#### Auto Owners to War on Farmers.

Milwaukee, Dec. 2.—Owners of automobiles have decided to declare war on the farmers of this section. One farmer publicly boasted that his principal amusement was to arm himself with a rifle, hide behind bushes and shoot at the tires of passing autos. The scattering of broken glass in the roads, the placing of rails and logs across the roads, and even the laying of barbed wire in the roadway are a few of the practices. Some drivers have had guns drawn on them and been compelled to stop while farmers drove mockingly by.

Only the actions of the just smell sweet and blossom in the dust.—Shirley.

#### WARRANT FOR WHITE BOY.

Sandy Miller Swears Out a Warrant for Ray Meismore for the Killing of His Daughter, Laura Miller, on Saturday.

Sandy Miller, the father of Laura Miller, the colored girl who was murdered last Saturday morning, was in the city today and went before Esquire C. A. Pitts and swore out a warrant for Ray Meismore, a white boy about 15 years of age, charging him with the killing of Laura. The warrant gives the names of seven witnesses to be summoned and the trial is set for 2 o'clock tomorrow afternoon.

The young Meismore boy was brought to Concord last Saturday night by the coroner. There was considerable feeling against him in the community among the negroes and the lad was brought to the city to be kept away from the scene of the excitement.

The lad has a good face and would never be taken for a boy of criminal leanings. He attends school in the neighborhood and was sawing wood in the yard at his home most of the day on Saturday. It is not known how much evidence there will be brought out at the trial, but it was not thought on Saturday that there was anything to connect the boy with the crime.

The boy on Saturday night was calm and composed and did not seem to fear a thing in connection with the serious charge which at that time might be made against him. From talk one can hear the general public is not much given to associate this boy with the crime.
