## IVEY'S

### Mill End Sale.

We have one correction to make in regard to this Sale Wednesday. These goods were advertised as New Dress Goods Remnants which was a misunderstanding on our part here in Concord.

These goods are what were left of our big sale in Charlotte just a few days ago.

As it is our rule to always put these goods on the market at a price after having one of these great sales, we decided to have this sale here in Concord as it will be a big advertisement for our Branch Store here.

**All One Price 12 1/2c Yard.**

Come and see what we will have for you. Short Lengths Fine Serges, Brilliantines, Melrose, Voiles, Suitings, Cashmets, etc.—while they last **12 1/2c Yard.**

#### STOCKS STEADY.

Early Scene Was One Boding Trouble But Calmed Down With Copper Strong.

New York, Dec. 13.—Excitement reigned again this morning on the floor of the stock exchange. A highly nervous state of speculation was the order which was attended by a flood of selling and a tumble in values all along the line. Brokers rushed here and there trying to place and dispose of orders to an advantage. For a while it looked as though the market was going to repeat the sensational scenes of a few days ago. Amalgamated Copper proved to be a strong stock and this proved an influence in turning the market stronger. At noon the market was steady.

#### BLOOD CURDLING OATHS.

Those Who Swore Allegiance to "Endowment House" Were Bound by Terrible Oaths.

Washington, Dec. 13.—At the Smoot hearing this morning the blood curdling oaths taken by candidates in the "endowment house" were for the first time officially revealed. The first oath was that if the witness revealed the secrets he consented to having his throat cut from ear to ear, and his tongue taken out by the root. The second was the throat be cut and the vitals taken out and the third was that the body be torn asunder and the bowels gushed out.

Munich, Bavaria, Dec. 13.—The Neuste (Nachrichten) reports that Frau Hilgen, of Trosberg, Bavaria, has given birth to six children within the past year. Last January she had triplets and only recently gave birth to triplets again. Medical authorities say that is the record of the world in the birth rate. (Mr. T. R. will please take note.)

#### CHADWICK, CHADWICK, CHADWICK!

More News and no News About the Much Talked of Woman. Her Husband is in Paris and Talks not.

Paris, Dec. 13.—Dr. Leroy Chadwick, the husband of Mrs. Cassie L. Chadwick, who stirred American financial circles by her ability to borrow large sums of money on apparently worthless securities, is now silent in mysterious silence at the Commenca hotel. When interviewed the doctor replied with a shower of negatives. It is believed that he is attempting to give the impression that he only took a passive part in his wife's performances.

#### Still Hopeful

New York, Dec. 13.—Mrs. Cassie L. Chadwick's lawyers, Carpenter and Powell were early visitors at the tombs this morning, having come at the urgent request of Mrs. Chadwick. They were closeted with her a long time and when they came out they were hopeful of obtaining the necessary bail. They stated that Mrs. Chadwick had not decided whether or not to go to Cleveland. The prisoner was up early this morning and was bright and cheerful.

Opening of New Building at State Normal.

On Wednesday, December 14th, at 2:30 p. m. there will be interesting exercises in connection with the formal opening of the Cornelia Phillips Spencer Building at the State Normal and Industrial College.

The principal speech of the occasion will be by President G. T. Winston, of Raleigh, for thirty years a warm friend of Mrs. Spencer. Governor-elect R. B. Glenn, President Venable of the University, State Treasurer B. R. Lacy, and Prof. J. Y. Joyner, superintendent of public instruction and the board of directors of the college will be present to participate in the exercises.

If the weather will permit an interesting part of the program will be out of doors. The general public is cordially invited. The exercises will be held in the afternoon so that the busy people of Greensboro can attend them with the least possible loss of time from a regular day's work. President McIver asks us to say that the friends of the college will do it a genuine service by being present.—Greensboro Telegram 13th.

#### Found in a Vault.

Asheville, N. C., Dec. 12.—The remains of James Brown of Asheville, who was killed near Lexington, Ky., last June, and whose body has lain in a vault in Lexington unidentified, were brought here Saturday, and the funeral services were conducted from the residence of the deceased's father.

