Legislature. In some sections there was a heavy vote while in others the vote was not so heavy. Governor Glenn has about 50,000 majority.

Glenn Has Fifty Thousand Majority.

Raleigh, Nov. 9. (Special)—Glenn's majority will exceed 50,000. The Legislature is as largely Democratic as it was two years ago. The result in the Eighth district is very close and the district is in doubt.

Statesville, Nov. 8.—Iredell county gives county and legislative ticket from 500 to 600 Democratic majority. Newland about 750 majority in the county.

CABARRUS IS DEMOCRATIC.

THE COUNTY IS SAFELY WITHIN THE LINE.

The Majority Ranging From Something Like 250 to Over 500. Propst Leads the Ticket While All Have a Majority. The Majority is Increased.

All day yesterday the battle raged. The forces were on the firing line from early in the morning until late at night. The result in the county is a victory for every man on the ticket. In most cases there was an increase in the majority. It will be seen that Newland has more of a majority than Klutz had two years ago. In nearly all cases the majority was larger than two years ago. In the early voting there was some scratching which it seemed would demoralize all parties, but this soon ceased and the greater number of voters took it straight. The Democrats made splendid gains in Concord, especially in wards 1 and 2. In a few of the county precincts there was a gain for Democracy, in others a loss, though there was no large change in any of these. The accompanying table shows the vote for the county officers, Congressional, State and National ticket. We did not get the entire commissioners, only carrying the vote of Ervin and Buchanan. In Mecklenburg Odell got 3,063; Grier 601, a majority of 2,462.

The following are the majorities, with No. 6 to hear from: Parker 234, Glenn 286, Winston 256, Newland 242, Odell 147, Duls 214, Sticklely 121, Propst 517, Swink 275, Johnson 183, Long 386, Lentz 297, Harris 350, Ervin 183.

Some of the majorities two years ago were as follows: Propst over Biggers 432, Johnson over Harris 171, Harris over Teeter 233, Klutz over Blackburn 186.

In the tabulated returns on the inside of today's paper the No. 8 vote gives Propst 126 and Sapp 77, while it should be Propst 136 and Sapp 75. This makes Mr. Propst's majority 517, and No. 6 will give him at least 14 which will make his majority about 531.