It is said that when young Brown received the injury that caused his death he informed a physician in attendance that he was from Asheville, but that the physician thought he meant Nashville, and consequently the papers of that city were extensively used in an effort to find the boy's relatives. Notices were inserted, but without result until by chance were seen by relatives here. Inquiry by the boy's father led to the identification. A portion of the clothing worn by young Brown at the time of his death was sent to the father and identified as the same worn by his son when he left Asheville.

#### TO IMPEACH SWAYNE.

Impeachment Resolutions Presented to The House This Morning by Representative Palmer.

Washington, Dec. 13.—Representative Palmer, Republican, placed the Swayne impeachment resolution before the House today immediately after the reading of the journal. The House went into executive session at 10 o'clock and the resolution was read. The first count against Swayne does not reside in the Judiciary section, that Swayne had been named as the defendant in a civil suit over title to some real estate in Pensacola, had arrested the lawyers, naming him as the defendant and sent them to prison in alternative to a hundred dollar bond, declaring the lawyers in contempt of court for making him a party to the suit.

#### FOR POLITICAL ACTIVITY.

Washington, Dec. 13.—Postmaster General Wynne today signed papers for the dismissal of Frank Cunningham, president of the Rural Carriers Association, of Omaha, charged with insubordination and with violating the executive order forbidding political activity among Government employees.

#### Bodies Recovered, Both Were Frozen.

Wilmington, Dec. 12.—The bodies of John H. Gore and William M. Brewer were recovered this morning by searching parties. Both were very near the spot where their boat capsized. They were frozen to death in the marsh. The bodies were brought to the city and prepared for burial. Brewer's remains were taken to Franklin, Va., and the body of Mr. Gore will be buried on Monday Tuesday. The city is in a gloom over the terrible tragedy.

#### ANOTHER REPORT.

Wilmington, N. C., Dec. 12.—A searching party sent out by the Knights of Pythias today recovered the bodies of Attorney John H. Gore, and John Brewer, of Franklin, Virginia, who were drowned in a storm Saturday night while they were duck hunting in the marshes of the Cape Fear river, five miles below Wilmington. The condition of the bodies indicated that while clinging to their canoe, which had been capsized, they fell exhausted in three feet of water and were drowned or frozen to death.

#### Lemons to be Tried.

Chief of Police, J. L. Boger, went to Charlotte this morning to attend Federal Court, being a witness against a white man name Cyrus Q. Lemons, who is indicted for blockading. It will be remembered that a few years ago the Concord officers caught a wagon near the city and that one of the men, O'Donogh, was tried and sent to prison. Lemons was not caught at that time, but has since been taken into custody of the Federal authorities and will be given a hearing this week before the court now in session in Charlotte.

#### DEATH OF MRS. HILL.

Widow of General D. H. Hill Died in Raleigh Monday.

Raleigh, Dec. 12.—At her home at West Raleigh, near the Agricultural and Mechanical College, Mrs. D. H. Hill died this morning, of an affection of the heart. She had been in bad health for several weeks. Her sister, Mrs. Stewart Jackson, came here from Winston-Salem to be at the funeral. She was 80 years of age. Mrs. Hill was born in Davidson, at Davidson College, and there she will be buried. For several years, in fact ever since her making Raleigh her home, she had been a member, and a devoted one, of the First Presbyterian church. She was very prominent in all good works, among the poor and along all the lines of religious effort and was a devoted Daughter of the Confederacy, and took a prominent part in organizing a children's chapter of that order, with which she used to visit the Soldiers' home, greatly to the pleasure of the inmates. To-morrow afternoon there will be a special religious service at the First Presbyterian church, after which the remains will be taken to Davidson for burial, the time of the funeral being 2 o'clock p. m. The Confederate veterans and the Daughters of the Confederacy and other orders here will honor the memory of this good and well beloved woman tomorrow and some prominent people will accompany the remains to Davidson. Mrs. D. H. Hill, is an original member of the faculty of the Agricultural and Mechanical College and was with his mother during all her illness, one of the most devoted sons.
